(Mrs. I. G. Hartley in the Chair)

2. MEMBERSHIP OF THE LOCAL ADMISSIONS FORUM

Further to Minute No. 13 of the meeting of the Rotherham Local Admissions Forum held on 5th November, 2015, details of the current membership of the Rotherham Local Admissions Forum were noted and it was agreed that every endeavour be made to fill the vacant places, including requests to the governing bodies of schools.

3. TERMS, CONDITIONS AND CONSTITUTION OF THE LOCAL ADMISSIONS FORUM

Further to Minute No. 23 of the meeting of the Rotherham Local Admissions Forum held on 18th February, 2016, discussion took place on the submitted document setting out the terms of reference of the Rotherham Local Admissions Forum.

Agreed:- That the document be received and accepted as the Local Admissions Forum's Terms of Reference for the 2016/17 academic year.

4. SCHOOL ADMISSIONS CONSULTATION FOR ENTRY IN THE 2018/2019 ACADEMIC YEAR

Consideration was given to a report presented by the Principal Officer (School Organisation, Admissions and Appeals) concerning the admission arrangements (ie: criteria and admission number) which would apply for school admission in the 2018/2019 academic year.

The timetable for the year is:-

Autumn Term, 2016

governing bodies to consider the arrangements which will apply

by 25 th November, 2016 the	all relevant details to be forwarded to Borough Council
from 12 th December, 2016 until 27 th January, 2017	period of consultation via the Borough Council's Internet web site
by mid-February, 2017	Borough Council and the Local Admissions Forum consider any changes and forward any comments to appropriate Admission Authority(ies)
by 24 th February, 2017	all admission authorities to determine their arrangements and notify those consulted

The report made reference to the admission criteria and numbers for both community and controlled schools and for voluntary aided schools, academies and trust schools. The Local Admissions Forum noted that the current practice of co-ordinating in-year school admissions, with neighbouring local authorities, will continue even though there is no specific statutory requirement to do so.

Included within the report were details of each school and academy's proposed admission number for 2018/2019 (appendix two of the report submitted).

The 'waiting lists' which are kept for pupils' first admission to Secondary and Primary schools will continue to be maintained only until the end of the Autumn Term.

Agreed:- (1) That the report be received and its contents noted.

(2) That a further report be submitted for approval to the next meeting of the Local Admissions Forum, detailing the outcome of the consultation process about the school admission arrangements for the 2018/19 academic year.

5. UPDATE ON SCHOOL ORGANISATION, ADMISSIONS AND APPEALS

The Service lead (School Planning, Admission and Appeals) provided information about the progress of the following issues relating to school organisation:-

(i) Waverley new development Primary School - the process has begun to appoint a preferred Academy/Free School sponsor for the proposed new primary school within the Waverley new development. A prospectus would be published prior to the selection programme, outlining the need for the new school and also the local community overview. The short list of prospective sponsors for the Primary School will be prepared during

January 2017. The eventual preferred sponsor would be recommended to the Regional Schools' Commissioner in February, 2017, for consideration and approval. Once formalised by the Regional Schools' Commissioner, this Council's Cabinet will be requested to ratify the decision. Details of the Waverley primary school proposal are available via this Internet web site link:-

www.rotherham.gov.uk/waverley/

(ii) Laughton J & I School – larger classroom sizes and Published Admission Number (PAN) increase from 24 to 30 pupils; this increase will affect each successive year's Reception/Foundation Stage 2 intake of pupils, beginning in September 2017;

(iii) Eastwood Village Primary School – the School is full and has a waiting list of pupils for the Reception/Foundation Stage 2 year group; this Primary School will not have a Year 6 cohort of pupils until the 2017/18 academic year;

(iv) the closing date for applications for Year 7 (secondary school) places, for the 2017/2018 academic year, is 30th November, 2016;

(v) Information was provided about the school admission appeals which had taken place during the period April to October, 2016; there continued to be considerable pressure upon Reception/Foundation Stage 2 year groups; in addition, a number of complex appeal cases have been dealt with, involving officers from various agencies; all schools now subscribe to the admission appeals service provided by the Local Authority.

Agreed:- That the information be noted.

6. UPDATE ON PRIMARY & SECONDARY FAIR ACCESS PROTOCOL

Further to Minute No. 29 of the meeting of the Rotherham Local Admissions Forum held on 18th February, 2016, discussion took place on the progress of Rotherham's Primary and Secondary School's Fair Access Protocol. It was noted that the Fair Access Panel for Primary Schools had been required to meet on only one occasion during the past two years. The Fair Access Panel for Secondary Schools has regular meetings once in each School Half Term.

Agreed:- That the information about the Fair Access Protocol be noted.

7. ACADEMIES UPDATE - OCTOBER, 2016

The current list of academy schools (as at October, 2016) in the Rotherham Borough area was distributed and its contents noted.

