## THE CONSTITUTION

### INTRODUCTION

#### **Rotherham Borough Council**

The Council is a metropolitan borough council, which means that it is responsible for providing all the services that a local authority provides to local people. These services or functions include adult services, children and young people's services, consumer protection, education, electoral registration, environmental health, highways and parking, housing, libraries, museums and art galleries, planning and development control, a variety of licensing and registration functions and refuse collection and disposal.

Rotherham is at the centre of the UK and in the heart of the South Yorkshire regeneration area. The borough spans some 118 square miles linked by a network of 706 miles of roads and 17 miles of motorway. While still a major steel producer, it has widely diversified its industrial base in recent years, with growth in sectors including information technology, high-value engineering, food, healthcare, construction and services.

Although 70 per-cent rural, Rotherham is a thriving centre for business. The Dukeries and the Peak District lie nearby, to the south and southwest, while to the north and northwest are the sweeping moors of West and North Yorkshire. The town of Rotherham itself is the main urban centre, surrounded by a variety of villages and townships, such as Anston, Aston, Dinnington, Kiveton Park, Maltby, Rawmarsh, Swinton, and Wath-upon-Deerne, as well as other smaller suburban and rural communities. Many act to some extent as dormitories for larger conurbations such as Rotherham itself, Sheffield, Barnsley, Doncaster and Worksop.

The children of the borough are educated at 3 nurseries, 99 primary schools, 16 secondary schools and 6 special schools. Recreation is provided at 4 sports and leisure centres, 2 museums, 1 art gallery and 15 libraries.

Over a quarter of a million people living in the borough are served by 59 members of the Council. Some members of the Council also sit on joint authorities established to deal with passenger transport, police and fire and rescue services provided throughout South Yorkshire.

Three Members of Parliament serve the peoples of the borough. Their respective constituencies are Rotherham, Rother Valley and Wentworth and Dearne. The constituency boundary of Wentworth & Dearne extends into the Barnsley MBC area. The MP for this constituency, therefore, also represents electors from two electoral wards of Barnsley MBC but the greater part of the constituency is contained within the Rotherham area.

## **The Operation of the Council**

The Council's Constitution sets out how the Council operates, how decisions are made and the procedures that are followed to ensure that these are efficient, transparent and accountable to local people.

The Constitution comprises 19 articles. The articles set out the basic rules governing the manner in which the Council conducts its business. The Appendices to the Constitution contain more detailed procedures and codes of practice regulating different aspects of the Council's business.

The Council has adopted the "strong" leader with a cabinet form of executive. The executive is responsible for most day-to-day decisions, including major decisions, which are publicised in advance in so far as they can be anticipated. Executive decisions are made in accordance with the Council's overall policies and budget. Any decision that falls outside the budget or policy framework must be referred to the full Council to decide.

The Council's overview and scrutiny committees monitor the work of the executive and enable local people to have a greater say in the Council's business by holding public inquiries into matters of local concern. The Council's Overview and Scrutiny Management Board can "call-in" certain executive decisions that have been made but not yet implemented and question the appropriateness of the decision. The executive can also consult overview and scrutiny select commissions before making a decision or shaping policy.

The Council's Licensing Board and Planning Board are responsible for discharging functions that are not the responsibility of the executive. These functions are regulatory in nature, for example the licensing of operators of hackney carriages and private hire vehicles and the determination of planning applications. Liquor licensing is dealt with by a Licensing Committee comprising members of the Licensing Board.

The Council's complaints panels consider complaints from individual members of the public who are not satisfied with the standard of a Council service. Subject to any legal mechanism for challenging or appealing against a Council decision, a member of the public may complain about the particular decision in so far as it concerns or affects him or her.

The Council's officers give advice, implement decisions and manage the day-to-day delivery of services. The Council's Assistant Director of Legal Services and Strategic Director of Finance and Customer Services have a duty to ensure that the Council acts within the law and manages its resources wisely.

The Council's Standards and Ethics Committee is responsible for ensuring high standards of conduct by councillors and co-opted members and overseeing other probity issues.

The Council is involved in partnership working through the Rotherham Together Partnership, the Children and Young People's Board and other arrangements.

**PART I  
BEFORE THE MEETING**

**2. Right of access to meetings and exceptions**

*Right of access to full council and committee meetings  
and executive meetings held in public*

- (1) In general full council and committee meetings and executive meetings held in public are open to the public, but the public:-
  - (a) must be excluded from a full council or committee meeting or executive meeting held in public where it is likely that if they were allowed to stay confidential or exempt information would be disclosed to them;
  - (b) may be excluded from an executive meeting held in public (if the members of the executive present pass a resolution to that effect) where there is an item of business on the agenda for the meeting that, in view of the nature of the item, is likely to result in the advice of a political adviser or assistant being disclosed to the public if they were allowed to stay.

*Executive meetings concerning key decisions must be held in public*

- (2) An executive meeting may be held in public or in private, but the meeting or part of the meeting must be held in public (unless there is an item of business on the agenda for the meeting, or that part of the meeting, which is likely to result in confidential or exempt information being disclosed to the public if the public were to be allowed access to the meeting or allowed to stay for that part of the meeting) where the Leader of the Council or anyone else chairing the meeting reasonably believes that –
  - (a) a decision to be made at the meeting or part of the meeting will be a key decision;
  - (b) a matter is likely to be discussed at the meeting or part of the meeting which relates to a key decision included in the executive's current forward plan or which is the subject of a notice under procedure rule 2(3); and:-
    - (i) the decision is likely to be made at a meeting of the executive within 28 days of the meeting, and
    - (ii) an officer (other than a political adviser or assistant) will be present at that meeting or the part of the meeting at which the item is discussed,

but a meeting need not be held in public if the principal purpose of the officer's presence is to brief the executive decision-maker on matters connected with the making of the decision;

- (c) a matter relating to a key decision to be made by the executive is to be discussed with an officer (other than a political adviser or assistant) present; or
- (d) a decision is to be made at the meeting or part of the meeting in relation to which notice has been given in accordance with procedure rule 2(3).

*General exception to key decision to be made in public*

- (3) Where it has been impracticable to include a matter on the plan of key decisions and the matter would be a key decision, the executive must only make the decision if the Head of Democratic Services has –

- (a) notified in writing the chair of the Overview and Scrutiny Management Board or, if there is no chair, each member of the Board by notice in writing of the matter about which the decision is to be made,
- (b) placed a copy of the notice at the Town Hall or the place of the meeting and on the Council's website, and

5 clear days have elapsed since the notice was given and made available for public inspection.

*Exception to key decision to be made in public on ground of special urgency*

- (4) If the date by which a key decision must be made makes it impracticable to comply with procedure rule 2(3), the key decision can only be made if the decision-maker has obtained the agreement of –

- (a) the chair of the Overview and Scrutiny Management Board, or
- (b) if there is no chair of the Overview and Scrutiny Management Board or the Chair is unable to act, the Mayor, or

- (a) put to a vote a motion that the question be now put or that the meeting proceed to the next item of business, then if the motion is passed, give the proposer of the original motion the right of reply under Procedure Rule 18(28) before putting the motion to a vote; or
- (b) put to a vote a motion to adjourn the debate or the meeting without giving the proposer of the original motion the right of reply.

*Points of order*

- (33) A Member may only raise a point of order at the end of the speech to which it relates. A point of order may only relate to an alleged breach of these Council Procedure Rules or the law. The Member must indicate the rule or law and the way in which he/she considers it has been broken. The Members' speech will be limited to one minute, with any additional time to be agreed at the discretion of the Mayor. The ruling of the Mayor on the matter will be final.

The ruling of the Mayor on the admissibility of a personal explanation will be final.

## 19 Voting

- (1) The method of voting at Council meetings shall be by a show of hands or, where requested or required by law, a recorded vote.
- (2) Before a vote is taken, a Member may request a recorded vote. That Member must be supported by five other Members who show their support by standing in their places. The Mayor will have the discretion to refuse a recorded vote if he/she considers the request to be unreasonable to impede the proper discharge of the business of the meeting. The vote will then be recorded in the minutes of the meeting to show how each Member present voted (or whether they abstained from voting). The Mayor will announce the numerical result as soon as it is known.
- (3) In the case of an equality of votes, the Mayor shall have a second or casting vote.
- (4) Subject to Procedure Rule 19(5), where a Member present at a Council meeting requires the manner in which he/she cast his/her vote or abstained from voting to be recorded in the minutes of the meeting, immediately after the vote is taken the Clerk to the meeting (Head of Democratic Services) shall record in the minutes of the meeting whether that Member cast his/her vote for the question or against the question or whether he/she abstained from voting.
- (5) For the purpose of Procedure 19(4), the leader of the majority opposition group may indicate to the Clerk to the meeting (Head of Democratic Services) how his/her colleagues had cast their votes for or against the question put to the vote or abstained from voting.
- (6) Where the Council votes to set its budget and on any decision relating to the making of a calculation in respect of setting the level of Council Tax, the names of those voting for or against the decision or who abstained from voting will be recorded in the minutes of the meeting by means of a recorded vote in accordance with Procedure Rule 19(2) above.
- (7) For the avoidance of doubt, the rule detailed in Procedure Rule 19(2) above applies to proposed amendments, as well as to a substantive motion.

move that the Member be not heard further. If seconded, the motion will be voted on without discussion.

*Member to leave the meeting*

- (3) If the Member continues to behave improperly after such a motion is carried, the Mayor may move that either the Member leaves the meeting or that the meeting is adjourned for a specified period. If seconded, the motion will be voted on without discussion.

- (4) If there is a general disturbance making orderly business impossible, the Mayor may adjourn the meeting for as long as he/she thinks necessary.

**21 Disruption of a Council meeting by a member of the public**

- (1) If a group or an individual member(s) of the public interrupts the proceedings at any meeting, the Mayor shall warn the person(s) concerned. If the interruption continues, the Mayor shall order their removal from the meeting room.
- (2) In case of general disturbance in any part of the room open to the public, or of the premises where the meeting is being held, the Mayor will order that part to be cleared. If in the Mayor's view, this is not practicable and it is not possible to continue the meeting in the light of the disturbance, he/she may rule that the meeting should be reconvened in a different venue.

**22 The Council in committee**

- (1) The Council may by vote resolve itself into a committee of the whole Council.

- (2) The Chairperson of the relevant meeting will have the power to withdraw this permission should it prove necessary due to the nature of the meeting or if the conduct of the meeting is disturbed, for example, through flash photography, intrusive camera or lighting equipment, noise interrupting the meeting or those observing the meeting or the behaviour of the person filming the meeting.

- (3) Subject to Procedure Rule 23(1) and (2) above, reasonable facilities will be provided for anyone wishing to record or film at a meeting. Whilst notice is not formally required, anyone intending to film or record at a meeting is asked to contact the relevant Democratic Services Officer in advance of the meeting so that the Chairperson, other Members and any members of the public present can be informed, and the necessary arrangements made.
- (4) All those visually recording a meeting must remain in designated areas within the meeting room and are requested to only focus on recording Members, officers and the public directly involved in the conduct of the meeting. Should any member of the public participating in the meeting object to being filmed then the Chairperson will, wherever possible, make arrangements for that individual to be excluded from the recording.
- (5) Covert recording/filming at meetings will not be permitted and the person filming will be asked to provide an assurance that:
  - (a) recordings will include sound and vision;
  - (b) the original version will be available to the Council on request; and
  - (c) that recordings will not be edited in a potentially misleading way.

If the Leader does not do this at the Annual Meeting of the Council, he/she must notify such appointments, portfolios and changes to the Assistant Chief Executive directly when they are made. The Assistant Director of Legal Services will amend the Council's *Responsibility for Functions* in relation to executive functions, accordingly, notify all Members of the Council of such appointments, portfolios and changes and formally report these to the next ordinary meeting of the Council.

- (4) Councillors may nominate substitutes from within their political group for committees, joint committees, sub-committees, working groups and panels (and the Monitoring Officer shall have authority to give effect to those nominations in accordance with this procedure rule), provided that in the case of the:
  - (a) Regulatory committees, sub-committees and Audit Committee, substitutes must have received suitable training;
  - (b) Scrutiny committees, all councillors except Cabinet members are permitted to be substitutes.

Notice of substitution (or any cancellation) stating the name of the substitute must be given to Democratic Services before the commencement of the meeting concerned. Notification is for each meeting or until further notice. If the original appointed member arrives when the meeting is in progress, the substitution will remain effective and the original appointed member will not be allowed to participate in the decision making. It is not possible to substitute for part of a meeting only. The meeting shall be informed of any substitutions before the commencement of the meeting. Substitute members have all the powers and duties (including compliance with any mandatory training requirements) of any appointed member but are not able to exercise any special powers or duties exercisable by the appointed member.

- (a) retires or resigns from office or is suspended from being a councillor or is otherwise disqualified from being a Member of the Council or removed from that position by resolution of the Council; or
  - (b) the particular circumstances make it impractical for him/her to perform his/her duties in that position.
- (5) In the event of the office of chairperson or vice-chairperson of a committee becoming vacant during the municipal year for any reason, the Council shall make an appointment to that position at an ordinary meeting of the Council.

## **30 Attendance by a non-Member of the Cabinet or a committee at the invitation of the Chairperson of the Cabinet or committee**

- (2) Subject to Procedure Rule 31(1), a Member may request the Mayor's permission to move the suspension of a procedure rule for a stated purpose.
- (3) On the granting of permission under Procedure Rule 31(2), the question shall be put immediately and without amendment or debate to a vote of the Members.
- (4) If on the question being put or a division being taken it appears that not less than two-thirds of the Members present and voting are in favour of the request, the motion for the suspension of the procedure rule shall be put immediately and without amendment or debate to a vote.

**32 Variation, revocation or supersession of Procedure Rules**

- (1) These procedure rules shall not be altered, revoked or superseded without the prior recommendation of the Cabinet.

**33 Interpretation of Procedure Rules**

- (1) The ruling of the Mayor on the construction or application of any of these Procedure Rules, or on any proceedings of the Council, shall be final and not challenged at any Council meeting.
- (2) Except for the powers and duties conferred or imposed on the Strategic Director of Finance and Customer Services and the Assistant Director of Legal Services, any power or duty conferred or imposed on a director of service, in accordance with these Procedure Rules, may be exercised by the Strategic Director for the directorate concerned or the Chief Executive.
- (3) A reference in these Procedure Rules to the masculine gender includes the feminine and, where the context requires, the singular includes the plural and vice-versa.
- (4) The term "committee" includes a joint committee or joint authority and a sub-committee.

**PART IV**  
**PROCEDURE RULES FOR THE APPOINTMENT OF COUNCIL**  
**REPRESENTATIVES TO EXTERNAL ORGANISATIONS AND PARTNERSHIPS**

**34 Scope of Rules**

- (1) These Procedure Rules relate to those external organisations and partnerships (referred to as Outside Bodies) which have requested the Council to appoint an Elected Member (or suitable nominee) to them
- (2) For the avoidance of doubt, these Procedure Rules do not apply to appointments to Joint Committees/authorities which are reserved to Council.
- (3) Additionally, it is recognised that, often at a local level, individual Elected Members may be personally approached to attend meetings of a variety of organisations in their personal capacity rather than in their capacity as a Councillor. Such instances are not covered within the scope of these Procedure Rules

**35 Determination of Outside Bodies to which an appointment should be made**

- (1) The Head of Democratic Services will maintain a list of all Outside Bodies to which the authority appoints an Elected Member.
- (2) Each year the Cabinet will review the list of notified Outside Bodies and will determine whether the authority should make/continue to make an appointment to those bodies.
- (3) Determination will be based on one or more of the following criteria being met:
  - (a) the proposed appointment is a statutory requirement
  - (b) the proposed appointment would be consistent with the Council's policy or strategic objectives; and/or
  - (c) the proposed appointment would add value to the Council's activities.
- (4) Requests to make an appointment received after such an annual review will be similarly referred to the Cabinet for determination by reference to the same criteria.

**36 The Appointment Procedure**

- (1) In April each year (and after elections have taken place every fourth year after 2016), the Head of Democratic Services will circulate the list of positions on outside bodies to the political groups of the Council for nominations to be submitted to the first Cabinet meeting of the new municipal year.

- (2) The Cabinet will be responsible for making any appointment. In doing so, the Cabinet should have regard to a Member's current interests prior to making any appointment. Whilst not being bound by the requirements of political balance, a key consideration for the Cabinet in appointing representatives will be to ensure appropriate representation of the Council's views and policies.
- (3) The Cabinet will be responsible for making any appointment. In doing so, the Cabinet should have regard to a Member's current interests prior to making any appointment. The Cabinet will also have regard to, but not be bound by, the principle of securing an overall allocation of places which reflects the proportion of Members from each Political Group on the Council as a whole.
- (4) All appointments will be subject to annual change unless otherwise stated in the constitution of the external organisation. Each appointment (including in-year replacements) runs for the municipal year, ending at the next Annual Council Meeting.
- (5) Elected Members will fill all available appointments, but it is recognised that Political Groups may not wish to take up vacancies which are made available to them. In such circumstances vacancies will be notified to the Cabinet and a decision sought as to whether the vacancy will be filled.
- (6) A vacancy occurring during the municipal year will normally be referred to the Cabinet for an appointment to be made, having regard to the principles as described above.

