

The following is a brief update on the work and information regarding the Neighbourhood Wardens:

- 30 Fly tipping sites and Dumped furniture items directly cleared and removed by Wardens.
- Wardens undergone training in removing Graffiti future plans to purchase Graffiti removal machine and then start work on the area. Presently looking into the type of vehicle(s) required to transport the machine.
- Several Wardens undertaking "Train the trainer" course to assist in training present and possible future Wardens. This course has been funded by C.A.D. our thanks are given to Ron Overton for his assistance.
- Two government officials overseeing the scheme are to attend the area on 07.02.03 to see the Manager Janet Greenwood and to take a look around the area time permitting.