8. TERM DATES CONSULTATION FOR 2018/19

Consideration was given to the proposed calendar of Term dates and holidays, for the 2018/2019 academic year, for community and voluntary controlled primary, secondary and special schools.

It was noted that the forthcoming consultation about the School Term dates will include Councillors, school governing bodies, trades unions and other stakeholders. One proposed option was the permanent placement of the two weeks' Easter holidays during April, which might sometimes not include Good Friday, Easter Sunday nor Easter Monday (the three latter days sometimes being set in March and sometimes in April).

It was confirmed that the consultation process would include all four principal local authorities in South Yorkshire, in order to try and standardise holiday dates throughout the County. Other neighbouring local authorities responsible for education services were also notified of proposals.

The Local Admissions Forum also noted that faith schools and academies might choose to make separate arrangements for their term dates, although in the past they had chosen to align the dates with those of the Local Authority.

Agreed:- That the submitted information about the proposed calendar of School Term dates and holidays, for the 2018/2019 academic year, be noted and the Local Admissions Forum be informed in due course of the outcome of the consultation process.

9. DATE AND TIME OF NEXT MEETING

Agreed:- (1) That the next meeting of the Rotherham Local Admissions Forum be held at the Town Hall, Rotherham on Thursday, 16th February, 2017, commencing at 10.00 a.m.

(2) That a further meeting of this Forum take place on Thursday, 8th June, 2017.

**ROTHERHAM METROPOLITAN BOROUGH COUNCIL -
LOCAL ADMISSION FORUM – FEBRUARY 2017**

CONSULTATION ON ADMISSION ARRANGEMENTS FOR THE ADMISSION YEAR 2018/19.

i) Admission Numbers and Admissions Criteria

This item gives governors the opportunity to consider the admission arrangements (criteria and admission number), which will apply for admission in 2018/19. The Local Admission Forum has previously considered the requirements for consultation and has agreed that the LA should facilitate this, as far as possible, by use of the Authority's Internet site.

The timetable for the year is:-

Autumn Term 2016	Governing bodies consider the arrangements which will apply.
By 25th November 2016	All relevant details to be forwarded to the LA.
12 th December – 27 th January 2017	Period of consultation via the LA's website.
By mid February	LA and the Local Admission Forum consider any changes and forward any comments to appropriate Admission Authority (ies).
By 24 th February 2017	All admission authorities to determine their arrangements and notify those consulted.

Community and Controlled Schools

For these schools, the LA is the admission authority. The admissions criteria for 2017/18 are shown at Appendix 1.

There are no proposed changes to the admission criteria for 2018/19.

Each school's proposed admission number is shown at Appendix 2.

Action: The Governing Body is requested to complete and return the pro-forma to Christopher Stones, SPAA, Wing C, 2nd Floor, Riverside House, as soon as possible and no later than 25th November 2016.

Voluntary Aided Schools/Academies/Trust Schools

The governing body is the admission authority. Full consultation is required.

If there are any proposed changes at Church of England schools, Governing Bodies should consult their Diocesan Board before consulting anyone else.

Action: Governing Bodies to consider both the admissions criteria and the admission number appropriate for the school. Full details of the admissions criteria and admissions number to be forwarded to the LA by 25th November 2016 to enable the full consultation with all the appropriate consultees to be carried out via the Internet. This should be done by e-mail to Christopher.Stones@rotherham.gov.uk

Pro-forma to be completed and returned as for community and controlled schools.

Further General Point

All infant, J&I and Primary schools need to continue to be mindful of the need to maintain classes from FS2 to Y2 at 30 or less, with the exception of excepted pupils as stipulated under the Admissions Code of Practice.

If you require any further information or would wish to discuss any matters relating to admission numbers/criteria/net capacity, please contact Chris Stones on 01709 253831.

ii) **Co-ordinated Admission Arrangements**

The Authority co-ordinated admission arrangements during the normal admission round and in-year admissions for all year groups. Since 2012 the School Admissions Code states there is no requirement to co-ordinate in-year admissions. Rotherham, along with many neighbouring Local Authorities proposes to continue to co-ordinate in-year admissions, as far as is possible. The Local Admissions Forum has expressed its collective view that this continues to be good practice and that they fully support co-ordinated admission arrangements. For 2018/19 there will be a few minor date changes to the Co-ordinated Schemes and it is noted that the Schools Admissions Code 2014 specifies that the Primary Schools National Offer Day is 16 April.

Action: To note the information.

iii) **Waiting List**

The Authority currently maintains waiting lists for pupils applying during the normal admission round. The Admissions Code of Practice requires that waiting lists are in place and continue for at least the first term of the academic year. There are no proposed changes for 2018/19.