### **37 Support for Appointees to Outside Bodies**

- (1) **Lead officer:** A lead officer will be identified by the Head of Democratic Services in consultation with the relevant Strategic Director for all relevant appointments. This officer will work closely with the appointed Member(s) to provide briefings and support. Further advice will also be offered by the Chief Finance Officer and/or the Monitoring Officer, as appropriate.
- (2) **Briefings:** For organisations which are community focussed and/or about encouraging local engagement, a lead officer will not be allocated unless the Strategic Director and/or relevant Cabinet Member for the service area deem that this will be beneficial. However, the representative may still seek support and briefings from Council officers.
- (3) **Induction:** External organisations are expected to provide an induction into their affairs for newly appointed Council representatives. In the case of those organisations that are of a strategic interest to the Council, it is the lead officer's responsibility to ensure that an induction is arranged.

**PART V  
PETITION SCHEME**

**ROTHERHAM BOROUGH COUNCIL**

**PETITION SCHEME**

1. [Guidelines for submitting a petition](#)
2. [How the petition will be dealt with](#)
3. [Matters excluded from the petition scheme](#)
4. [The Council's response to petitions](#)
5. [Review](#)
6. [E-petitions](#)

**1. Guidelines for submitting a petition**

1.1 Petitions to the Council must include:

- A clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take. The petition should be directed at the Council, not to specific Members or officers.
- The subject matter of the petition must relate to a function of the Council, or its partner authorities if the petition relates to an improvement in the economic, social or environmental wellbeing of the borough which a partner authority could contribute to. Petitions may also relate to matters which are sub-regional and cross-authority.
- The petition should contain the name, address and signature of at least 20 people who either are resident, work or study in the borough of Rotherham. This includes under 18 year olds.

1.2 Petitions should be accompanied by the contact details of the lead petitioner, including an address and/or telephone/email details. This is the person the Council will contact to explain the process for considering petitions. The contact details of the lead petitioner or any of the petitioners will not be published by the Council. If the petition does not identify a lead petitioner, we will contact signatories to the petition to agree who should act as the lead petitioner.

1.3 If the petition does not follow the guidelines set out above a letter will be sent to the lead petitioner explaining that the guidelines have not been met and that the petition has been forwarded to the appropriate Strategic Director for consideration.

## **2. How the petition will be dealt with**

- 2.1 The petition will normally be acknowledged in writing within 5 working days of receipt although there may be a delay if it is not clear from the petition who the lead petitioner is.
- 2.2 The lead petitioner will need to confirm how he/she would prefer the petition to be dealt with and assistance will be provided by [Democratic Services](#) to help the lead petitioner decide which is the most appropriate route. Petitions will be progressed in one of the following ways:

### **Officer (relevant Strategic Director)**

On receipt the petition will be forwarded to the relevant Strategic Director who has responsibility for the subject matter of the petition. The Strategic Director will nominate a Named Senior Officer to deal with the petition and the Named Senior Officer will contact the lead petitioner within 3 weeks to inform them of what action will be taken on the petition. As a lead petitioner you will be informed within the 3 week period if action has already been taken on the matter before the petition was received, or is in the process of being taken.

The Named Senior Officer will consult with the councillor who is the Member of the Cabinet holding the relevant portfolio for the service area, and if the subject matter of the petition is concerned with a particular locality, the ward councillors, to determine the action to be taken. The lead petitioner will be notified of the outcome in writing. However, it may be appropriate for the Named Senior Officer to take a report to a meeting of the Cabinet or another council committee. The lead petitioner and local ward councillors will be informed of the date of the meeting with an invitation to attend. After the meeting the Named Senior Officer will confirm the outcome to the lead petitioner, local ward councillors and any other relevant Member in writing within 10 working days.

### **Meetings of Full Council**

Petitions can be presented to a meeting of [Council](#). All Councillors on the Metropolitan Borough Council of Rotherham are Members of Council, so attending one of these meetings will provide the opportunity for the views in the petition to reach all Councillors.

The ordinary meetings of Council are held approximately every six weeks, and as a limit of 5 petitions are considered at each meeting, the lead petitioner should contact [Democratic Services](#) at the earliest opportunity. If there are more than 5 petitions then it will be necessary to consider the petitions that were received latest at the next meeting. At the Council meeting, a representative of the petitioners may speak on the subject matter of the petition for 5 minutes after presenting their petition to the Mayor. Council will not debate the petition but can refer the petition to the appropriate committee, panel or officer for response.

### **Full Council debates**

If a petition contains more than 2,000 signatures it will be debated at a meeting of Council. Normally the petition will be considered at the next ordinary meeting of the Council, although on some occasions this may not be possible, and consideration will then take place at the following meeting. A representative of the petitioners will be given 5 minutes to present the petition at the meeting and the petition will then be discussed by councillors for a maximum of 15 minutes. The Council will then decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for the reasons put forward in the debate, or to commission further investigation into the matter, for example by a relevant committee. Where the issue is one on which the Council's Cabinet is required to make the final decision, the Council will decide whether to make recommendations to inform that decision. The petition organiser will be sent written confirmation of this decision within 10 working days. This confirmation will also be published on the Council's website.

### **Consideration by Overview and Scrutiny Management Board**

If the petition contains at least 600 signatures, the call for action will be considered by the [Overview and Scrutiny Management Board](#). The Overview and Scrutiny Management Board may decide to call a relevant councillor to attend the meeting such as the member of the Cabinet who holds the portfolio for the service mentioned in the petition.

A report will be presented to a meeting of the Overview and Scrutiny Management Board setting out the background to the matter. The lead petitioner will be able to attend the meeting to present the petition for up to 5 minutes. At the meeting the relevant councillor and/or senior officer will be questioned by the Committee members. If the public is to be excluded during any part of the meeting under the provisions of Schedule 12A of the Local Government Act 1972 this will be set out in the attendance notification to the lead petitioner. The Committee will then make recommendations in accordance with the Council's Constitution to the relevant decision-making body. It may be necessary for the Committee to defer making the recommendations to a future meeting, for instance, if further information is requested. When the Committee has finalised, its recommendations written notification will be sent to the lead petitioner within 10 working days and be published on the Council's website.

### **3. Matters excluded from the Petitions Scheme**

3.1 A petition cannot be dealt with through this scheme if it addresses or includes:

- a planning or licensing application for which other arrangements are in place.
- Matters subject to prescribed statutory requirements, e.g. an elected mayor.
- Matters where there is already an existing right of appeal, such as council tax banding and non-domestic rates, where other procedures apply.
- Repetitive or vexatious correspondence
- Potentially libellous, false or defamatory statements.
- Material which is commercially sensitive
- Material generated by local political parties
- The names of individuals in relation to criminal accusations or information which easily identifies an individual
- Statements which contravene equalities and anti-discrimination legislation
- Matters subject to appeal processes or legal actions, e.g. enforcement action, investigation by a public body, court cases or tribunals.
- Refers to an official of a public body
- Material which is vexatious, abusive or is deemed otherwise inappropriate by the Monitoring Officer. A petition will be deemed to be vexatious where it is manifestly unjustified, inappropriate or an improper use of a formal procedure.

3.2 Where a petition raises issues of possible competence or misconduct by an officer, the petition will be considered under the Council's complaints and/or disciplinary procedures, and not under this petitions scheme.

3.3 If the petition contains any of the above the lead petitioner will be informed of the reason for not accepting the petition in writing.

3.4 If the petition is about a matter over which the Council has no direct control your petition will be forwarded to the relevant organisation. However, if the petition relates to a partner organisation the Council will consider making representations on behalf of the community to the relevant body. The Council works with a large number of local partners and where possible will work with these partners to respond to your petition. The lead petitioner will be informed of any action the Council has taken to progress the petition.

Please consult with [Democratic Services](#) if clarification is required.

#### **4. The Council's response to petitions**

- 4.1 The Council's response to a petition will depend upon what the petition is asking for and which of the options is taken for dealing with the petition, but the response will include one or more of the following:
- Writing to the lead petitioner and relevant Ward Councillors setting out the Council's views about the request in the petition
  - Taking the action requested in the petition
  - Commissioning research on the matter
  - Holding a consultation
  - Holding a meeting with petitioners
  - Holding a public meeting
  - Undertaking a referendum in a locality
  - An inquiry
  - Referring the petition for consideration by the Cabinet or relevant Scrutiny Committee (committees responsible for scrutinising the work of the Council and holding the decision makers to account)
  - Discussing the petition with other relevant organisations
  - Publish notification on the Council's website on how the petition is being dealt with.

#### **5. Review**

- 5.1 There is no right of review to the response of the Council in respect of petitions. Where a lead petitioner is dissatisfied with the response provided by the Council, they may submit a complaint and it will be considered under the Council's complaints procedures, and not under this petitions scheme.

#### **6. E-petitions**

- 6.1 The Council welcomes petitions which are created and submitted through the Council's [website](#). E-petitions must follow the same guidelines as paper petitions as outlined above. The petition organiser will need to provide the Council with their name and email address. They will also need to decide how long they would like their petition to be open for signing.
- 6.2 When an e-petition is created, it may take five working days before it is published online. This is because the Council has to check that the content of the petition is suitable before it is made available for the public to sign. If the Council feels it cannot publish the petition for some reason, they will contact the petition organiser within this time to explain why. The petition organiser will then be able to change and re-submit their petition if they wish.
- 6.3 When an e-petition has closed for signing, it will automatically be submitted to [Democratic Services](#) in the same way as a paper petition and the petition organiser will receive an acknowledgement within five working days. It will ask them how they prefer to progress the petition in line with the Council's petition scheme. Assistance will be provided to help them decide which is the most appropriate route.

## **PART I FINANCIAL REGULATIONS**

### **1. Status and Scope of these Regulations**

- 1.1. Article 18 of the Council's Constitution says "The Council's Financial Regulations govern the financial management of the Council."
- 1.2. The Regulations shall apply to all of the Council's activities (except schools with delegated budgets) including any activities undertaken on behalf of third parties or under separate financial/funding regimes.
- 1.3. These Regulations do not apply to schools with delegated budgets in respect of the administration of those delegated budgets, and for which separate, specific, Financial Regulations shall apply.
- 1.4. These Financial Regulations shall not be changed, revoked or otherwise set aside without the prior agreement of the Council acting on a recommendation from the Cabinet or the Standards & Ethics Committee. The Chief Finance Officer shall comment in writing upon any proposal to change, revoke or otherwise set aside any part of these Regulations, prior to any decision of the Council on this matter.

### **2. Interpretation**

- 2.1. These Financial Regulations and Procedures should be read in conjunction with any other instructions of the Council relating to financial matters, particularly:-
  - the Constitution;
  - the Council's Terms of Reference and Scheme of Delegation;
  - the "Proper Officer" arrangements approved by the Council under the Local Government Act 1972; and
  - Procurement Procedure Rules.
- 2.2. The Constitution sets out the responsibilities of the Full Council, Cabinet, executive members, committees and panels, the Chief Executive, the Monitoring Officer, the Chief Finance Officer, Strategic Directors, etc.
- 2.3. Strategic Directors may delegate responsibility to officers for some aspects of financial management. Strategic Directors should maintain a written record where responsibility for financial decision making has been delegated to members of their staff, including to seconded staff. Where decisions have been delegated or devolved to other responsible officers, references to Strategic Directors in these Financial Regulations should be read as referring to them.
- 2.4. The Chief Finance Officer, along with the Assistant Director Legal Services, shall determine any dispute as to the interpretation of these Financial Regulations.

## Guidance Notes

- 2.5. The Chief Finance Officer is responsible for issuing advice and guidance to underpin the Financial Regulations that members, officers and others acting on behalf of the Council are required to follow.
- 2.6. To assist officers and members in their roles the Chief Finance Officer may, from time to time, issue written guidance or procedure notes which set out in more detail how the Council's financial arrangements shall operate. Officers and Members must comply with the procedures in all such guidance notes.
- 2.7. Upon issuing a new or revised guidance note the Chief Finance Officer shall ensure that it is communicated to appropriate officers and members and is made available on the Council's intranet.

## 3. Definitions

- 3.1. In these regulations the terms below shall be interpreted as follows:

**Strategic Director** means an officer who is a member of the Strategic Leadership Team and reports directly to the Chief Executive (irrespective of their actual job title) and other than a person whose duties are solely secretarial or clerical or are otherwise in the nature of support services.

**Assistant Director** means an officer who reports directly to a Strategic Director (irrespective of their actual job title) and other than a person whose duties are solely secretarial or clerical or are otherwise in the nature of support services.

**Budget Manager** means an officer who is given responsibility for controlling the expenditure for one or more cost centres or projects.

**Chief Finance Officer** (or CFO) means the person designated as the Section 151 Officer (currently the Strategic Director – Finance and Customer Services).

**Chief Internal Auditor** means the Head of Internal Audit.

**Financial Signatory** means an officer approved by a Strategic Director to authorise requisitions for specified service areas and within specified financial amounts as set out in the Scheme of Delegation.

**Monitoring Officer** means the person designated as the Monitoring Officer (currently the Assistant Director – Legal Services).

**Property Officer** means person designated as the Corporate Officer (currently the Assistant Director – Planning, Regeneration and Transport).

**Senior Information Risk Owner** (or SIRO) means the person designated as the SIRO (currently the Assistant Director – Customer, Information and Digital Services).

#### **4. General Requirements**

- 4.1. Strategic Directors shall ensure all staff in their directorates are aware of the content of these Financial Regulations and other internal regulatory documents and that staff comply with them. In particular, Strategic Directors shall ensure that staff induction processes include making new staff aware of these Financial Regulations as well as their own responsibilities for financial management.
- 4.2. All members and officers of the Council must comply with these financial regulations and all the associated guidance at all times.
- 4.3. The Council may take disciplinary or other action against anyone to whom these Regulations apply who fails to comply with them.
- 4.4. The Chief Finance Officer is responsible for reporting, where appropriate, significant breaches of Financial Regulations to the Council and/or to the executive members.
- 4.5. All Members and officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of the Council's resources is legal, properly authorised and provides value for money. What that means is, before spending any of the Council's money or entering into a commitment with financial consequences, officers and members need to answer "Yes" to these three questions:
  - Is this spending within the regulations?
  - Can the Council afford it?
  - Is it value for money?

If in doubt, advice should be sought from the Chief Finance Officer.

- 4.6. The Chief Finance Officer shall be notified and receive copies of all Government or other circulars, orders, sanctions, approvals and regulations affecting finance which are received by the Authority.
- 4.7. Strategic Directors and Assistant Directors shall furnish the Chief Finance Officer with such information as he/she may from time to time require for financial administration of the Council's affairs. In the case of any dispute or difference of opinion on whether provision of information is necessary, the decision of the Chief Finance Officer will be final.

- 4.8. It is the responsibility of each Strategic Director to ensure that a proper Scheme of Delegation has been established in their Directorate, in accordance with Contract Procedure Rule 41, and is operating effectively. The Scheme of Delegation should identify staff authorised to act on the Strategic Director's behalf in respect of payments, income collection and the requisitioning of goods and services, writing off debts, together with the limits of their authority.

## **5. Duty to Consult the Chief Finance Officer**

- 5.1. Any report prepared by Strategic Directors or other officers for consideration by the Full Council, Cabinet, a Committee, Panel, Working Group or similar, which has financial implications must be prepared in consultation with the Chief Finance Officer. The Chief Finance Officer shall be consulted on the contents of the report in good time to be able to assess the financial implications and the Chief Finance Officer shall incorporate into the report such comment on the financial aspects as he/she considers necessary or appropriate. The Chief Finance Officer may delegate some or all of these duties to appropriate representatives e.g. Heads of Finance who will carry out these duties on behalf of the Chief Finance Officer, subject to formal delegation arrangements.

## **6. Submission of Grant Bids**

- 6.1. In order to regularise the approvals process and to ensure consistency of approach, approval to submit a grant bid is required before a Service submits an application for grant funding. This ensures that the approval is documented and is retained along with other documentation related to the grant.
- 6.2. A pro-forma to record the approvals must be completed, Corporate Finance will maintain the pro-forma that services must complete. The approvals are set out in the sequence to which they need to be obtained, although simultaneous seeking of approvals may be appropriate in some circumstances. Services will need to plan for the timescale of approvals within their overall timeline plans for submitting an application for grant funding.
- 6.3. It is important for the service to ensure that they make their Head of Finance aware of the proposed bid so that any potential financial implications on the Councils budgets can be considered. In addition, all bids must have S151 approval before submission and this approval must be obtained via the Head of Finance for the service.
- 6.4. All bids should demonstrate how they contribute towards the Council Plan and how the bid meets an existing priority.
- 6.5. S151 approval for the submission of grant applications can only be given by one of the following 3 people:
- Strategic Director – Finance & Customer Services
  - Assistant Director – Financial Services

- Head of Corporate Finance

6.6. With regard to S151 approval, it is important to note that the need for this approval before any application for grant funding is submitted is the Council's own requirement. It is not relevant whether or not a grant funding body requires S151 approval for a particular grant application.

## **7. Financial Planning and Revenue and Capital Budget Setting**

7.1. The Full Council is responsible for approving the Budget and Policy Framework which will be proposed by the Cabinet. Officers are responsible for implementing these Budget and Policy decisions and for managing their budgets within the parameters set.

