ROTHERHAM BOROUGH COUNCIL – REPORT TO MEMBERS

Meeting:	Licensing Board Sub-Committee
Date:	11 th March 2019
Title:	Determination of Applications for a House to House Collection Permit
Directorate:	Regeneration and Environment

1. Summary

This report concerns applications made for proposed House to House Collection Promoters permits in or about the Borough of Rotherham. The applications have been made in accordance with the House to House Collections Act 1939.

Where a person who is promoting, or proposes to promote, a collection in any locality for a charitable purpose makes an application to the authority for the area in the prescribed manner specifying the purpose of the collection and the locality within which the collection is to be made, and furnishes them with the prescribed information, the authority shall, subject to the provisions of the act, grant to them a licence authorising them to “promote” a collection within that locality for that purpose.

“Promoter” means, in relation to a collection, a person who causes others to act as collectors for the purposes of the collection.

2. Recommendations

- That the Sub-Committee informs the Licensing Manager of the decision in relation to each of the applications introduced by this report.

3. Proposals and Details

The Council has recently received an application for a House to House collection permit, further details are provided below:

Permit Applicant:	Miss Beverley Burns
Collections Made By:	Volunteers undertaking a sponsored walk
Permit Collection Area:	Maltby, Hellabym Bramley, Wickersley, Brecks, Whiston
Collection Dates/times:	31 st March 2019.

bedroom and bathroom. More information is contained within Appendix 1.

Charitable Benefit for Rotherham: Not separately defined.

Should the permit(s) be granted at the hearing any permit would only run from the date the Sub-Committee approves the application until the requested expiry date unless otherwise granted by the Sub-Committee.

If the dates requested by the applicant have passed then alternatives dates can be offered for the time period requested e.g. one week / one month etc.

A copy of the original application paperwork is attached as Appendix 1.

4. Finance

Permits for House to House collections in or about the Borough of Rotherham are provided free of charge to applicants (there is no statutory provision for charging). Any relating enforcement and other matters of application processing are financed through the authority's normal budgeting methods.

5. Risks and Uncertainties

Failure to fully consider each application could lead to inappropriate collections being made within the Borough.

When a licensing authority refuse to grant a licence (or revoke a licence) which has been granted, they shall forthwith give written notice to the applicant or holder of the licence stating upon which one or more of the grounds set out in House to House Collections Act 1939 Section 2 sub section 3 (copied below in italics) the licence has been refused (or revoked) and informing him of the right of appeal given by this section, and the applicant or holder of the licence may thereupon appeal to the Secretary of State against the refusal or revocation of the licence as the case may be and the decision of the Secretary of State shall be final. The time within which any such appeal may be brought shall be fourteen days from the date on which notice is given.

A licensing authority may refuse to grant a licence, or, where a licence has been granted, may revoke it, if it appears to the authority—

- a) that the total amount likely to be applied for charitable purposes as the result of the collection (including any amount already so applied) is inadequate in proportion to the value of the proceeds likely to be received (including any proceeds already received);
- b) that remuneration which is excessive in relation to the total amount aforesaid is likely to be, or has been, retained or received out of the proceeds of the collection by any person;
- c) that the grant of a licence would be likely to facilitate the commission of an offence under section three of the Vagrancy Act 1824, or that an offence under that section has been committed in connection with the collection;
- d) that the applicant or the holder of the licence is not a fit and proper person to hold a licence by reason of the fact that he has been convicted in the United Kingdom of any of the offences specified in the Schedule to this Act, or has been convicted in any part of His Majesty's dominions of any offence conviction for which necessarily involved a

finding that he acted fraudulently or dishonestly, or of an offence of a kind the commission of which would be likely to be facilitated by the grant of a licence;

- e) that the applicant or the holder of the licence, in promoting a collection in respect of which a licence has been granted to him, has failed to exercise due diligence to secure that persons authorised by him to act as collectors for the purposes of the collection were fit and proper persons, to secure compliance on the part of persons so authorised with the provisions of regulations made under this Act, or to prevent prescribed badges or prescribed certificates of authority being obtained by persons other than persons so authorised; or
- f) that the applicant or holder of the licence has refused or neglected to furnish to the authority such information as they may have reasonably required for the purpose of informing themselves as to any of the matters specified in the foregoing paragraphs.

6. Policy and Performance Agenda Implications

The granting of House to House permits is consistent with the Corporate Plan and community strategy as it ensures the deliver under the themes of a Safer and Fairer Rotherham; also ensuring that the Council continues to maintain its statutory functions and undertakes appropriate enforcement to support the delivery of safe communities in Rotherham.

7. Background Papers and Consultation

About Emma

My 8 year old daughter was diagnosed in 2017 with a brain tumour, which was partially removed during an 14 hour operation. Emma quickly recovered from the operation but 6 months on and the tumour began to grow again, within weeks Emma was really poorly and was back in hospital to have it operated on again. The operation this time took 18 hours but again the tumour was only partially removed. Emma stayed sedated for 3 days until the decision was taken to operate and try again to remove the tumour. This operation was successful and Emma remained sedated for a further 6 days. After being brought round it was soon realised Emma had many other problems which have been caused from where the tumour was in the brain. Emma now has a thrachyostomy, needs oxygen and has a ventilator at night, Emma is tube fed due to not having a swallow. We do not know what the future holds for Emma we just take each day as it comes. Emma has to have 24/7 waking care which means someone has to sit with her and watch her 24 hours a day. For us to get the night carers that she needs Emma has to have her own bedroom which we do not have, we have 5 children so it is impossible for Emma to have her own room. Emma for the last 5 months has had her hospital bed in our living room, which for any 10 year old is not ideal as she has no privacy. We have applied for help with the extension but have been told that the grant will not cover all of the building costs, we will need to contribute in the region of £30,000. We are trying everything we can to raise the funds ready for the build to get Emma her own space and privacy whilst having the room for the carers for Emma to be safe. Emma and her 2 sisters have VHL the cause of Emma's brain tumour. VHL is a rare disease and Emma is one of the youngest people to have had a hemangioblastoma tumour.