Action: No action required

iv) **Local Authority 'Admission to School' Booklets.**

The information contained in the booklets is freely available on the Local Authority Website along with details on how to make an on-line-application. The Authority is currently able to satisfy above 90% first preferences for primary and secondary schools. Much of the information in the booklet is surplus to most parents' applications (most booklets are discarded once the application has been submitted). Where parents are unsuccessful with their application separate guidance is available on the appeal procedures. Many other neighbouring authorities now produce only a summary of the information which is sent to all parents with detailed information available on request or via the website. Hard copies of the booklet are only provided upon request. All parents receive a letter explaining how to apply for a school place. The letter advises parents/carers to have read and taken regard of the admissions booklet available on the council website before submitting their application.

Action: Governing Bodies to note that the Local Authority wishes to maintain the decision to only send a summary of the information contained in the admissions booklet to parents with full copies available on request and/or via the rotherham.gov.uk website.

v) **Consideration of the 'relevant area'**

Every two years, the Authority must review its determination of the 'relevant area' for the purposes of admissions consultation. This requires consultation with all schools in Rotherham, together with all primary schools lying within 1 mile of any border and all secondary schools lying within 3 miles. Since the inception of this requirement (in 1999) the determined area has been the whole of the Rotherham borough. There have been no objections to this and no change to the 'relevant area' is proposed for consultation on admissions in 2018/19. This was last reviewed as part of the 2016/17 consultation arrangements and no changes are proposed.

Action: Governing Bodies to note and to forward any comments, if any, on the proforma.

vi) **In Year Admissions Policy**

The Local Authority devised an In Year Admission Policy as part of the 2017/18 Consultation.

Action: Governing Bodies to note and to forward any comments, if any, on the proforma.

The admission criteria for community and controlled schools for 2018/19 is shown below.

It should be noted that for a number of years the D.f.E. has given priority to looked after children. The School Admissions Code also prioritises previously looked after children. This is shown in the criteria below.

Primary Reception

Places will be allocated in the following order of priority:

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children. (see note 3 below).
- ii) Children who have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular school essential**.
- iii) Children with a compelling social reason which the Authority is satisfied makes attendance **at that particular school essential**. The kinds of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children who on the closing date live in the catchment area of the school as defined by the Authority who will also have an older brother or sister on the roll of the preferred school or its associated junior school at the time of their admission. Parents should ensure that they attach full supporting information to the Common Application Form.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vi) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school or its associated junior school at the time of their admission.
- vii) Children who on the closing date live nearest to the school measured in a straight line on a horizontal plane (as the crow flies).

Year 3

Places in Year 3 at a Junior School will be allocated in the following order of priority:-

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children (see note 3 below).
- ii) Children in attendance at Y2 in the associated Infant School.
- iii) Children who have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular school essential**. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children with a compelling social reason which the Authority is satisfied makes attendance **at that particular school essential**. The kinds of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority who will also have an older brother or sister on the roll of the preferred school at the time of their admission.
- vi) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vii) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school at the time of their admission.
- viii) Children who on the closing date live nearest to the school measured in a straight line on a horizontal plane (as the crow flies).

Secondary Year 7

Places will be allocated in the following order of priority:-

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children (see note 3 below).
- ii) Children who on the closing date have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular school essential**. Parents should ensure that they attach full supporting information to the Common Application Form.

- iii) Children who on the closing date have a compelling social reason which the Authority is satisfied make attendance **at that particular** school essential. The kind of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children who on the closing date live in the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school in Years 8-11 at the start of the academic year 2018.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vi) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school in Years 8-11 at the start of the academic year 2018.
- vii) Children who on the closing date are on the roll of one of the associated Primary/Junior/Junior and Infant schools as identified by the Authority.
- viii) Children who on the closing date live nearest to the school measured by a straight line on a horizontal plane, (commonly known as measurement, "as the crow flies").

Notes

- 1 Where the admission number for any school is likely to be reached mid category, places will be prioritised within that category by reference to the distance between the home address and the school. Highest priority will be given to those living closest to the school measured in a straight line on a horizontal plane (commonly known as measurement, "as the crow flies").
2. Where any final place at a school is available and two or more pupils are judged to be living equidistant from the school (e.g. in flats), the final place will be allocated by the drawing of lots by officers of the authority.
3. A 'relevant looked after child' is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). For further information please refer to the Admissions Code of Practice which can be downloaded from www.dfe.gov.uk

4. Places will be allocated in accordance with the LA's co-ordinated admissions schemes for Primary and Secondary schools. In assessing preferences, the LA will operate an 'equal preference' system, which means that no priority will be given according to the ranking of the preference, except where a potential offer can be made in respect of more than one school. In that situation, the final offer of a place will be made at the highest ranked of the potential offer schools.
5. Children issued with an Education, Health and Care Plan (EHC) or Statement of Special Educational Needs will gain a place at the school named in the statement as part of that process.