7.2. The Chief Finance Officer will be responsible for ensuring that a Medium Term Financial Strategy for the Authority is prepared and updated at least annually for consideration by the Cabinet and approval by the Council.

7.3. The Medium Term Financial Strategy will be consistent with and designed to further the achievement of the Council's priorities.

### **Revenue budget**

7.4. The Chief Finance Officer will be responsible for ensuring that a Revenue Budget for the coming financial year (and as appropriate a budget and medium term financial strategy for the two subsequent financial years) is prepared and brought forward for approval by the Council upon recommendation of the Cabinet, on or before the statutory date for such approval (currently 11th March), in accordance with the Local Government Act 1992. The adoption of the Budget by the Council shall be accompanied by a resolution as to the level of Council Tax required for the coming financial year in order to sustain the Budget.

7.5. The Chief Finance Officer shall:

7.5.1. prepare and submit reports to the Cabinet on the overall prospects for the Council's income and expenditure over the medium term, including the implications of any resource constraints set or proposed by Government;

7.5.2. prepare and submit reports to the Cabinet on the aggregate spending plans of departments and on the resources available to fund them, identifying, where appropriate, the implications for the level of Council Tax to be levied and on the level of housing rents/service charges;

7.5.3. advise Cabinet and the Strategic Leadership Team on the medium term implications of spending decisions;

7.5.4. encourage the best use of resources and value for money by working with Strategic Directors to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial appraisals of development or savings options and in developing

financial aspects of service planning;

- 7.5.5. advise the Full Council about the credibility and sustainability of the Cabinet's Budget proposals, in accordance with his or her responsibilities under section 151 of the Local Government Act 1972.

7.6. The Revenue Budget for the year will:-

- 7.6.1. be consistent with the Council's priorities as expressed in the Council Plan;
- 7.6.2. reflect the content of the Medium Term Financial Strategy for the appropriate year;
- 7.6.3. be balanced, affordable and sustainable;
- 7.6.4. not commit the Council to unplanned or unaffordable expenditure in subsequent years;
- 7.6.5. leave the Council with an adequate level of uncommitted balances/reserves;
- 7.6.6. be accompanied by a prudent risk assessment of the possible implications in terms of both affordability and service delivery.
- 7.6.7. When the proposed Budget for the coming year is being considered by the Cabinet and the Council, the Chief Finance Officer shall advise as to what would constitute a prudent and necessary minimum level of uncommitted balances/reserves for the Council to retain and also as to whether the budget being proposed is consistent with such a requirement. In forming their professional judgement, the Chief Finance Officer will consider guidance from CIPFA or the external auditor.
- 7.6.8. In setting its annual Revenue Budget, the Council determines a cash-limited allocation for each Directorate, calculated at forecasted outturn prices. These cash limits may be amended subsequently through presenting a Revised Estimate to the Full Council following a recommendation from Cabinet.
- 7.6.9. Within the overall cash limited budget allocated by the Council to their Directorate, each Strategic Director will set a detailed budget. In setting the detailed budget, each Strategic Director will take account of any policies, priorities, or specific allocations prescribed by the Cabinet in the determination of the budget total, and shall ensure that all cash limited budget allocations are in accordance with the Council's declared intentions.
- 7.6.10. When a cash limited budget has been agreed for the year for each Directorate (as part of the Council's approved Budget) it shall be the responsibility of the Strategic Director to ensure that their budget is not overspent.

**Capital programme**

- 7.7. Capital schemes and projects shall be collected together into a Capital Programme for approval by Members. The proposed Capital Programme and Capital Strategy will be presented annually to Cabinet and approved by Council.
- 7.8. Council shall approve at least annually a Capital Strategy which sets out the Council's priorities for capital investment.
- 7.9. Strategic Directors shall submit proposals for any future capital schemes by such dates, and in such form, as the Chief Finance Officer shall determine, subject to Council approval.
- 7.10. The Chief Finance Officer shall collate the proposed Capital Programme jointly with Strategic Directors and the Chief Executive and the programme will be submitted to the Cabinet for approval and recommendation to Council at the same time as the Revenue Budget proposal.
- 7.11. The Capital Programme will be based on the following principles and the governance arrangements indicated within the Capital Governance Principles
  - 7.11.1. That all projects to be included in the authority's Capital Programme will be considered by officers and Members in accordance with the authority's capital governance principles and shall be subject to proper assessment and evaluation. A scheme and estimate, including project plan, progress targets, a clear identification of the method/source of capital funding and the associated revenue expenditure must be prepared for each capital project to enable such an evaluation. The project plan should be agreed with procurement (where appropriate) in advance of any proposal being submitted, to ensure the feasibility of any proposed plan.
  - 7.11.2. Project management documentation such as an internal business case, external business case or business plan must be approved prior to any expenditure being incurred, as indicated within the Capital Governance Principles.
  - 7.11.3. The use of corporate resources will be robustly controlled, to ensure that this finite resource can be effectively managed and focussed on the Council's key priorities. The impact on other policies will be considered, such as the Treasury Management Strategy, to ascertain the impact of corporate borrowing. Any additional inclusion of corporate resources into the capital programme must be approved by Council. Strategic Directors and the Chief Finance Officer may vire corporate resources between projects subject to the virement levels indicated within the Capital Governance Principles.
  - 7.11.4. The use of corporate resources as match funding for a project must be approved by Council.

- 7.11.5. Annual capital grant allocations will be added to the capital programme as part of the Council's budget setting process, with estimate values added for latter years where the specific allocation is yet to be confirmed. Officers will be expected to consult with the relevant member on the use of the allocation and follow the rules within the Capital Governance Principles to gain approval to utilise the allocation.
- 7.11.6. Those projects fully funded by a grant allocation will be added to the Capital Programme once the grant allocation has been formally confirmed by the grant provider.
- 7.11.7. Those projects that are within the HRA Programme will be approved via the processes indicated within the Capital Governance Principles.
- 7.11.8. Where projects have been approved on the basis that the financing costs will be funded by the service will be charged at the rates indicated within the Capital Governance Principles. There may be occasions where it is financially prudent to allow an alternative rate due to a specific circumstance but this is down to the discretion of the Chief Finance Officer.
- 7.11.9. All grant Bids should be prepared by the service in conjunction with Finance. For capital bids these should have initial review by the Head of Finance for the relevant directorate, with the capital implications reviewed by the Capital Finance Team. If required by the terms and conditions of the grant the Head of Finance will arrange for authorisation of the bid by the Chief Finance Officer. All grant bids should also be signed off by the Cabinet Member for the service area and the Leader. This process is also required for grant acceptance. The process and documentation required are outlined in the Capital Governance Principles.
- 7.11.10. That the ongoing revenue consequences are identified (both in terms of capital financing costs and operational expenditure) for all capital investments. Such ongoing consequences/commitments shall be reflected in the Medium Term Financial Strategy and the Revenue Budget at the appropriate time.
- 7.11.11. That the Programme will be updated at least annually and monitored regularly throughout the year. Monitoring shall be carried out to a timetable and in a format prescribed by the Chief Finance Officer. Any significant variance from the capital expenditure profile must be notified immediately as specified in the Council's Capital Governance Principles. Initially, a forecast variance in excess of £100,000 will need to be identified through the monthly monitoring cycle, if the service area cannot resolve the issue it should be escalated to the Directorate Leadership Team, if the wider directorate are unable to find a resolution then the issue should be reported through to the Senior Leadership Team.
- 7.11.12. Each year, through the Chief Finance Officer and appropriate capital governance arrangements, a recommendation will be made to Cabinet for approval of a balanced Capital Programme which best meets the Council's

objectives and priorities and its Medium Term Financial Strategy. Cabinet may make amendments to the proposed Capital Programme provided that it remains balanced and affordable. Cabinet will then recommend its Capital Programme proposal to Full Council in advance of each financial year.

## 8. Budget Virements and Supplementary Estimates

### Revenue Virements

- 8.1. Virement is the transfer of resources from one budget heading to another.
- 8.2. Strategic Directors may authorise in-year virements *within* their Directorate budgets, subject to Financial Procurement and Procedure Rules 8.7.
- 8.3. Proposals for in-year virement **between** Directorates must be approved as follows (provided first that the affected Strategic Directors have been consulted):
  - 8.3.1. up to £100,000 by the Chief Finance Officer;
  - 8.3.2. £100,000 to less than £400,000 by the Chief Finance Officer in consultation with the CEX and Leader;
  - 8.3.3. £400,000 or more by Cabinet.
- 8.4. Virement is not permitted from certain budget heads as these impact on the Council's ability to fund non-discretionary expenditure. These excluded heads may be determined from time to time by the Chief Finance Officer and shall include:
  - 8.4.1. depreciation;
  - 8.4.2. corporate recharges;
  - 8.4.3. administration and building recharges.
- 8.5. All virements in excess of £100,000 will be reported within financial monitoring reports.
- 8.6. No virement is allowed from budgets that are funded from specific, ringfenced or restricted resources.
- 8.7. Notwithstanding the availability of the virement regulations, **no expenditure shall be incurred on any new policy or purpose, or any extension of existing policy, without the specific approval of the Council** given on the recommendation of Cabinet; and no commitment for future years shall be entered into in excess of that previously anticipated by the Full Council when approving the Revenue Budget and Capital Programme.

- 8.8. No Budget Manager will be authorised to incur expenditure in excess of their cash-limited budget without either:
- a virement being approved in accordance with these Regulations (which, in effect, will increase the cash limited budget for the current financial year); or
  - a supplementary estimate being approved by the Council.
- 8.9. No request for a supplementary estimate may be presented to Members without prior consultation with the Strategic Leadership Team and the Chief Finance Officer, whose recommendations shall accompany any formal request.
- 8.10. Budget adjustments and realignments that relate to a transfer of responsibility or to technical accounting changes and requirements will not be deemed to be virement and will therefore not be subject to the restrictions of these regulations. These changes may only be made in consultation with the Chief Finance Officer.
- 8.11. All virements will be reported to the Chief Finance Officer as part of the financial monitoring assurance framework.

#### **Capital Virements**

- 8.12. Capital budget virements are governed by the same principles as Revenue Virements and shall be dealt with by the processes described within the Capital Governance Principles.

### **9. Controlling Income and Expenditure (Budget Monitoring)**

- 9.1. The Chief Finance Officer shall establish an appropriate framework of budgetary monitoring and reporting that ensures:
- 9.2. Budget management is exercised within annual cash limits unless the Full Council agrees otherwise;
- 9.3. Each month each Budget Manager receives timely information on expenditure and income on each budget which is sufficiently detailed to enable them to fulfil their budgetary responsibilities;
- 9.4. After reviewing their monthly budget information each budget manager provides to their Strategic Director a forecast of their outturn position on each service and/or project budget; and the Strategic Director will provide a consolidated forecast for their directorate to the Chief Finance Officer and relevant Cabinet Member;
- 9.5. A budget monitoring report, which includes an up-to-date outturn forecast, information about significant variances from approved budgets and proposals for dealing with them, is submitted to Cabinet at least 5 times a year. A full outturn report will be submitted to Cabinet following closure of the final accounts.

- 9.6. In connection with the framework the Chief Finance Officer will issue guidance on:
- 9.6.1. Frequency of reporting;
  - 9.6.2. The format and content of reports (including the degree of detail, risk analysis undertaken and any corrective actions taken or proposed);
  - 9.6.3. The nomination of Budget Managers.

### **Budget Managers**

- 9.7. Strategic Directors shall ensure there is a nominated Budget Manager for each budget heading and cost centre. This applies to the budget headings and cost centres for Capital Programme projects as well as revenue account items.
- 9.8. Strategic Directors and Budget Managers are authorised to incur expenditure in accordance with the estimates that make up the budget and the Capital Programme within their delegated area of control.
- 9.9. Strategic Directors and Budget Managers must:
- 9.9.1. Accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities;
  - 9.9.2. Work within the authorised cash limits and utilise the resources allocated to them in the most efficient, effective and economic way;
  - 9.9.3. Identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service or project delivery;

These Procurement Procedure Rules set a corporate framework with clear rules and expectations by which all Authorised Officers of the Council can enter into arrangements with third party Suppliers to provide Goods, Works and Services, ranging from the purchase of low value simple day to day commodities through to multi-million-pound construction projects.

#### **46. Compliance with Procurement Procedure Rules**

- 46.1. Every Contract made by or on behalf of the Council for Goods, Works or Services, and all Council employees engaged to act in any capacity to manage a Contract must comply with Procurement Legislation. This requirement cannot be waived since a failure to comply with Legislation may result in a legal challenge with consequent reputational and/or financial risk.
- 46.2. In addition, compliance with the following also applies:
- 46.2.1. All relevant statutory provisions, law and acts (including the Public Services (Social Value) Act 2012, the Care Act 2014, the Modern Slavery Act 2015, the National Procurement Policy Statement etc).
- 46.2.2. The Council's constitution including these Financial and Procurement Procedure Rules.
- 46.2.3. Relevant Council procurement policies and procedures including the Ethical Procurement policy.

- 46.2.4. The Council's strategic objectives and policies including the Social Value policy.
- 46.2.5. The procurement of all IT hardware and software (including cloud-based systems and Software as a Service (SaaS)) irrespective of value, must be referred through ICT before procurement activity is commenced.
- 46.3. All Council officers and individuals or organisations engaged on the Council's behalf shall ensure that all procurement activity is undertaken with regard to high standards of probity and in a manner that is non-discriminatory, transparent and fair; and which avoids conflicts of interest. The Council's Employee Code of Conduct must be followed at all times.
- 46.4. In applying these Procurement Procedure Rules, all officers should undertake procurement activity having due regard to the duty of Best Value for Money under the Local Government Act 1999 (as amended).
- 46.5. Strategic Directors may permit, with limitations, other officers to authorise orders and Contracts in their own name on behalf of the Council. Any orders or Contracts made shall remain the responsibility of the Strategic Director. Strategic Directors must maintain an up-to-date scheme of delegation, which is refreshed on an annual basis at the commencement of the financial year. The scheme of delegation must specify:
- 46.5.1. The names, grades, post references and job titles of Authorised Officers for the purposes of:
- a) Approving procurement business cases.
  - b) Approving the award and formally entering into Contracts.
  - c) Approving extensions, variations and other matters associated with the management of Contracts.
- 46.5.2. The maximum value allocated to each Authorised Officer for those purposes.
- 46.6. These Procurement Procedure Rules must be adhered to, other than in exceptional circumstances which must be authorised by either:
- 46.6.1. Cabinet; or
- 46.6.2. The Chief Finance Officer in consultation with the Chief Legal Officer.

Such requests must be made in writing.

46.7. All Strategic Directors are responsible for ensuring compliance with these Procurement Procedure Rules by their staff. Failure to comply with these Procurement Procedure Rules may result in disciplinary action against the Authorised Officer concerned.

#### **47. Relevant Contracts**

47.1. All relevant Contracts must comply with these Procurement Procedure Rules.

47.2. A relevant Contract is any arrangement made by, or on behalf of, the Council for the carrying out of Works, for the supply or provision of Goods, materials or Services.

47.3. Relevant Contracts do not include:

47.3.1. Contracts of employment for individual members of staff (permanent, interim or casual). For the avoidance of doubt this does not include the procurement of agencies who provide temporary labour (agency staff). The appointment of these agencies would be subject to these Procurement Procedure Rules.

47.3.2. Property contracts relating to the acquisition, rental or disposal of land or buildings. Please refer to Financial Procedure Rule [42](#).

47.3.3. Grant agreements. Please refer to Financial Procedure Rule [12](#). Genuine grant agreements do not fall within the scope of the Procurement Legislation. However careful consideration is needed to ensure that a grant agreement is not actually a procurement for the purposes of these Procurement Procedure Rules.

47.4. Broadcasting time to audio-visual or radio media suppliers. However, such Services shall not be procured without consulting the Head of Communications.

47.5. The procurement of legal services in respect of a specific matter which are in contemplation of:

However, no such Services shall be procured without the approval of the Chief Legal Officer.

#### **48. Social, Economic, Environmental and Ethical Considerations**

- 48.1. The development of all procurement activity shall give due regard and consideration to commitments that have been made by the Council in relation to ethical standards, policies, charters and accreditations as detailed in the Council's ethical procurement policy, including the application of social value as defined in the Council's social value policy.
- 48.2. For clarity all Contracts (including Call-Offs from Framework Agreements and Dynamic Purchasing Systems procured in accordance with Procurement Procedure Rule 54) with an estimated Contract Value of £100,000 and above, must secure a social value commitment that is monitored and reported through the Social Value Portal.
- 48.3. Where appropriate and always subject to Procurement Legislation, Authorised Officers should give consideration to designing procurements which encourage participation from Local Suppliers, small and medium sized companies and voluntary, community and social enterprise organisations. This may include dividing the Contract into lots.

#### **49. Forward Procurement Plans**

- 49.1. Before commencement of the financial year the Authorised Officer must prepare and maintain forward procurement plans for the Procurement of Goods, Works and Services to be undertaken over the coming 36-month period.
- 49.2. Procurement plans must be sent to the Chief Procurement Officer no later than 28 February each year to enable a Council-wide procurement plan to be published on the Council's website prior to the start of the financial year.
- 49.3. Authorised Officers must ensure that an Officer Delegated Decision Record is published for the award of Contracts with a Contract Value greater than £250,000, and that these are placed on the forward plan for Officer Delegated Decisions in a timely manner.

