1. Welcome and Introduction by the Chairman.
2. Briefing and Presentation- Next Steps for the Local Plan.

The Council is preparing a Local Plan for Rotherham. This is a statutory requirement under the Planning and Compulsory Purchase Act 2004 and the Localism Act 2011. This was previously called the Local Development Framework, however, the title has been altered to bring our plan into line with the National Planning Policy Framework. The documents contained within the Local Plan will remain the same – the Core Strategy and a supporting Sites and Policies document.

Work on the Local Plan continues with the Council intending to consult in January/February, 2013 on minor changes to the Core Strategy prior to its submission to Government. In Spring 2013 we also intend to carry out full public consultation on a draft Sites and Policies document, including a Policies Map showing land earmarked for development across the borough.

3. Questions.
4. Any Other Business.
5. Closing Remarks.