In-Year Applications.

What is an in-year application?

An in-year application is for children requiring a school place during the academic year, rather than at the usual transfer time to school (for example starting primary school, moving to junior school or moving to secondary school).

The majority of in-year applications for school places in Rotherham will be dealt with through normal in-year arrangements. However, some children in vulnerable groups may find it difficult to secure a school place. In these cases, applications may be referred for placement under the Fair Access Protocol. Rotherham's Fair Access Protocol (FAP) works in partnership with schools to ensure that children and young people in vulnerable circumstances, including those at risk of exclusion, or those excluded from school, are allocated a school place as quickly as possible. The operation of the FAP is triggered when a parent/carer of an eligible child has not secured a school place under in-year admission procedures.

Rotherham's arrangements for in-year applications to Rotherham schools.

Own admission authority schools and academies work closely with the Local Authority to manage and process applications In-Year.

The School Admissions Code 2014 requires that the Local Authority and Schools who are their own admissions authority must, on receipt of an in-year application, work in partnership to ensure all parties are notified of the outcome, so that figures on the availability of places in the area can be kept up to date. The admission authority **must** also inform parents of their right to appeal against the refusal of a place.

For applications for school places outside of Rotherham, parents should contact the relevant local authority for details of the relevant Admissions Policy but should apply for a place via Rotherham Admissions under the co-ordinated Admission arrangements. Contact details for neighbouring local authorities can be found in the Admissions to Primary/Secondary school booklets for parents available at www.rotherham.gov.uk

Admission authorities are responsible for setting and applying a school's admission arrangements:

- for foundation or voluntary aided schools, including trust schools, the governing body is the admission authority
- for academies, the academy trust is the admission authority
- for all other schools in Rotherham, the Local Authority is the admission authority.

All admission authorities must comply with the requirements of the School Admissions Code and admissions legislation.

Admission authorities should ensure that their processes for admitting children who have been allocated a place under in-year arrangements or through the Fair Access Protocol do not lead to unreasonable delay, particularly where a child is otherwise without a place.

Governing bodies can refer applications to the local authority for consideration under the provisions of the Fair Access Protocol in certain circumstances, as per the Admissions Code 2014.

Rotherham Authority will also share information with neighbouring authorities where an application is received for a pupil who lives in that local authority area and who applies for a place in one of the schools participating in the scheme.

Our neighbouring authorities are Barnsley, Derbyshire, Doncaster, Nottinghamshire and Sheffield.

Applying for a place in a Rotherham school

Parents can make applications up to one term before the date when they would like their child to start at the preferred school. Parents can apply from the 1 May onwards for Admission in the following September. In Year applications are considered daily on a date received basis.

Parents can state up to three preferences on an application form for Rotherham schools. We recommend that parents use all three preferences, thereby maximising their chances of securing a place at a school of their choice. Details of applications will be sent to your preferred schools.

Parents applying for academy, foundation, voluntary aided or voluntary controlled schools should check whether any additional supporting information is required. This may be written evidence from a minister to demonstrate commitment to religion. This information enables the admission authority to apply admission oversubscription criteria correctly.

Details of oversubscription criteria for Rotherham schools is available on our website www.rotherham.gov.uk

Applying for a place in year 10 or year 11

Performance and level of achievement/attainment are adversely affected each time a child experiences a transfer to a new school. Avoidable and unnecessary changes should be carefully considered and parents need to be aware of the consequence of moving schools in key groups such as year 10 and year 11.

It may be difficult to find schools that can offer courses compatible with the previous school. However, schools are not able to refuse to admit children because they followed a different curriculum at their previous school.

How applications are considered

Applications for school places are considered within agreed timeframes with all admission authorities to ensure that every child of school age accesses an appropriate school place.

Notification of the outcome of the application will be sent to parents by post. Admissions will normally be agreed up to the published admission number which applied for the normal year of intake. If an application is refused at any school applied for, parents are notified of their right to appeal.

Rotherham Local Authority will then identify all those preferences that can be met. When a place can be offered at more than one of the schools listed on an application, the Authority will write to offer a place at the highest preferred school where a place is available. Rotherham Authority will write to parents detailing the outcome of the application.

Infant classes only

The School Admissions (Infant Class Sizes) (England) Regulations 2012 permit children to be admitted as exceptions to the infant class size limit. Section 1 of the SSFA 1998 limits the size of an infant class (i.e. a class in which the majority of children will reach the age of five, six or seven during the school year) to 30 pupils per school teacher. The School Admissions Code 2014 (2.15) states that additional children may be admitted under limited exceptional circumstances. These children will remain an 'excepted pupil' for the time they are in an infant class or until the class numbers fall back to the current infant class size limit. A child who falls into any of these categories will not automatically be admitted as an excepted child.