#### **50. In-House Suppliers**

- 50.1. Irrespective of Contract Value, where an In-House Supplier is available the In-House Supplier must be used. Procurement outside of the In-House Supplier can only take place where the Assistant Director (or other nominated officer) for the In-House Supplier confirms that they are unable to meet the requirements on that occasion due to insufficient resources, skills or capacity.
- 50.2. The Authorised Officer must retain written confirmation where it is agreed to

procure outside of the In-House Supplier.

## 51. Council Wide Arrangements

- 51.1. The use of corporate Contracts / Framework Agreements / Dynamic Purchasing Systems awarded by the Council shall be mandatory (irrespective of the value) for all Works, Goods and Services that have been included in the scope of those arrangements.
- 51.2. Information relating to the above arrangements are available on the Council's intranet site.
- 51.3. Where an Authorised Officer is seeking to procure outside of these arrangements, approval must be sought from the Chief Procurement Officer and the nominated Contract Manager for the Contract with a clear justification as to why the corporate arrangement does not meet the requirements. Any alternative arrangements must be procured in accordance with these Procurement Procedure Rules.

## 52. Estimating Contract Values

- 52.1. The Authorised Officer must estimate and record the value of a proposed Contract.
- 52.2. The method for determining the estimated value of a Contract / Concession Contract should be based on the total amount which the Council expects to pay / or any other forms of remuneration the Council and / or Supplier will receive by operation of the Contract over its term. Such calculation must include, where relevant any maintenance and ongoing support costs (**Example calculation:** *Estimated Contract Value = (Annual Cost + other forms of remuneration) \* Contract Length*).
- 52.3. In determining the value of a Contract, the Council must also include the potential value of any options to extend that may be built into the Contract.
- 52.4. Where a requirement for Goods, Works or Services is sub-divided into several elements (lots), the estimated value of each lot must be aggregated to calculate the overall estimated value of the Contract.
- 52.5. When determining the value of a Framework Agreement or Dynamic Purchasing System, the anticipated value of all spend through that Framework Agreement or Dynamic Purchasing System must be taken into consideration (including the spend of any other Contracting Authorities who are able to access the Framework Agreement or Dynamic Purchasing System).
- 52.6. Authorised Officers must ensure that estimated values are **not** disaggregated in

an attempt to avoid the applicability of these Procurement Procedure Rules. Requirements must be calculated based on all Council spend (i.e. the corporate requirement rather than an individual service areas need).

- 52.7. Where a proposed procurement includes two or more types of provision (i.e. Goods, Services or Works) the procedure followed shall be based on the provision that characterises the main subject matter of the Contract in question.
- 52.8. The Authorised Officer must give consideration to estimated Contract Values both inclusive and exclusive of value added tax in order to determine the application of Procurement Legislation. Therefore, the default position for all contracts >£100k should be to add an equal amount of value added tax (at 20%) to the net contract sum. This would ensure there are no issues in underestimating the contract value and breaching procurement legislation. For the avoidance of doubt, contract values stated on advertisements (i.e, Find a Tender Service or Contracts Finder) should still be quoted as net.

### **53. Approved Lists of Suppliers**

- 53.1. Where appropriate and only in exceptional circumstances approved by the Chief Procurement Officer, Authorised Officers may compile and maintain an Approved List for specified Goods, Works or Services.
- 53.2. No Approved List of suppliers must be established where the estimated aggregate value exceeds the relevant Threshold.
- 53.3. Before establishing an Approved List, it should be advertised on the Council's e-tendering portal and expressions of interest should be sought from potential suppliers wanting to be appointed.
- 53.4. The Approved List should:
  - 53.4.1. Indicate the categories of Contracts for which the Suppliers appointed may be invited to submit a bid.
  - 53.4.2. Set out the criteria for inclusion, suspension or exclusion from the list.
  - 53.4.3. Be operated in a fair, transparent manner so as to ensure that all Suppliers on the list are given a reasonable opportunity of submitting quotations or tenders for appropriate Contracts let by the Council from time to time.
  - 53.4.4. Be regularly reviewed (not less than one year or more than four) and agreed with the Chief Procurement Officer.

### **54. Framework Agreements and Dynamic Purchasing Systems**

#### **54.1. Call Off Arrangements (Third Party Agreements)**

- 54.1.1. Where a Call-Off is proposed under an existing Framework Agreement or Dynamic Purchasing System that has been established by a consortium, Professional Buying Organisation, collaboration or other public body, the Council may consider using this Framework Agreement or Dynamic Purchasing System if:
- a) The Framework Agreement or Dynamic Purchasing System has been established by a legal entity, and via a process, which permits the Council to access those arrangements lawfully; and
  - b) It is in the best interest of the Council to access the Framework Agreement or Dynamic Purchasing System, representing clear Best Value for Money, which must be documented for audit purposes (for procurements above £100,000 this will be through the use of the Procurement Business Case – Appendix D).
- 54.1.2. Before undertaking a Call-Off under any Framework Agreement or Dynamic Purchasing System, thorough due diligence should be undertaken, and advice sought from the Chief Procurement Officer to confirm whether it is able to be used and whether it is appropriate for use for the Goods, Works or Services required.
- 54.1.3. Subject to the due diligence confirming the suitability of the Framework Agreement or Dynamic Purchasing System, these can be used without needing to undertake one of the procedures outlined at Procurement Procedure Rule [58](#).
- 54.1.4. Call-Offs must be awarded based on the criteria and method identified in the Framework Agreement or Dynamic Purchasing System.
- 54.1.5. Where a Call-Off is undertaken via a direct award (which is permitted in the Framework Agreement), a scope of works must be prepared and the Supplier must be required to supply a written submission that is verified to confirm it can meet the requirements of the Council in accordance with the terms and conditions and pricing established in the Framework Agreement in advance of entering into a Contract unless otherwise prescribed in the Framework Agreement direct award Call-Off procedure.

## **54.2. Establishing a Framework Agreement or Dynamic Purchasing System (Council Own)**

- 54.2.1. Where the Council is establishing a Framework Agreement or Dynamic Purchasing System (which may or may not be accessed by other Contracting Authorities) the estimated Contract Value must take account of all potential work that may be awarded through the agreement and follow the relevant procedures set out in these Procurement Procedure Rules for Contracts of that value.
- 54.2.2. If the Council is establishing a Framework Agreement or Dynamic

Purchasing System which allows access by other Contracting Authorities, reference must be made in the procurement documents explaining that the Framework Agreement or Dynamic Purchasing System is intended for wider use, and advice must be sought from the Chief Legal Officer to ensure the terms upon which other Contracting Authorities access those arrangements are clear and offer appropriate protection to the Council.

- 54.2.3. In establishing a Framework Agreement, where the estimated value exceeds the relevant Threshold, the total duration (including any extensions) can not exceed four years except in exceptional circumstances relating to the subject matter of the Framework Agreement. Any proposal to establish a Framework Agreement with a duration exceeding four years should be referred to the Chief Procurement Officer for advice.
  - 54.2.4. Where taking into account all the above, the estimated value of the Framework Agreement or Dynamic Purchasing System is estimated to be above the relevant Threshold, and the Framework Agreement or Dynamic Purchasing System is being left open for other Contracting Authorities to access, the Authorised Officer must ensure that the Contracting Authorities are included in the notices published via the UK e-notification service, either named individually or by an identifiable class.
  - 54.2.5. In establishing a Framework Agreement or Dynamic Purchasing System, the Council must ensure that the terms of the Framework Agreement or Dynamic Purchasing System makes the process by which Call-Offs are entered into explicitly clear.
- 54.3. Call-Off's under Framework Agreements or Dynamic Purchasing Systems may be made at any value, without needing to follow Procurement Procedure Rule [58](#).

## **55. Public to Public Contracts**

- 55.1. Where the Authorised Officer is considering entering into a Contract with another public body, early advice must be sought from the Chief Procurement Officer and the Chief Legal Officer. It should not be assumed that arrangements entered into between the Council and other public bodies (e.g. other local authorities) are outside the scope of Procurement Legislation.

## **56. Pre-Procurement Requirements and Procurement Business Cases**

- 56.1. Prior to commencing procurement activity, the Authorised Officer, must have given consideration to the different commissioning options and delivery models available (make versus buy, contract versus grant etc), retain a file note documenting the justification for third party delivery through a formal contractual procurement procedure and ensure all such decisions are taken in accordance with the Council's constitution.

- 56.2. A procurement business case is required for all procurement activity where the estimated value of the Contract is above £100,000 using the template provided by the Chief Procurement Officer.
- 56.3. The detail contained in the procurement business case should be relevant and proportionate to the value of the Contract, and the nature of Works, Goods or Services being procured.
- 56.4. Whilst a procurement business case is not required for Contracts valued below £100,000, it is recommended best practice to ensure that the following key issues identified through the Procurement Business Case are considered.
- 56.5. For clarity, whilst it is recommended best practice to complete a procurement business case for Call-Off Contracts from a Framework Agreement or Dynamic Purchasing System that the Council has established (in accordance with Procurement Procedure Rule 54.2) it is not a mandatory requirement as the key issues should have been considered in the original set up of the Framework Agreement or Dynamic Purchasing System. However, where the Framework Agreement or Dynamic Purchasing System provides a range of call-off procedures, a written options appraisal, which includes the scope of the call-off, key considerations and financial implications must be undertaken to determine the recommended option for each Call-Off for transparency and audit purposes.
- 56.6. The Authorised Officer must consider, undertake, and document within the Procurement Business Case a range of factors, including (but not limited to\_:

**56.6.1. Market Engagement**

Where appropriate, undertake pre-procurement engagement with potential Suppliers, service users and other stakeholders) to understand what is available within the market, the strengths, weaknesses of the market sector and to co-design specifications.

Pre-market engagement must be done in a manner that does not distort competition and ensures that any subsequent procurement process remains open, fair and transparent. Failure to properly manage market engagement, may result in potential bidders being excluded from the opportunity to submit a tender.

**56.6.2. Identification of Risk**

A risk log for the procurement process and the event contractual relationship must be produced, maintained and updated throughout the procurement cycle by the Authorised Officer, in consultation with the relevant stakeholders identified. As a minimum the risk log should be reviewed when submitting the procurement business case for approval, before the publication of tender, following the evaluation before formal award is made, and then at regular intervals during the contract term.

**56.6.3. Governance Arrangements**

Ensure that the governance arrangements for the issuing of the tender and award of the Contract are clearly understood and established for the project.

**56.6.4. Route to Market Options Appraisal and Market Conditions**

Consideration of all known available routes to market to ensure the most successful outcome for the procurement, along with a justification for the chosen recommended option.

**56.6.5. Ethical Considerations**

An analysis of considerations applicable to the Contract from the Council's ethical procurement policy.

**56.6.6. Information Governance**

The identification of contracts involving the processing of personal data with requirements for a Privacy Impact Assessment and which may require additional method statement questions or clauses developing with the terms and conditions.

**56.6.7. Financial Implications including Pricing Mechanisms**

A clear understanding of any potential requirements to satisfy financial capacity (and any financial security measures needed such as parent company guarantees), insurance requirements, as well as details of how costs are to be controlled over the Contract term, and how proposed requests for price increases are to be dealt with.

**56.6.8. Legal Implications**

Agreement on the form of agreement to be entered into and advice on matters such as TUPE (Transfer of Undertaking (Protection of Employment)).

56.7. All procurement business cases require approval, in accordance with the directorates scheme of delegation or other alternative Authorised Signatory before any tender is issued to market, or in the case of a direct award from a third party framework a formal award is made.

**57. Development of Quotation / Tender Documentation**

57.1. Authorised Officers must only use standard quotation / tender template documentation available from the Chief Procurement Officer (unless the Chief Procurement Officer agrees an alternative suite of documentation may be used).

57.2. Where there are provisions included (or omitted) from the corporate documentation that the Authorised Officer feel are (in)appropriate for their particular procurement, they should seek guidance from the Chief Procurement Officer.

- 57.3. A clear specification of requirements (identifying outputs or outcomes rather than inputs (unless there is a demonstrable need to specify inputs) should be developed for every procurement process undertaken. The specification should incorporate (where agreed) the views of stakeholders along with details that may mitigate risks identified through the risk process referred to above.
- 57.4. The specification should clearly detail any ethical requirements identified through the procurement business case (i.e. safeguarding, equalities, modern slavery, social value etc).
- 57.5. The documentation must clearly describe the evaluation criteria / methodology to be used to determine who will be awarded a contract, including all sub-criteria. It is important to note that in accordance with the Council's Social Value Policy, all procurements in excess of £100,000 must ensure social value accounts for 20% of the decision as to who is awarded the contract, unless alternative arrangements are agreed with the relevant Strategic Director.
- 57.6. It is essential that all procurement documentation (including the form of agreement from the Chief Legal Officer) is finalised before the quotation / tender is issued to market, as all procurement documentation must be available at the point of advertisement.

## **58. Normal Procedure**

### **58.1. Contracts Valued up to £10,000 (inclusive)**

- 58.1.1. These Procurement Procedure Rules do not apply to Contracts of less than £10,000. However, Procurement Procedure Rule 50 and 51 do apply and Procurement Procedure Rule 54 may also be used.
- 58.1.2. The Authorised Officer must be able to demonstrate Best Value for Money and wherever possible seek to use Local Suppliers. A file note must be retained outlining any search undertaken and a justification for the decision to award the work to a given Supplier. All quotations received must be in writing.
- 58.1.3. To comply with the Local Government Transparency Requirements, details of all Contracts awarded over £5,000 must be reported to the Chief Procurement Officer to ensure they are recorded on the Council's centralised contracts register.

### **58.2. Contracts Valued Between £10,000 and £25,000**

- 58.2.1. Contracts with a value between £10,000 and £25,000 must be awarded on a competitive basis (unless the provisions of Procurement Procedure Rule 50 or 51 apply).
- 58.2.2. At this value, the Authorised Officer must either:

- a) Undertake a Call-Off from a third-party Framework Agreement or Dynamic Purchasing System as described in Procurement Procedure Rule 54.
- b) Use a closed procedure inviting a minimum of 2 informal quotations (based on knowledge, experience, supplier expressions of interest etc), one of which must be from a Local Supplier.

58.2.3. The Authorised Officer must be able to demonstrate Best Value for Money and wherever possible seek to use Local Suppliers. A file note must be retained outlining any search undertaken to identify potential suppliers along with a justification for the decision to award the work to a given Supplier.

58.2.4. To comply with the Local Government Transparency Requirements, details of all Contracts awarded under this procedure must be reported to the Chief Procurement Officer to ensure they are recorded on the Council's centralised contracts register.

### **58.3. Contracts Valued Between £25,000 and £100,000**

58.3.1. Contracts with a value between £25,000 and £100,000 must be awarded on a competitive basis (unless the provisions of Procurement Procedure Rule 50 or 51 apply) and coordinated through the Corporate Procurement Team (unless alternative arrangements have been agreed with the Chief Procurement Officer).

58.3.2. At this value, the Authorised Officer must either:

- a) Undertake a Call-Off from a third-party Framework Agreement or Dynamic Purchasing System as described in Procurement Procedure Rule 54.
- b) Use a closed procedure inviting a minimum of 3 formal quotations (based on knowledge, experience, supplier expressions of interest etc), one of which must be from a Local Supplier, through the Council's e-tendering portal.

58.3.3. Where the Authorised Officer is unsure of the market or the likely response to be received, a discussion should be held with the Chief Procurement Officer to consider whether it would be appropriate to undertake an openly advertised opportunity (as described in Procurement Procedure Rule 58.4), however, the Authorised Officer must be confident this will not generate an excessive volume of responses.

### **58.4. Contracts Valued Between £100,000 and £189,330**

58.4.1. Contracts with a value between £100,000 and £189,330 must be awarded on a competitive basis (unless the provisions of Procurement Procedure Rule 50 or 51 apply) and coordinated through the Corporate Procurement Team (unless alternative arrangements have been agreed with the Chief Procurement Officer).

58.4.2. At this value, the Authorised Officer must either:

- a) Undertake a Call-Off from a third-party Framework Agreement or Dynamic Purchasing System as described in Procurement Procedure Rule 54.
- b) Undertake a formal tender which is advertised to the open market, through the Council's e-tendering portal and on Contracts Finder.

58.4.3. Tenders undertaken for procurements between these thresholds **must not** include a pre-qualification stage or a stage in the procurement process where the authority can assess the suitability of a candidate for the purpose of reducing the number of candidates to a smaller number who will proceed to a later stage of the process.

58.4.4. Where suitability questions are relevant and proportionate to the subject matter of the Contract, they may be included within the award criteria of a procurement, and considered as part of the wider overall quality evaluation.

#### **58.5. Social and Other Specific Service, Works and Concession Contracts Valued £189,330 to the Relevant Threshold**

58.5.1. For Social and Other Specific Service, Works and Concession Contract with a value between £189,330 and the relevant Threshold must be competitively tendered unless the provisions of Procurement Procedure Rule 50 or 51 apply or the Contract is being procured in accordance with Procurement Procedure Rule 54) which is coordinated through the Corporate Procurement Team, (unless alternative arrangements have been agreed with the Chief Procurement Officer).

