A43 QUESTIONS FROM THE PUBLIC

A member of the public asked, with Mr Kevin Barron MP for Rotherham advocating on the Andrew Neil's Sunday Politics show that Council meetings should be televised for public interest and scrutiny, will this Council Chamber again explain to me why it refuses even to have theirs "tape recorded" for verification of minutes?"

The Leader replied that the Council's Standing Orders provided that Council meetings may be recorded, if authorised by a majority vote of the meeting.

There is no legal obligation upon the Council to either televise or tape-record its meetings.

The Council is currently considering its response to new guidance issued by the Department for Communities and Local Government with regard to the filming of Cabinet meetings.

The new Policy will ensure the Council acts in both a lawful and transparent way with regard to the broadcasting of its meetings.

The member of the public welcomed that consideration was being given to a broadcasting Policy.
