Hi Lisa,

Please be advised I have looked at the attached variation for the premises licence for the Reresby Arms public house Vale road at Thrybergh.

I do have certain concerns regarding the extension of hours for the purposes of playing recorded music and live music. They are proposing to extend the hours in the week Monday – Friday until 24:00hrs and at the weekend Friday and Saturday until 01:00hrs. This public house is surrounded by domestic premises. One would envisage noise complaints from surrounding residents if the noise from amplified music wasn't controlled within these late times, in order not to cause a noise nuisance to surrounding residents.

It is my proposal that they revise their proposed variation for the purposes of playing recorded music and live music in the midweek. Monday – Friday and Sunday until 23:00hrs and Friday and Saturday evening until the hours if 24:00hrs. in order prevent excessive noise nuisance to surrounding residents.

Dear Sir/Madam,

I am writing in connection of the amendment notice to the Premises Licence Plan Drwg No 7214/03 Reresby Arms Public house on Vale Road Thrybergh, specifically the item concerning to amend the licencing hours to 1am on Friday and Saturday nights.

My concern is not only the noise from the live music and disco at 1am but could I also point out the fact that although the bar and music may stop at 1 am that doesn't mean the noise stops then. You have the people leaving, shouting arguing sometimes fighting as well as car doors banging. Having lived for 30 years virtually in the car park of the pub I can say that this will happen and if the weather is warm the windows and doors are opened and the noise is magnified. Taking a look around at the adjoining estate you will see that to the left of the pub across the street and to the front right there are a considerable amount of wardened old folks bungalows who I am pretty sure would not want the noise at that time of the morning.

I am 100% in favour of the refurbishment of the Reresby Arms as a family orientated pub and restaurant and my concern is that if the said hours are allowed then family's may stay away and once again it will turn into a lads late night bar .

Could I also ask if the notice that appeared on the security fence will be posted out to the relevant householder in the same way as the original planning application plans were for everyone to view and have their say.

Sincerely,

Mr & Mrs J. Brown

Dear Sirs

Following discussions with Trading Standards I would be most grateful if the variation application for the Reresby Arms could be amended to include conditions whereby

1. The premises will operate as a minimum a Challenge 21 policy whereby anyone that appears to be under the age of 21 shall provide documented proof that he/she is over eighteen years of age. Proof of age shall only comprise a Passport, photo card Driving Licence, an EU/EEA National ID card or similar document, an HM Forces Warrant Card or a card bearing the PASS hologram.
2. A refusals log (which may be electronically recorded) shall be kept at the premises for at least six months and made available upon request to Police Licensing or an authorised officer of the Licensing Authority.
3. All staff shall be trained in relevant age restrictions in respect of products, recognising signs of drunkenness, how to refuse service and the conditions in force under this Licence. Documented records of training completed will be kept for each member of staff. Training shall be regularly refreshed and records made available for inspection upon request by a Police Officer or an authorised officer of the Licensing Authority.

Should you have any queries in relation to the above, please do not hesitate to contact me.

Yours faithfully

Hi Chris,

Please be advised we have received 3 noise complaints regarding this pub from late night entertainment from nearby residents.

We have also received 4 complaints reading rubbish to the rear yard.

I do have certain concerns regarding the extension of hours for the purposes of playing recorded music and live music. They are proposing to extend the hours in the week Monday – Friday until 24:00hrs and at the weekend Friday and Saturday until 01:00hrs. This public house is surrounded by domestic premises. One would envisage noise complaints from surrounding residents if the noise from amplified music wasn't controlled within these late times, in order not to cause a noise nuisance to surrounding residents.

It is my proposal that they revise their proposed variation for the purposes of playing recorded music and live music in the midweek. Monday – Friday and Sunday until 23:00hrs and Friday and Saturday evening until the hours of 24:00hrs. in order prevent excessive noise nuisance to surrounding residents.

Thanks Hazel