58.5.2. At this threshold, Authorised Officers are not bound by defined procedures, and have the flexibility to design procedures that are relevant and proportionate for the Contract being procured but must ensure the principles of transparency and equal treatment are observed at all times.

#### **58.6. Contracts with a Value that Exceed the Relevant Threshold**

58.6.1. Contracts which exceed the relevant Threshold must be competitively tendered in accordance with Procurement Legislation (unless the provisions of Procurement Procedure Rule 50 or 51 apply or the Contract is being procured in accordance with Procurement Procedure Rule 54) using one of the procurement procedures detailed at Procurement Procedure Rule 59 which is coordinated through the Corporate Procurement Team (unless alternative arrangements have been agreed with the Chief Procurement Officer).

58.6.2. All tenders must be advertised on the Council's e-tendering portal, Contracts Finder and the UK e-notification service.

58.6.3. Publication of tender documents on the Council's e-tendering portal and Contracts Finder must not occur until 48 hours after the despatch of the UK

e-notification notice, or the publication of the UK e-notification notice, whichever occurs first.

### **Timelimits**

- 58.6.4. For Contracts valued above the relevant Threshold (excluding Social and Other Specific Services) there are minimum timescales to be adhered as detailed in the Procurement Legislation. The timescales stipulated are dependent upon the type of notice issued to act as a call for competition and should be treated as minimum timescales and not be relied upon as the standard. When determining timescales, the Authorised Officer must be proportionate and fair to the market and take into consideration, the complexity of the specification and tender submission requirements, along with any previous market consultation undertaken.

## **59. Procurement Procedures**

### **59.1. Open Procedure**

- 59.1.1. This is a one-stage process where all interested suppliers may respond to the advertisement by submitting a tender. This is often the most expedient procedure and enables all suppliers in the market that wish to engage in the process to submit a tender. There is no pre-qualification, selection or short-listing stage prior to invitation to tender.

### **59.2. Restricted Procedure**

- 59.2.1. This is a two-stage process under which a selection process is made of those who respond to the advertisement and those shortlisted are invited to submit a tender.

- 59.3. The following procedures apply to more strategic, complex or high value projects. If consideration is being given to any of the following procedures early consultation is required with the Chief Procurement Officer and Chief Legal Officer as there are limited circumstances under which these procedures can be utilised.

### **59.4. Competitive Dialogue**

- 59.4.1. This procedure is used where the Contract is complex, the Council is unable to specify its requirements and the solution cannot be purchased 'off the shelf'. Following a selection process of those who responded to the Council's advertisement, the Council enters into dialogue with potential bidders to develop one or more solutions on which the bidders submit a tender.

### **59.5. Competitive Procedure with Negotiation**

- 59.5.1. Following a selection process of those who responded to the Council's advertisement, bidders are invited to submit a tender. The Council may then open negotiations with bidders to refine or seek to improve the offers proposed.

## **59.6. Innovation Partnership**

59.6.1. Following a selection process of those who responded to the Council's advertisement, the Council uses a negotiated approach to invite suppliers to research and develop innovative proposals to meet a need where no solution currently exists within the market, which the Council may then seek to purchase.

59.7. For Social and Other Specific Service Contracts, Authorised Officers have the freedom to design a procurement procedure that is relevant and proportionate to the Services being procured, whilst ensuring the principles of transparency and equal treatment are observed.

## **60. Tender / Quotation Submission, Receipt and Opening**

### **60.1. Contracts Valued up to £25,000**

60.1.1. All requests for quotation must state that it will only be considered if it is received by the specified closing date and time.

60.1.2. The Authorised Officer may receive quotations up to the value of £25,000 directly, but wherever possible this must be electronic (i.e. via email) to ensure auditability.

60.1.3. The Authorised Officer must keep a record of all quotations received.

### **60.2. Contracts Valued over £25,000**

60.2.1. All quotations / tenders valued above £25,000 must be received electronically through the Council's e-tendering portal (unless alternative arrangements are agreed with the Chief Procurement Officer), as this ensures bids remain anonymous until after the deadline has passed.

60.2.2. All quotations / tenders received above £25,000 through the Council's e-tendering portal shall be opened and released by an independent officer within the Corporate Procurement Team who is not involved in the procurement process.

## **61. Evaluation**

61.1. An evaluation panel must be convened for all evaluation processes undertaken. Representation on the panel must be from people who have knowledge of the subject area and proportionate to the size and value of the procurement being undertaken. For Contracts below £25,000 it is acceptable for only 1 person to review the quotations returned so long as any resulting order created is approved by someone independent.

61.2. For all Contracts regardless of value, no person with a personal or financial interest in any of the bidders submitting a proposal should be involved in evaluating tenders or involved in any way in influencing the decision as to which

bidder is to be awarded a Contract. A declaration of interest form must be completed prior to the commencement of the evaluation process and held on file by the Authorised Officer (for Contracts below £25,000) or within the Corporate Procurement Team (for Contracts above £25,000).

- 61.3. Where a potential conflict is highlighted, this should be brought to the attention of the Chief Procurement Officer for further advice.
- 61.4. The evaluation of quotations / tenders must be in accordance with the evaluation criteria specified in the original quotation / tender documents. Under no circumstances should there be a deviation away from this.
- 61.5. Where a bidder submits a qualified or conditional tender, they must be given the opportunity to withdraw the qualification or condition without amendment to the bid submitted. If a bidder fails to do so their bid must be rejected unless it is dealt with as an alteration to their submission in accordance with Procurement Procedure Rule 62.
- 61.6. Where a bid received appears to be abnormally low, the Council is under a statutory duty to request that the bidder concerned provides a full and detailed response to explain the price / cost proposed, including confirmation that the supplier is not practising modern slavery. Identifying and dealing with an abnormally low bid shall be the responsibility of the Authorised Officer. The Council may reject an abnormally low bid, where the justification doesn't satisfactorily account for the low level of price. Where consideration is being given to the rejection of a bid on these grounds advice must be sought from the Chief Procurement Officer and Chief Legal Officer.

## **62. Errors in Quotations and Tenders**

- 62.1. A quotation / tender may be amended after it has been received, and before it is accepted if it is identified during the evaluation process that a genuine arithmetical error or other minor discrepancy has been made, that can easily be corrected by way of clarification, following consultation with the Chief Procurement Officer and/or Chief Legal Officer, subject to the following:
  - 62.1.1. The bidder shall be given details of the error(s) found during the examination of the tender and shall be given the opportunity of confirming the quotation / tender without amendment or to withdraw their quotation / tender.
  - 62.1.2. Amending the quotation, to correct genuine arithmetic errors provided that no other adjustment, revision, or qualification is permitted.
- 62.2. The Authorised Officer must ensure a written record of all amendments made under this Procurement Procedure Rule is maintained.

### **63. Post Tender and Quotation Negotiations**

- 63.1. In the interests of ensuring an open, fair and transparent process, negotiation following receipt of tenders / quotations is only permissible in limited circumstances.
- 63.2. Negotiation is never permissible following the receipt of final tenders where the tender is above the relevant Threshold.
- 63.3. Where the procurement is below the relevant Threshold, the Authorised Officer may, after consulting with the Chief Procurement Officer and Chief Legal Officer enter negotiations with one or more bidders where they consider that it is in the Council's best interest to do so.
- 63.4. Where the scope of the original procurement is to be reduced in order to fit within budgetary provision, advice must be sought from the Chief Procurement Officer and Chief Legal Officer. In instances where the Contract is a Call-Off from a Framework Agreement or Dynamic Purchasing System it may be acceptable that all bidders who were invited to bid must be given the opportunity to re-submit a revised offer. However, where the procurement is the result of an openly advertised tender, dependent on the scale of the change of scope, the tender may need to be re-run.
- 63.5. Negotiations shall be conducted on behalf of the Council by two or more Authorised Officers from the service area concerned and / or the Corporate Procurement Team.
- 63.6. A full written record must be maintained of the negotiation which if agreed in writing by the Authorised Officer and the bidder for inclusion within the final Contract.

### **64. Due Diligence**

- 64.1. Following the evaluation process of all Contracts valued above £25,000, and upon reaching consensus on the top scoring bidder, it is recommended best practice that a due diligence process is undertaken. The purpose of the due diligence is to confirm aspects such as:
  - 64.1.1. The bid received is bona fide and sustainable.
  - 64.1.2. The Council fully understands the bid that has been submitted.
  - 64.1.3. The Supplier has the financial and technical capacity and capability to deliver the Contract and where this does cause concern appropriate steps have been agreed (i.e. parent company guarantees); and

64.1.4. The Supplier has the relevant policies / certificates required (including evidence of adequate insurance cover).

64.2. Minutes from any due diligence meetings / conversations must be formally agreed in writing with the winning bidder for inclusion within the final Contract.

## **65. Approval to Award**

65.1. For all Contracts valued above £25,000 (including further competitions from Framework Agreements of Dynamic Purchasing Systems), prior to formally notifying bidders whether they have been successful or not (regardless of whether the decision taken is to award the Contract or abandon the process), a tender evaluation report must be prepared and approved. Only the most economically advantageous tender(s) or quotation(s) must be recommended for award.

65.2. In instances where the recommendation is to abandon and re-tender the requirement, robust justifiable reasons must be demonstrated (i.e. funding no longer available, all quality submissions below required thresholds etc). It would be a breach of Procurement Legislation if a tender was abandoned on the grounds that a particular supplier was not the successful bidder and such action would leave the Council open to legal challenge.

65.3. The tender evaluation report should summarise the procedure undertaken to include for example:

65.3.1. The subject matter, value of the procurement and procedure used.

65.3.2. The suppliers involved.

65.3.3. Results of any compliance, selection and / or award criteria.

65.3.4. The winning bid including any due diligence carried out.

65.3.5. Any outcomes achieved.

65.3.6. Any issues or risks with the proposed recommendation.

65.4. The tender evaluation report must be approved in accordance with the directorates scheme of delegation (or any other relevant Authorised Signatory).

## **66. Acceptance and Award**

66.1. All bidders must be notified in writing of their success / failure in a quotation /

tender process in a timely manner using standard documents supplied by the Corporate Procurement Team.

- 66.2. All notifications for Contracts valued above £25,000 must be issued electronically through the Council's e-tendering portal.
- 66.3. Notification also includes a decision where the Council has decided to abort a process.
- 66.4. It is important to notify bidders as soon as possible after their elimination from a process. therefore, in the case of all tenders which relate to procurements above the relevant Threshold where there are multiple stages (i.e. a selection stage in the restricted procedure) the bidder must be notified following the evaluation of that stage in the process.
- 66.5. For procurements concerning Contracts with a Contract Value above the relevant Threshold it is essential that all unsuccessful letters contain the following information:
  - 66.5.1. The award criteria used.
  - 66.5.2. The score obtained of the bidder against the award criteria.
  - 66.5.3. The score obtained by the winning bidder against the award criteria.
  - 66.5.4. The name of the winning bidder.
  - 66.5.5. The characteristics and relative advantages of the winning tender; and
  - 66.5.6. Precise details of the standstill period.
- 66.6. The standstill period requires a minimum 10 calendar days (where the notification is made electronically) between the communication of the award decision and Contract conclusion, with day 1 being the day after the award decision is issued. Where the notification is not issued electronically or is followed up by postal notification, the standstill period must be no less than 15 calendar days. The standstill period must end on a weekday.
- 66.7. Whilst the standstill period referred to above is not a legal requirement for below Threshold procurements, above Threshold procurements under Social and Other Specific Services or Call-Offs under Framework Agreements or Dynamic Purchasing Systems, it is recommended best practice to apply such a process to allow an opportunity for unsuccessful aggrieved bidders to challenge/complain, and for the Council to satisfactorily deal with such instances before entering into

Contract.

- 66.8. Following the successful conclusion of standstill, the successful bidder(s) should be informed that the Council will be progressing to formal award and the issuing of formal Contracts.
- 66.9. All Contracts awarded with a value of £5,000 and above must be reported to the Chief Procurement Officer and recorded on the Council's contracts register. All Contracts awarded with a value of £25,000 and above must be recorded on Contracts Finder. All Contracts awarded above the relevant Threshold must also be recorded on the UK e-notification service within 30 calendar days following the decision to award the Contract and a Regulation 84 report must also be prepared in accordance with the Procurement Legislation by the Authorised Officer. For Contracts awarded with a value of £250,000 and above an Officer Delegated Decision record is also required to be published.

## **67. Exemptions from the Normal Procedure**

- 67.1. The Strategic Director has the power to waive any requirements within these Procurement Procedure Rules for specific projects, where one or more of the following exemptions apply:
- 67.1.1. Where the technical characteristics of the Goods are only compatible with an existing supply or installation, such that procurement of another product other than the one available from the original Supplier would result in disproportionate technical difficulties. The duration of a Contract negotiated in accordance with this exemption shall not exceed 3 years.
- 67.1.2. The procurement of a unique work of art or artistic performance.
- 67.1.3. Where competition is absent for technical reasons where no reasonable alternative or substitute exists, and the absence of the competition is not the result of an artificial narrowing down of the parameters of the procurement.
- 67.1.4. The purchase of proprietary or patented Goods or material, or Services, which are obtainable only from one supplier, and where no reasonable satisfactory alternative is available.
- 67.1.5. Where the execution of Works, or supply of Goods or Services are controlled by a statutory body, trade organisation or legislation and no reasonable satisfactory alternative is available.
- 67.1.6. Where the execution of Work or the supply of Goods or Services are

required so urgently<sup>1</sup> that compliance with any competitive process prescribed by these Procurement Procedure Rules cannot be achieved.

- 67.1.7. Where the publication of documents detailing the Council's requirements could reasonably be considered to prejudice the security of the activity to be undertaken, and the Council has considered the use of reasonable measures to protect such security and allow the normal procurement process to be followed (e.g. the use of confidentiality agreements)
- 67.1.8. To allow for the continuation of a Contract beyond its contractual term, in exceptional circumstances and where the term of such an extension is determined in accordance with the timescales required to complete a re-procurement or decommission the existing arrangement.
- 67.1.9. The execution of Works, or the supply of Goods or Services for which it can be demonstrated that no genuine competition can be obtained.
- 67.1.10. An alternative competitive process to that prescribed by these Procurement Procedure Rules for Contracts with a value between £10,000 and the relevant Threshold subject to reasonable justifications for such a request.
- 67.1.11. All exemptions require the support of the Chief Finance Officer, who is ultimately responsible for procurement within the Council, in advance of gaining the approval of the relevant Strategic Director for the service concerned (or other Chief Officer).
- 67.1.12. An exemption request form must be completed for every instance of an exemption with a total value of £10,000 or more to aid the decision making of the Chief Finance Officer and the relevant Strategic Director. The request must clearly document the exemption to be relied upon, along with the justification and all necessary procurement, legal, financial and procurement implications.
- 67.1.13. A copy of all approved exemptions must be provided to the Chief Procurement Officer, where a record will be maintained. The relevant Strategic Director is responsible for ensuring the appropriate Cabinet Member is kept informed. A summary of agreed exemptions will be reported in quarterly performance monitoring reports.
- 67.1.14. Where an exemption is approved, the Service must ensure that an appropriate Contract is entered into (including a scope of works and proposal from the Supplier) which is managed in line with the requirements of these Procurement Procedure Rules. Details of the contract must be advertised on the Council's contract register and on Contracts Finder (for Contracts above £25,000) in accordance with data transparency and

---

reporting requirements.

## **68. Contracts and Purchase Orders**

### **68.1. Purchase Orders**

68.1.1. ### **69.5. Termination of Contracts**

**Rotherham Metropolitan Borough Council**

**Councillor Code of Conduct**

## **Joint Statement**

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviours and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

**Adopted 26<sup>th</sup> May 2021**

## **Introduction**

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

## **Definitions**

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- (a) is a member of any committee or sub-committee of the authority, or;
- (b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

## **Purpose of the Code of Conduct**

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

## **General Principles of Councillor Conduct**

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

## **Application of the Code of Conduct**

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

## **Standards of councillor conduct**

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

### **General Conduct**

#### **1. Respect**

##### **As a councillor:**

- 1.1 I treat other councillors and members of the public with respect.**
- 1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.**

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor officer protocol.

#### **2. Bullying, Harassment and Discrimination**

##### **As a councillor:**

- 2.1 I do not bully any person.**
- 2.2 I do not harass any person.**
- 2.3 I promote equalities and do not discriminate unlawfully against any person.**

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

### **3. Impartiality of officers of the council**

**As a councillor:**

#### **3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.**

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

### **4. Confidentiality and access to information**

**As a councillor:**

#### **4.1 I do not disclose information:**

- (a) given to me in confidence by anyone**
- (b) acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
  - (i) I have received the consent of a person authorised to give it;**
  - (ii) I am required by law to do so;**
  - (iii) the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
  - (iv) the disclosure is:**
    - 1. reasonable and in the public interest; and**
    - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
    - 3. I have consulted the Monitoring Officer prior to its release.**

#### **4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.**

#### **4.3 I do not prevent anyone from getting information that they are entitled to by law.**

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

## 5. Disrepute

### As a councillor:

#### 5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

## 6. Use of position

### As a councillor:

#### 6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

## 7. Use of local authority resources and facilities

### As a councillor:

#### 7.1 I do not misuse council resources.

#### 7.2 I will, when using the resources of the local authority or authorising their use by others:

- (a) act in accordance with the local authority's requirements; and
- (b) ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

## 8. Complying with the Code of Conduct

### As a Councillor:

- 8.1 I undertake Code of Conduct training provided by my local authority.
- 8.2 I cooperate with any Code of Conduct investigation and/or determination.
- 8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.
- 8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

## Protecting your reputation and the reputation of the local authority

## 9. Interests

### As a councillor:

#### 9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

**Appendix B** sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

**10. Gifts and hospitality**

**As a councillor:**

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

## **Appendices**

### **Appendix A - The Seven Principles of Public Life**

The principles are:

#### **Selflessness**

Holders of public office should act solely in terms of the public interest.

#### **Integrity**

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

#### **Objectivity**

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

#### **Accountability**

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

#### **Openness**

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

#### **Honesty**

Holders of public office should be truthful.

#### **Leadership**

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

## Appendix B - Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

**"Disclosable Pecuniary Interest"** means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

**"Partner"** means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

### Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. [Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

### Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to the financial interest or well-being of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

**Disclosure of Non-Registerable Interests**

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects** -
- (a) your own financial interest or well-being;
  - (b) a financial interest or well-being of a relative or close associate; or
  - (c) a financial interest or wellbeing of a body included under Other Registerable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well-being:
- (a) to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
  - (b) a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

## **A healthy system of democratic leadership and accountability**

---

As councillors for the Borough we understand the special responsibilities we bear. The Council must improve and we are confident that improvement has begun. The Council needs to increase public confidence. As councillors we need to demonstrate we are learning from the past and mindful of the high standards we set for ourselves and that others demand.

Councillors have a number of roles. We need to be accessible and approachable to our ward constituents, whether they voted for us or not, and willing to ensure the Council hears and responds to their needs appropriately. We need to help increase local communities' ability and willingness to pull together and find local solutions to common problems. We need to lead and scrutinise the service delivery of the paid staff. And we want to plan for the future of the Borough and make decisions about the best ways to increase prosperity, ensure wellbeing and provide opportunities.

We believe politics is about debate and sometimes argument. Such debate helps the Council decide what to do and how to do it. We are currently debating how to organise ourselves within the council but however this is determined all councillors have both individual, Group and collective responsibilities. We know that political arithmetic matters. A Party with a majority can expect to win votes if it agrees on a course of action. Minority parties accept this. In return all parties accept they should seek to find common cause where they can whilst disagreeing where they think they must.

We want a reputation as councillors who are credible, responsible and self-critical. As part of this we have come together on a cross-party basis to discuss a new local code, in which we commit to high standards, more specific and detailed than the national code of conduct which binds all councillors. This local code should therefore be read as supplementing that document which already outlaws bullying, requires close attention to conflicts of interest, holds us to keep private matters confidential and commits us to the seven principles of public life.

In many ways this code breaks no new ground. Our councillors live these standards every day. But we recognise that by writing these standards down we show how serious we are about our personal and Group self-discipline.

This is what we want to do:

### **Be respectful**

1. Always remember the importance of those individuals and communities who need the council's services.
2. Ensure our words and actions are free from prejudice and improper discrimination.
3. Get the basics right and be courteous and reliable in all our dealings with the public.
4. Understand the legal requirements on the Council.
5. Always be mindful that we are responsible for other people's money.
6. Be clear with the staff of the council about our ambitions and expectations whilst treating them with respect.
7. Act, dress and carry ourselves in a way that invites others to respect our efforts.

**Be imaginative**

8. Be energetic and be ambitious; looking ahead to what needs to change.
9. Encourage others to take an interest in the Council.
10. Use evidence of what works elsewhere to improve our decision-making.
11. Advocate for those individuals and communities who need our help.
12. Widen the circle of those contributing to local life.
13. Never be complacent and try to learn from others and be open to new ideas.

**Be open-minded**

14. Accept if we have got things wrong and try to put things right
15. Commit to personal development to improve our understanding, skills and confidence.
16. Challenge those who fall below the high standards we believe in.
17. Avoid giving personal criticism, whilst being willing to vigorously debate ideas and principles
18. Resist taking offence too easily, recognising that politics requires resilience.
19. Understand our personal accountability and engage with the press and others to explain our work
20. Escalate any individual concerns responsibly, using agreed systems of the Council.

- 8.1 For the purpose of these procedures, disciplinary action has the meaning set out in the Local Authorities (Standing Order)(England)(Regulations) 2001 (as amended), namely: "any action occasioned by alleged misconduct which, if proved, would, according to the usual practice of the authority, be recorded on the member of staff's personal file, and includes any proposal for dismissal of a member of staff for any reason other than redundancy, permanent ill health, or infirmity of mind or body, but does not include failure to renew a contract of employment for a fixed term unless the authority has undertaken to renew such a contract".

- 8.2 The Chief Executive, Monitoring Officer or Chief Finance Officer (referred to below in each case as the “relevant statutory officer”) may be suspended on full pay for the purpose of investigating alleged misconduct by her/him.
- 8.3 Subject to the provisions set out below, the Chief Officer Disciplinary Committee may take disciplinary action short of dismissal against a relevant statutory officer or recommend to full Council that a relevant statutory officer be dismissed for disciplinary action as defined in paragraph 8.1 above.
- 8.4 Where a potential disciplinary matter in respect of the Chief Executive, Monitoring Officer or the Chief Finance Officer arises, the steps to be taken under the disciplinary procedure may be summarised as follows:
- 8.4.1 A preliminary investigation will be carried out by a group of not fewer than three elected members appointed by the Leader of Council.
- 8.4.2 If the preliminary investigation shows there is a case to answer, a full investigation will be set up and heard by the Chief Officer Disciplinary Committee.
- 8.4.3 Where, following the full investigation and hearing, the Chief Officer Disciplinary Committee considers that dismissal is the appropriate course of action in respect of a relevant statutory officer they must notify the proper officer giving particulars, in addition to the person’s name, that are relevant to the proposed dismissal.
- 8.4.4 The proper officer will send that information, including the person’s name, to every member of the Executive and will inform them of the timescale during which any objection to the proposed dismissal should be made by the Leader of Council, on behalf of the Executive, to the proper officer.
- 8.5 The Chief Officer Disciplinary Committee must include at least one member of the Executive. Where dismissal is to be considered, the Chief Officer Disciplinary Committee must also include two Independent Persons appointed in accordance with the Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015.
- 8.6 Only full Council can approve the dismissal of the Chief Executive, Monitoring Officer, or Chief Finance Officer, and must do so before notice of dismissal (if required) is given. The Chief Officer Disciplinary Committee’s recommendation for dismissal will not be referred to Council for a decision until one of the following is satisfied:

- 8.9 In relation to action short of dismissal, the relevant statutory officer has a right of appeal to Staffing Committee. There is no right of appeal beyond this level.

**Disciplinary Procedures - Other Chief Officers, Deputy Directors, and Assistant Directors**

- 8.10 Where a potential disciplinary matter arises which concerns a Strategic Director, Assistant Chief Executive, Deputy Director, or Assistant Director (referred to below in each case as the “relevant officer”), other than the Monitoring Officer or Chief Finance Officer the disciplinary procedures contained in the Joint Negotiating Committee (JNC) Agreement for Chief Officers will apply.

The preliminary investigation may in certain circumstances, including the prior involvement in the matter by the Chief Executive, be undertaken by another Chief Officer or by not

fewer than two elected members. Where the matter involves a Deputy Director or Assistant Director, the Strategic Director or Assistant Chief Executive will undertake a preliminary investigation of the complaint. This preliminary investigation may in certain circumstances, including the prior involvement in the matter by a Strategic Director, be undertaken by the Chief Executive, another Chief Officer or by not fewer than two elected members.

8.12.2 Unless the decision on the preliminary investigation is either that the complaint does not warrant a full investigation, or, if established, could be resolved informally, for example, through an unrecorded informal warning, the matter will be referred to the Chief Officer Disciplinary Committee, acting as the Investigating Committee under the JNC Agreement for Chief Officers. The Committee must include at least one member of the Executive and will have full delegated powers to act.

8.12.3 The employee will have a right of appeal against any disciplinary action to the Employment Appeals Panel, whose terms of reference are set out in Appendix 9 – Responsibility for Functions. There is no right of appeal beyond this level.

8.13 Where the Chief Officer Disciplinary Committee considers that dismissal is the appropriate course of action they must notify the proper officer giving particulars, in addition to the person's name, that are relevant to the proposed dismissal.

8.14 The Proper Officer will send that information, including the person's name, to every member of the Executive and will inform them of the timescale during which any objection to the proposed dismissal should be made by the Leader of the Council, on behalf of the Executive, to the proper officer.

8.15 The Committee must not give notice of the dismissal until one of the following is satisfied:

8.15.1 The Leader of Council has notified the Committee within the specified timescale that neither s/he nor any other member of the Executive has objected to the proposed dismissal,

8.15.2 The proper officer has notified the Committee that s/he has received no objection from the Leader of Council within that timescale, or

8.15.3 The Committee is satisfied that any objection received from the Leader of Council within the specified timescale is not material or well founded.

**9. Dismissal other than for Disciplinary Action (for example dismissal by reason of redundancy) - The Chief Executive, Monitoring Officer, and Chief Finance Officer**

- 9.1 Only full Council can approve the dismissal of the Chief Executive, Monitoring Officer, or Chief Finance Officer (“relevant statutory officers”) and must do so before notice of dismissal is given.
- 9.2 Where the Staffing Committee considers that dismissal is the appropriate course of action in respect of a relevant statutory officer, they must notify the proper officer giving particulars, in addition to the person’s name, that are relevant to the proposed dismissal.
- 9.3 The proper officer will send that information including the person’s name, to every member of the Executive and will inform them of the timescale during which any objection to the proposed dismissal should be made by the Leader of Council on behalf of the Executive, to the proper officer.
- 9.4 The Staffing Committee’s recommendation for dismissal will not be referred to Council for a decision until either paragraph 8.6.1 or 8.6.2 or 8.6.3 is satisfied.

**Dismissal other than for Disciplinary Action (for example dismissal by reason of redundancy) - Other Chief Officers, Deputy Directors, and Assistant Directors (“relevant officers”)**

- 9.5 Where the Staffing Committee considers that dismissal is the appropriate course of action in respect of a relevant officer, they must notify the proper officer giving the particulars in addition to the person’s name that are relevant to the proposed dismissal.

  - 9.7.3 The Committee is satisfied that any objection received from the Leader of Council within the specified timescale is not material or well founded.

## **PART 2 CODE OF CONDUCT FOR OFFICERS**

### **Introduction**

This Code of Conduct for Employees is based on key principles arising from the work of the Nolan Committee on standards in public life; it outlines the minimum standards that all Council employees, casual workers, agency staff, contractors and volunteers must adhere to.

The purpose of this code is to promote consistency and make all employees aware of their responsibilities whilst engaged in work for the Council, by specifying standards of behaviour and by clearly defining rules concerning official conduct.

Employees must comply with this Code as it forms part of their terms and conditions of employment. Some directorates e.g. Adult Social Services also issue supplementary codes of practice on employee conduct. These and the Council's security policies and codes of practice must also be complied with.

The Council believes that employees are responsible for their actions. It is the responsibility of employees to read the Code. If any of the provisions contained within this Code of Conduct and related codes of practice are not fully understood employees must, in their own interests, seek clarification from their Manager or Human Resources Managers. Managers should take in to account the translation and interpretation needs of the individual. This Code can be made available in other languages and formats on request.

In instances which do not clearly fall within the guidance of this code and following discussion between a Strategic Director, the Assistant Chief Executive and the Assistant Director of Legal Services, individual cases will be referred to the Standards Committee for consideration.

Failure to observe this Code of Conduct, failure to properly perform employee duties, serious misconduct or criminal offences committed during or outside working hours which could bring the Council into disrepute may result in disciplinary action being considered, including the possibility of dismissal.

## **10. Standards**

### **10.1 General**

The Citizens of Rotherham expect the highest standards of behaviour and customer care from Rotherham Metropolitan Borough Council employees. Public confidence in employees' integrity would be shaken by the least suspicion that they could be influenced by improper motives. Employees must not put themselves in a position where their honesty or integrity could be called into question. Employees should be aware at all times about the potential for public perception to be different to their own and avoid placing themselves at risk of allegation of wrongdoing at all times.

10.1.2 The Council reserves the right to monitor its employees, including surveillance, in accordance with Council Policy and the law to ensure that the provisions of this Code of Conduct are adhered to.

10.1.3 Employees will be expected, without fear of recrimination, to bring attention to the appropriate level of management, concerns about how Council resources and services are managed or provided. The Council operates a Confidential Reporting Code and employees must report to the appropriate manager any impropriety or breach of procedure.

10.1.4 Other general standards of conduct are set out in the Council's disciplinary procedure and summarised below. The standards of conduct and behaviour are intended to promote fair and consistent treatment of individuals, apply to all employees of the Council and will be regarded as part of each employee's contract of employment.

### **10.2 Attendance**

All employees are expected to attend regularly and punctually, not to absent themselves from duty without permission and to perform their duties in a manner, which combines prompt and efficient service with a concern for the feeling of others, including colleagues, managers and members of the public.

### **10.3 Health and Safety**

In respect of Health and Safety all policies and procedures must be observed at all times. All employees are reminded that the Council operates a no smoking policy, in all of its premises. Staff who absent themselves from work during their working hours to smoke outside public buildings will be subject to the disciplinary procedure.

### **10.4 Discrimination, Bullying and Harassment**

Employees must conduct themselves in accordance with the Council's Equal Opportunities in Employment Policy. Employees should not themselves discriminate, induce or attempt to induce, other employees to discriminate and

should not harass, abuse or intimidate other employees on grounds of gender, marital status, age, race, disability, sexuality or religion.

10.4.1 All employees have a responsibility to discourage any forms of bullying and harassment whatsoever. Sexist or racist language or behaviour, for example, is wholly unacceptable.

10.4.2 All members of the local community, customers and other employees have a right to be treated with fairness and equity. Employees should ensure that policies and practices relating to equality issues, as agreed by the Council, are complied with in addition to the requirements of the law.

## 10.5 Performance

The Council expects its employees to carry out all reasonable duties and instructions, given by Supervisors and Managers, efficiently and to the required standard. If employees are in any doubt about required standards of performance they should raise the matters with their Supervisor/Line Manager at the earliest opportunity. Managers are expected to discuss performance standards as part of the probationary review process and subsequently in one-to-one supervision sessions or at performance and development reviews. Except in the case of probationary employees, capability issues will be dealt with under the Council's capability procedure.

## 10.6 Sickness

In respect of sickness all employees must comply with the notification requirements and complete self-certification forms on their return to work. Unauthorised absence or repeated short absences will be investigated and may lead to disciplinary action.

## 10.7 Gross Misconduct

Certain actions constitute gross misconduct and will result in summary dismissal unless mitigating circumstances are accepted. Set out below are examples of such conduct which in the Council's view may constitute gross misconduct. This list is purely illustrative and not exhaustive.

- Dishonesty, including theft or fraud. (Examples may include falsification of timesheets, bonus sheets, claims for reimbursement of expenditure or failure to declare information/earnings in respect of benefit claims/grant applications made to the Authority);
- Violent or threatening behaviour (Including bullying or intimidating behaviour);
- Breaches of the Council's Health and Safety at work rules and procedures which cause (or could cause) unacceptable loss, damage or injury;
- Breach of Confidence and Trust - including breaches of professional protocol and ethics;
- Negligence, including dereliction of duty;

- Willful damage to property or equipment;
- Willful breach of confidentiality;
- Refusal to carry out duties or reasonable instructions;
- Corruption and the receipt of gifts as inducements or reward (see sections 14 and 15);
- Criminal offences (whether committed during or outside the employees hours of work for the Council) which have employment implications;
- Unfitness for duty through alcohol or misuse of drugs. (Any such occurrence to be considered in the light of the Council's substance misuse policy).
- Discrimination or harassment on the grounds of sex, race, disability, age, religion or sexuality.
- Inappropriate use of internet and or the internal e-mail system.

## **11. Disclosure of Information**

- 11.1 The law requires that certain types of information must be available to members, auditors, government departments, service users and the public. The authority itself may decide to open other types of information. Employees must be aware of which information within their authority is open and which is not, and act accordingly.
- 11.2 Confidential, personal or financial information about any employee, such as salary details, must not be disclosed to any unauthorised person, or normally, to any external organisation/agency, without the express approval of the person concerned.
- 11.3 Where the request relates to references, arising as a consequence of job applications, applications for mortgages, etc, these may be issued only after verifying the identity of the enquirer either by replying in writing or in case of telephone enquiries, by telephoning the person/organisation back. However, in the case of references relating to job applications for colleagues or ex-Council employees, Council employees can only act in a personal capacity. Only the applicant's line manager can provide employment references. Any misrepresentation of the Council will be treated as misconduct.
- 11.4 Employees should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way.
- 11.5 Employees may be personally prosecuted for offences under the Data Protection legislation. If any employee is in doubt about their responsibilities, they must consult their manager or the Monitoring Officer. The Council also has a Data Protection and Information Security Officer who can help.

## **12. Communications with the Media**

- 12.1 It is Council Policy that all media liaison relating to Council activities is handled by the Communications Team in conjunction with Directors and Strategic Directors. If an employee has ideas for positive stories about the

Council's policies or activities or is approached by a journalist who is unaware of, or avoiding, the Council's procedures, the approval of the Head of Communications must be obtained before any information is given verbally, via e-mail or in writing.

- 12.2 Where an employee is writing material for publication which does not refer specifically to the Council, but does relate to his/her profession/occupation e.g. articles in professional journals, the employee should notify his/her Director prior to publication.
- 12.3 Employees are expected to raise any concerns, including concerns of a critical nature within the Council, directly with Line Managers or within Employee Forums. Public comments of a critical nature which undermine the Council or bring the Council into disrepute, other than those disclosed under the protection of the Confidential Reporting Code or statute, could be construed as a fundamental breach of confidence and trust, which may have implications for continued employment. This may include comments made by employees when participating in an outside group if such comments bring them into conflict with the Council.

### **13. Political Neutrality**

- 13.1 Employees serve the authority as a whole. It follows they must serve all Councillors and not just those of the controlling group, and must ensure that the individual rights of all Councillors are respected.
- 13.2 Subject to the authority's conventions, employees may also be required to advise political groups. They must do so in ways, which do not compromise their political neutrality.
- 13.3 Employees, whether or not politically restricted (see Appendix 3), must follow every lawful expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work.
- 13.4 Political assistants appointed on fixed term contracts in accordance with the Local Government and Housing Act 1989 are exempt from the standards set in paragraphs 13.1 to 13.3.
- 13.5 Whilst engaged in Council business employees must not wear or display on their person, vehicle or items such as tools and equipment, objects indicating affiliation with or opposition to any political party or related pressure group.

### **14. Relationships**

#### **14.1 Between Employees**

14.1.1 All employees have a responsibility to treat their colleagues with dignity and respect.

14.1.2 The Council requires all its employees to act responsibly to ensure

their own and colleague's health and safety by: complying with safety clothing and equipment; contributing to the review and improvement of working methods; acting in accordance with their training and instructions and current best practice and taking necessary emergency action having regard to their own or others' safety. Any work situation considered by an employee to be a serious and immediate danger, or any matters considered to be a failure or inadequacy in the health and safety precautions relevant to their work, must be notified to their immediate line manager.

## 5.2 Councillors

Employees are responsible to the authority through its senior managers. For some, their role is to give advice to Councillors and senior managers and all are there to carry out the authority's work. Mutual respect between employees and Councillors is essential to good local government. Close personal familiarity between employees and individual Councillors can damage the relationship and prove embarrassing to other employees and Councillors. In certain circumstances they may blur accountability, endanger the democratic process and lead to ineffective and inefficient management. Over familiarity should therefore be avoided. Appendix 4 to this document is the Council's approved protocol in respect of relationships between Officers and Councillors.

## 5.3 The Local Community and Service Users

5.3.1 Employees, in providing services to the Community, are acting on behalf of the Council and should always act in a way that preserves public confidence in the Council.

5.3.2 Employees have a duty at all times, to uphold the law and relevant guidance bearing in mind the public's trust placed in Council employees.

5.3.3 Employees working with young people or vulnerable adults are in a particular position of great trust. Any breach of that trust, assault or sexual misconduct or breach of policies and procedures meant to safeguard vulnerable service users and other recipients of Council services will be regarded as potential gross misconduct. Employees must, in their own interests read their Department codes of practice and conduct in conjunction with this Corporate Code Of Conduct and must observe the Children's Act, the Rotherham Area Child Protection and Adult Abuse Protection Procedures.

## 5.4 Relationships with prospective or current Contractors

5.4.1 Employees involved in the tendering process and dealing with contractors should be clear on the distinction between client and contractor roles within the authority. Senior employees who have both a client and contractor responsibility must be aware of the need for

accountability and openness.

5.4.2 Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should declare that relationship in writing to their Director.

5.4.3 Employees who are privy to confidential information on contracts out to tender, or costs for either internal or external contractors, must not disclose that information to any unauthorised party or organisation.

5.4.4 Employees must ensure that no special favour is shown to current or former employees or their partners, close relatives or business associates in awarding contracts to businesses run by them or employing them.

5.4.5 Employees contemplating a 'management buyout', must as soon as they have a definite intent inform the Chief Executive and the relevant Strategic Director and Director. They must withdraw from all aspects of preparation, tendering, evaluation and award processes.

5.4.6 Where the competitive tendering of Council Services is being carried out employees involved directly in the process must declare their membership of or affiliation to, any organisation which may have an interest in tendering for the service to their Director/Strategic Director.

## **6. Recruitment and other employment matters**

6.1 In accordance with the Council's Equal Opportunities in Employment Policy, employees must take care that they are not open to any charge of discrimination in recruitment or employment practices, by fully adhering to the Council's Recruitment and Selection Code of Practice.

6.2 To avoid any possible accusation of bias, employees must not be involved in selection and appointment processes where they are related to an applicant or have a personal or business relationship with them. They should declare an interest where there is a potential conflict of interest in such cases.

6.3 Similarly, employees should not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner, etc.

## **7. Information Technology and Data Security**

7.1 Employees must ensure that they follow the Council's security procedures in relation to the use of computers and the proper management of computer-held information. Particular care must be taken to observe established procedures when using passwords and when logging on and off. Employees must never share passwords, which may lead to unauthorised access to

Council systems. Where this practice is found, employees should be aware it may lead to disciplinary action.

- 7.2 In respect of internet and intranet access, employees must comply with Council Policies such as the Codes of Practice on Information Security, Internet and e mail usage, the Use of Communications Policy and relevant legislation such as the Regulatory and Investigatory Powers Act, Data Protection Act, Obscene Publications Act, Computer Misuse Act and the Theft Act.

## **8. Use of Council Systems, Property and Facilities**

- 8.1 The Council's property such as telephones, mobile phones, the internet, intranet, e-mail, stationery, photocopiers, word processors and other machines or tools, materials, offices, car parks and facilities, may only be used for Council business unless permission for private use is given under the terms of the Council's codes of practice or by management. This also applies to all automatic processing equipment such as laptops, PC's, software including computer games and data, none of which may be used for private purposes or removed from the premises without the express permission of the appropriate manager.
- 8.2 Employees will be required to pay for telephone calls using land lines or mobile phones, or the use of facsimile equipment, for private purposes, through the approved systems in place for the collection of such monies. Employees will be expected to keep calls to a minimum level and managers will have the discretion to determine what is, or is not excessive.
- 8.3 Telephone call and e-mail/internet logging systems are in operation in the Council and may be used to identify usage for private purposes. Any communications using Council systems can be monitored.
- 8.4 Employees must adhere to all of the Council's specific system security measures that are currently in place or introduced in the future.
- 8.5 Care in the use of language contained in e-mails is essential as misuse could leave employees and the Council liable to legal action. In the case of employees internal proceedings under bullying and harassment procedures or the disciplinary procedure may also result.

## **9. Dress and Personal Appearance**

- 9.1 Council employees act as ambassadors for Departments. Consequently employees must maintain a standard of dress and appearance that is appropriate or required for the workplace and to the work being undertaken. Employees' appearance contributes to the quality of customer care provided. Employees must be clean and tidy and ensure good personal hygiene. Where particular clothing is provided for health, safety and hygiene and/or uniform purposes it must be worn. This includes name badges. In particular,

managers and employees on Council reception areas are expected to dress smartly and portray a business-like and professional image.

- 9.2 The Council seeks to promote diversity within its workforce and recognises the importance of cultural dress to its employees. Cultural dress is a visible sign of this commitment and employees will be supported in observing cultural dress codes within the general principles referred to at 9.1 above.

## **10. Criminal convictions**

- 10.1 Where an employees job involves working with children or vulnerable adults the Council will require the employees to apply for disclosure of criminal convictions to the Criminal Records Bureau. Employees are required under the Rehabilitation of Offenders Act 1974 (Exemptions Amendment Order), to disclose all convictions (spent or unspent), cautions or bind overs, before commencement of employment. In the case of other jobs an employee must disclose any "unspent" criminal convictions before commencement of employment.
- 10.2 Employees whose work involves driving a Council vehicle must declare any motoring offences to their manager, including parking fines.
- 10.3 As a matter of fundamental confidence and trust employees must inform their manager of any pending criminal proceedings against them before or during their employment.
- 10.4 Any declaration made under 10.2 or 10.3 must be recorded in writing by Managers and placed on the employee's personal file as a matter of record.
- 10.5 Failure to disclose convictions or to comply with any of the above constitutes possible gross misconduct and may result in disciplinary action, including the possibility of dismissal.

## **11. Drugs and Alcohol**

- 11.1 Council employees act as ambassadors for the Council and must attend work in a fit condition to undertake their duties in a safe manner.
- 11.2 The Council believes that the consumption of alcohol impairs performance and may constitute a health and safety risk. It therefore discourages its employees from drinking before work or at lunch times. Employees should be aware of the impact consuming alcohol can have on their image and performance and the way that subsequent actions/behaviour may be perceived by the public and other employees. Drinking during working hours is a disciplinary offence and employees adjudged to be under the influence of alcohol while at work may be suspended from duty.
- 11.3 The use of illegal substances at work or which impact adversely on performance at work will not be tolerated and may result in the Council reporting the matter to the police and potential disciplinary action.

11.4 Employees are advised to acquaint themselves with the Council's substance misuse policy. Managers have responsibility to ensure staff who may experience such problems are provided with copies of the policy. Support and advice will be given to employees willing to accept help and follow a programme of rehabilitation. A failure to follow any such programme and continuing problems in the workplace will result in issues of conduct being dealt with under the Council's disciplinary procedure.

## **12. Outside commitments**

12.1 The Council's duty of care under the Working Time Regulations requires that reasonable steps are taken to ensure that workers do not exceed an average 48 hours per week. The Council prefers its full time employees not to have paid secondary employment of any kind. The Council recognises that many of its part time employees may have secondary employment. However, all employees are required to declare to their Director any secondary employment. It will be the responsibility of managers to confirm with the employee whether this conflicts with their Council employment.

12.2 All employees should be clear about their contractual obligations and should not take outside employment, which conflicts with the authority's interests. This will include any activities which might be approved, monitored or regulated as part of their Council employment.

12.3 An employee's declaration of secondary employment, does not remove the right of the Council to take disciplinary action against any employee whose secondary employment is deemed to be, or has been, detrimental to the interests or reputation of the Council.

12.4 Employee appointments as School Governors, Councillors to other Local Authorities, membership of the Territorial Army, appointment as a Justice of the Peace or as a Member of the Employment Tribunal do not constitute secondary employment as described in this Code. Nonetheless the principles of employees making line managers aware of these duties and seeking appropriate time off in a reasonable and timely manner apply.

12.5 Guidance on payment and receipt of fees for other work is shown in Appendix 2.

12.6 Employees of the Council will not be permitted to hold voting rights or trusteeships of external bodies who have contracts with or otherwise grant funded by, the Council, without the express consent of their Director. There is a potential conflict of interest between an employee's responsibilities to protect the interests of the Council and the legal duties of a Trustee or voting member of an independent organisation. It is also extremely doubtful whether employees will be covered by the Council's indemnity in such circumstances.

12.7 The copyright in all records and documents made by employees in the course of their employment shall belong to the Authority.

### **13. Personal interests**

13.1 Employees must declare to their Director any non-financial interests that may bring about conflict with the authority's interests. All such declarations should be recorded in Service's registers of interests.

13.2 Employees must declare to an appropriate manager any financial interests, which could conflict with the authority's interests.

13.3 Employees should declare to an appropriate manager membership of any organisation not open to the public without formal membership and commitment of allegiance and which has secrecy about rules or membership or conduct. A definition of what constitutes a secret society is shown at Appendix 1.

13.4 Any employee contemplating purchasing or leasing of Council owned land should raise the matter with their Director or Strategic Director to ensure that there is not or could not reasonably be seen to be any opportunity for influencing the disposal process or use or information not generally available to purchasers. Certain employees holding designated posts directly concerned with land disposal will be precluded from purchasing or leasing Council land.

### **14. Corruption**

14.1 Council employees must not use their position to confer on or secure for himself/herself, or any other person, an advantage or disadvantage.

14.2 Employees must be aware that it is a serious criminal offence for them corruptly to receive or give any gift, loan, fee, reward or advantage for doing or not doing anything or showing favour or disfavour to any person in their official capacity.

14.3 Rotherham Metropolitan Borough Council acknowledges the responsibility it has for the administration of public funds, and emphasises to the public and its employees the importance it places on probity, financial control and honest administration. The Council is also committed to the fight against fraud, whether perpetrated by employees, contractors or the public.

14.4 To demonstrate this commitment and the Council's proactive approach to the prevention and detection of fraud and corruption and the action it will take, the Council has adopted a fraud and corruption policy.

14.5 Employees must use public funds responsibly and lawfully. They must work to ensure the Council uses its resources prudently and within the law and that the local community gets value for money. The Council's Standing Orders and Financial Regulations must be observed.

- 14.6 Defrauding and stealing (or attempting to do so) from the Council or any person or organisation in any way will not be tolerated. This includes falsification of claims, e.g. time sheets, mileage and travel/subsistence allowances with the intention of obtaining payment. Employees should be aware that the Council shares data with other Government agencies such as Department for Work and Pensions and the Inland Revenue.
- 14.7 Employees should not use Council procurement processes for personal purchases, unless authorised to do so.

## **15. Gifts and Payments**

### **15.1 Gifts and payments to employees related to employment**

- 15.1.1 Employees must be careful in the exercise of their duties not to show by their behaviour that they may be influenced by any gifts whilst acting in an official capacity.
- 15.1.2 The Prevention of Corruption Acts 1906 and 1916 make it a criminal offence for employees to demand or accept any gift or reward in return for allowing themselves to be influenced in their official capacity by any person seeking to obtain a contract from a local authority.
- 15.1.3 As a general rule, therefore, all gifts and other benefits must be refused. If gifts are delivered or sent by post to the place of work, they should be returned if the sender can be identified with an appropriately worded letter. Offers should be declined tactfully, with an explanation that this is Council policy. Where it is not possible to return a gift, or if it is considered that refusal would cause unnecessary offence, then the gift may be appropriated for the benefit of the Council and donated to the Mayor's Charity or other suitable similar purpose.
- 15.1.4 Employees must record any gift, received or offered, in a Gifts and Hospitality Book, to be held and monitored by each Director. The record should include the following information:
- 1) the date and time of offer/receipt;
  - 2) the person making the offer;
  - 3) persons present;
  - 4) the nature of the gift;
  - 4) the approximate value;
  - 5) whether accepted or declined;
  - 6) reasons for acceptance (if applicable).
- 15.1.5 The only gifts not required to be recorded in accordance with the above paragraph are those of a nominal value issued for publicity purposes such as pens, diaries and calendars.

15.2 Gifts and payments to employees unrelated to employment

15.2.1 Employees on occasion receive payment or gifts for personal care/work, which is unassociated with their employment with the Council. All employees who carry out such work for members of the public who are in receipt of services from the Authority and particularly Adult Social Services (e.g. meals-on-wheels, home care, warden service, social work support) must declare these arrangements to their Director in writing. Any such declaration must be acknowledged and the service user advised that next of kin should be made aware of the arrangement.

16. Hospitality

16.1 Employees should exercise discretion in offering and accepting hospitality. Acceptance of meals and refreshments for example may be a necessary part of Council business, i.e. provided to enable the parties to continue discussion. The meals or refreshments must be of a modest kind and if possible the employee should pay for their own meal and claim for reimbursement under the Conditions of Service.

16.2 In deciding whether to accept hospitality, regard should be given to the following: -

- (i) whether the person or firm offering the hospitality is likely to benefit from the hospitality;
- (ii) whether that person or firm is seeking a contract, or one has already been awarded;
- (iii) the timing of the hospitality in relation to decisions which the Council may take which will affect those offering it;
- (iv) whether it is preferable in the circumstances to entertain the person or persons concerned at the Council's premises or at the Council's expense;
- (v) the scale and location of the hospitality and whether it falls within working hours;
- (vi) whether a proposed visit is genuinely instructive or constitutes more of a social function;
- (vii) the frequency of the hospitality.

In all cases employees should be able to justify the arrangements they have made in the interests of the Council.

16.3 If an employee has any doubt about the acceptance of an invitation, this should be discussed with his/her Director. Employees must discuss any offers of hospitality over and above meals and refreshments with their Head of Service prior to accepting or declining them.

16.4 Acceptance by employees of hospitality through attendance at relevant conferences and courses is acceptable where it is clear the hospitality is

corporate rather than personal, where the Council gives consent in advance and where the Council is satisfied that any purchasing decisions are not compromised. Where visits to inspect equipment, etc. are required, employees should ensure that the Council meets the cost of such visits to avoid jeopardising the integrity of subsequent purchasing decisions.

16.5 Employees must record any hospitality, received or offered, in the Gifts and Hospitality Book, to be held and monitored by each Director. The record should include the following information:

- 1) The date and time of offer/receipt;
- 2) the person making the offer;
- 3) persons present;
- 4) the type of hospitality;
- 5) the approximate value;
- 6) whether accepted or declined;
- 7) reasons for acceptance (if applicable).

16.6 The only hospitality not required to be recorded in accordance with the above paragraph, is hospitality of a modest kind received during normal working hours in the course of conducting the Council's business. This would include light refreshments such as tea, coffee, biscuits and sandwich lunch or similar.

## **17. Legacies**

17.1 Occasions have arisen when employees who work, for example, in residential homes for the elderly, and Home Carers have been included in the Wills of people whom they have looked after. On the one hand this can reflect the genuine wish of a client to register their thanks to someone who has looked after them, perhaps over a number of years. On the other hand, such gestures could be open to misinterpretation, particularly if a large sum of money is involved. It is, therefore, a rule that an employee must notify their Director if they are left a legacy, which is connected with their employment or if the person in question was in receipt of a personal Council service. Failure to disclose receipt of a legacy may result in disciplinary action. Director must report the circumstances of all cases to the appropriate Cabinet Member.

## **18. Sponsorship – Giving and Receiving**

18.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a local government activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

18.2 Where the Council wishes to sponsor an event or service neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full disclosure to the employee's Director of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should

ensure that impartial advice is given and that there is no conflict of interest involved.

**19. Investigations and Monitoring**

19.1 Each Director and Strategic Director is responsible for the monitoring of his/her employee's activities in accordance with the provisions/declarations of this Code of Conduct and related Codes of Practice. Any such monitoring will comply with relevant legislation such as the Regulatory and Investigatory Powers Act, the Data Protection Act and the Human Rights Act.

19.2 Where the Monitoring Officer is undertaking an investigation in accordance with regulations under section 66(2) of the Local Government Act 2000 employees of the Council must comply with any requirement made by the Monitoring Officer in connection within such an investigation.

**20. Summary**

20.1 Employees requiring further information or requiring advice concerning the appropriate course of action to adopt in any situation, should contact their Line Manager, Director, the Director of Human Resources, the Internal Audit Manager or the Monitoring Officer.

20.2 This Code of Conduct should be read in conjunction with its appendices and with any other Council codes of practice or policies that relate to employee conduct and/or workplace or system security policies and procedures.

**21. Date of implementation**

21.1 This Corporate Code of Conduct applies to all employees of Rotherham Metropolitan Borough Council with effect from December 2003.

**The Corporate Code of Conduct will be kept under review in the light of recommendations and guidance issued nationally in relation to standards of conduct in public life and revised as necessary.**

**APPENDIX 1**

**DEFINITION OF WHAT CONSTITUTES A MEMBERSHIP OF SECRET SOCIETY**

The following is the Council's definition of what constitutes a society with secret rules (secret society).

'Any lodge, chapter, society, trust or regular gathering or meeting, which:

- a) is not open to members of the public who are not members of that lodge, chapter, society or trust; and
- b) includes in the grant of membership an obligation on the part of the member a requirement to make a commitment (whether by oath or otherwise) of allegiance to the lodge, chapter, society, gathering or meeting; and
- c) includes, whether initially or subsequently, a commitment (whether by oath or otherwise) of secrecy about the rules, membership or conduct of the lodge, chapter, society, trust, gathering or meeting.

A lodge, chapter, society, trust, gathering or meeting as defined above should not be regarded as a secret society if it forms part of the activity of a generally recognised religion.

**OTHER EMPLOYMENT RELATED ACTIVITIES – FEES**

Employees may be asked on occasions to give lectures or undertake work using their professional skills and expertise. If the work forms part of the duties of a post and the employee is carrying out an official duty, he/she must forward all fees to their employing Department. Any expenses incurred will be reimbursed through the normal procedures.

Employees in receipt of 'fees' in respect of undertaking work and/or lecturing to an outside organisation/persons) may retain the 'fees' providing:

- a) preparation and delivery of the work is undertaken outside working hours (unless covered below);
- b) equipment and/or materials are not being provided by the Council;
- c) the employee is not acting as a representative of the Council.

Where the work or lecture is undertaken during working hours the equivalent working hours must be re-arranged, in agreement with the line manager to accommodate the employee's request or annual leave, flexi leave or time off in lieu must be used. The employee concerned may also be granted unpaid leave, subject to the agreement of the line manager in consultation with their Human Resources Manager.

**POLITICALLY RESTRICTED POSTS**

In order to uphold the principle of political neutrality of local government employees, under the Local Government and Housing Act, 1989, some Council posts are designated as 'politically restricted'.

Political Restriction applies to:

- Chief and deputy chief officers
- Employees who give advice on a regular basis to the Council or speak on a regular basis to journalists or broadcasters on the Council's behalf.
- Employees who work in politically sensitive areas, i.e. Elections staff

The following restrictions apply to any employee who is appointed to a politically restricted post:

- The post holder must not announce an intention to be a candidate for election to the House of Commons, the European Parliament or a local authority.
- Where an officer announces that he/she wishes to resign his/her post because he/she intends to be a candidate for election to the House of Commons, his/her appointment shall terminate.
- The post holder must not act as an election agent or sub-agent.
- The post holder shall not be an officer of a political party or branch, or a committee or sub-committee member of a party, if this involves him/her in general management of or acting on behalf of the party or branch. This does not prevent membership of a political party or, for example, social activity unrelated to the general management of the party or branch.
- The post holder shall not canvass on behalf of a political party or on behalf of a candidate for election.

Post holders other than political assistants are also prevented from:-

- Speaking to the public with the apparent intention of affecting support for a political party.
- Publishing or causing to be published written or artistic work if intended to affect public support for a political party. This would not, however, apply to for example displaying a poster on private property.

There is an Independent Adjudicator whose role is to consider applications from local government employees for exemption from political restriction in respect of their posts. In making an application to the Independent Adjudicator, an employee is required to provide a certified job description together with a certificate of opinion to state whether or not in the opinion of the Council, the duties of the post include advising the Council on a regular basis or speaking on a regular basis to journalists or broadcasters. In other words, exemptions can only be granted to those whose posts are politically restricted because of salary alone but whose duties do not include those just mentioned.

**MEMBER / OFFICER RELATIONS PROTOCOL**Introduction

- A With the adoption of the Code of Conduct for Members, which came into effect on 24 April 2002, the opportunity has been taken to produce a Protocol with regard to member/officer relations. It seeks to set out guidance and promote greater clarity and certainty and the setting of good standards in accordance with the Nolan Report and subsequent Government guidance. This also includes some general guidance on Access to Information.
- B Given the variety and complexity of member and officer relations, this protocol does not seek to cover everything or be prescriptive in its application. General guidance is offered on some of the issues that most commonly arise or cause concern. It is hoped, therefore, that the approach which this protocol adopts will serve as a guide to dealing with other issues that may arise from time to time.
- C This protocol seeks to encourage best practice and to promote greater clarity and certainty between the various relationships. If any member is unsure about any matter, he or she should contact the Monitoring Officer (Assistant Director of Legal Services) for appropriate advice and assistance. If any officer is unsure about any matter, he or she should contact the relevant Chief Officer and/or the Assistant Director of Legal Services.
- D The Standards and Ethics Committee may issue further general guidance on Rotherham's Code of Conduct for Members. In addition, a specific code is being considered for planning matters.

1. Underlying Principles

- 1.1 Members and officers are bound by their respective Codes of Conduct which seek to promote the highest ethical standards. This protocol supports those codes and is intended to promote mutual respect between members and officers with regard to their respective roles as set out below and in the Council's Constitution.
- 1.2 In order to ensure the business of the Council is transacted in an effective and efficient manner and with a view to ensuring that the Council is not brought into disrepute, the key guiding principles for members and officers have to be openness, honesty, fairness, transparency and treating everyone with respect.

2. The Role of Members

- 2.1 To promote the social, economic and environmental well being of the community.

- 2.2 Collectively be the ultimate policy makers and decision-makers and carry out a number of strategic and corporate functions.
- 2.3 Represent their communities and bring their views into the Council's decision-making process, i.e. become the advocate of and for their communities.
- 2.4 Deal with individual casework and act as an advocate for constituents in resolving particular concerns or grievances.
- 2.5 Balance different interests identified within the ward and represent the ward as a whole.
- 2.6 Be involved in decision making.
- 2.7 Be available to represent the Council on other bodies.
- 2.8 To promote the highest standards of conduct and ethics.
- 2.9 To act collectively as the employer of the staff.
- 2.10 To act in a specific capacity listed below where appointed so to do by the Council in accordance with the Constitution:
  - Chairman of the Council
  - Leader of the Cabinet
  - Member of the Cabinet
  - Portfolio holder (with or without delegated authority)
  - Chairman of a Scrutiny Committee
  - Member of a Scrutiny Committee
  - Chairman of a committee other than Scrutiny
  - Member of a committee other than Scrutiny
  - Representing the Council on outside bodies
- 2.11 Political Group meetings, whilst they form part of the preliminaries to Council decision-making, are not formal decision-making bodies of the Council and, as such, are not empowered, even under the new constitutional arrangements, to make decisions on behalf of the Council. Conclusions reached at such meetings do not, therefore, rank as Council decisions and it is essential that members and officers understand and interpret them accordingly;

### 3. The Role of Officers

- 3.1 To initiate and to implement the policies set and the decisions made by members.
- 3.2 To provide impartial professional and technical advice to members.
- 3.3 To carry out those functions delegated to officers.

- 3.4 To provide reasonable help, support and advice to all members.
- 3.5 To represent the Council on outside bodies.
- 3.6 To act in a specific capacity listed below where appointed so to do by the Council:

- **The Chief Executive as Head of Paid Service** (as defined by the Local Government and Housing Act 1989 section 4) has the following functions and duties:

to prepare proposals for the consideration of the Council as to the co-ordination of the discharge of the Council's functions; the number and grades of staff that are required to discharge those functions; the organisation of the Council's staff; and the appointment and proper management of the Council's staff.

- **The Assistant Director of Legal Services as Monitoring Officer** (as defined by the Local Government and Housing Act 1989 section 5) has the following functions and duties:

to prepare reports for the consideration of the Council where it appears that any proposal, decision or omission by the Council, a committee, sub-committee, or officer has given rise or is likely to give rise to a contravention of any statute or maladministration or injustice as mentioned in part III of the Local Government Act 1974.

- **The Strategic Director of Finance and Customer Services as Chief Finance Officer** (as defined by the Local Government Act 1972 section 151) has the following functions and duties:

to prepare reports for the consideration of the Council where it appears that any committee, sub-committee, or officer has or is about to make a decision which involves or would involve the Council incurring expenditure which is unlawful; or has taken or is about to take a course of action which, if pursued to its conclusion, would be unlawful and is likely to cause a loss or deficiency to the Council; or is about to enter an item of account, the entry of which would be unlawful.

#### 4. The Relationship Between Officers and Members

- 4.1 The relationship between officers and members should be characterised by mutual respect which is essential to good local government.
- 4.2 A distinction must be drawn between good working relationships and close personal familiarity between individual members and officers which can damage professional relationships and prove embarrassing to other members and officers. Situations should be avoided that could give rise to suspicion and any appearance of improper conduct. This includes excessive socialising between members and officers.

- 4.3 Whilst it is recognised that in some circumstances a close personal relationship will develop between Council members and staff, both the member and the member of staff must disclose that relationship to the Chief Executive. The member must also disclose that relationship to his or her group leader.
- 4.4 At all times the member and member of staff will ensure, as far as possible, there is no conflict of interest between them.
- 4.5 Any dealing between members and officers should be conducted with courtesy and respect and neither party should seek to take unfair advantage of their position. In particular, members should recognise and pay due regard to their role as an employer in their dealings with officers. Equally officers should understand that decisions of the Council are made by the Council as a whole and should not be attributed to individual members unless specific delegated powers exist.
- 4.6 The Council has statutory duties with regard to equalities issues to positively promote equality. Members and officers shall not by their behaviour or speech be discriminatory with regard to a person's gender, marital status, age, race, disability, religion or sexual orientation. Such principles shall apply to the implementation of all personnel policies, recruitment and promotion as they apply to day to day operations.
- 4.7 Members should not raise matters relating to the conduct or capability of a Council employee or of the employees collectively at meetings held in public or in the Press. Employees have no means of responding to criticism like this in public. (If members feel they have not been treated with proper respect, courtesy or have any concern about the conduct or capability of a Council employee they should raise the matter with the Director concerned if they fail to resolve it through direct discussion with the employee.)
- 4.8 Members should not require any officers to change their professional advice nor take any action which the officer considers unlawful or illegal or which would amount to maladministration or breach of a statutory code of conduct.
- 4.9 Members should consult with the Monitoring Officer and the Chief Finance Officer about legality, maladministration, financial impropriety and probity or where they have any doubt as to whether the particular decisions were or are likely to be contrary to the policy framework or budget.
- 4.10 In seeking advice and support members should have due regard to the seniority of the officer with whom they are dealing and the fact that, while those officers owe duties to the Council as their employer such duties are first expressed to their respective manager and the Chief Executive and not to any individual member. For this reason members should not give direct instructions to staff unless authorised so to do by the Constitution. If so authorised, instructions shall be given to the relevant chief officer rather than a more junior member of staff.

- 4.11 Members of the Cabinet, Scrutiny Committees and Regulatory Committees shall, at all times, respect the political impartiality of officers and must not expect or encourage officers (save for any political assistants to the political groups) to give a political view on any matter.
5. The Relationship Between the Overview and Scrutiny Committees and Officers (when Executive decisions are being scrutinised).
- 5.1 The Council's Overview and Scrutiny Committees shall seek the advice of the Monitoring Officer where they consider there is doubt about the legality of Executive decisions or the Monitoring Officer and other appropriate officers where they consider a decision of the Executive might be contrary to the policy framework.
- 5.2 When considering calling officers to give evidence the Committee shall not normally, without the consent of the relevant Chief Officer, request the attendance of a junior officer to ensure that more junior officers are not put under undue pressure.
- 5.3 When asking officers to give evidence before the Committee questions should be confined, so far as possible, to questions of fact and explanation and professional opinion relating to policies and decisions.
- 5.4 Where they consider it appropriate the Committee may ask officers to explain advice given to members (of the Executive) prior to decisions being taken and explain decisions they themselves have taken under the Scheme of Delegation.
- 5.5 The Committee shall not question officers in such a manner whereby the nature and frequency of the questions or tone or language used could be considered by a reasonable person to be harassment, discriminatory or otherwise unacceptable, nor deal with matters which are of a possible disciplinary/capability nature.
- 5.6 The Committee shall at all times respect the political impartiality of the officers and must not expect officers to give a political view.
6. Officer Relationships with Party Groups
- 6.1 It must be recognised by all officers and members that in discharging their duties officers serve the Council as a whole and not exclusively any political group, combination of groups, or any individual members.
- 6.2 Officers may properly be called upon to support and contribute to the deliberations of political groups but must at all times maintain political neutrality. All officers must, in their dealings with political groups and individual members, treat them in a fair and even handed manner.

- 6.3 The support provided by officers can take many forms, ranging from a briefing with the Leader of the Executive, the leaders of other political groups, or chairs of committees, to a presentation to a full party group meeting.
- 6.4 When attendance is requested for political group meetings:
  - 6.4.1 the request to attend a group meeting must be made through the Chief Executive;
  - 6.4.2. unless otherwise agreed by the Chief Executive, officers will not attend party group meetings which include persons who are not members of the Council or be present at purely party political discussions;
  - 6.4.3 such a request can only be made in relation to Council business;
  - 6.4.4 officers must respect the confidentiality of any party group discussions at which they are present.

## 7. Members in their Ward Role

- 7.1 When acting in their ward role members need to be mindful of their competing roles, i.e. acting for the Council and acting for constituents, and the possible conflicts of interest that can arise and the pressure this can bring on officer time.
- 7.2 Whenever a public meeting is organised by the Council to consider a local issue all the Members representing the ward or wards affected should be invited to attend the meeting.
- 7.3 Members may request officers to attend meetings or site visits or provide other assistance in their ward role. Such requests should be made to the relevant Strategic Director and not to individual officers.

## 8 Member Access to Documents and Information

- 8.1 Save as provided below every member of the Cabinet or of a committee, sub-committee of the Council has a right to inspect documents about the business of the Cabinet, that committee, or sub-committee.
- 8.2 A member who is not a member of a specific committee, sub-committee (or the Cabinet) may have access to any documents of that part of the Council if they satisfy the Council's Monitoring Officer that they reasonably need to see the documents to perform their duties (commonly known as the "need to know" principle).
- 8.3 A member is not entitled to inspect any document or have access to any information about a matter in which they have a prejudicial interest or where to do so would be in breach of any statutory provision.
- 8.4 The Local Government (Access to Information) Act 1985 (Section 100F of the

Local Government Act 1972 was introduced by that Act), gives further rights to elected members in addition to those at common law above. Section 100F makes it clear that any document which is in the possession or under the control of the Council and contains material relating to any business to be transacted at a meeting of the Council, or a committee or a sub-committee of the Council, will be open to inspection by any member of the Council unless it contains confidential or certain classes of exempt information.

9. Press Releases and Correspondence (including e-mails)

9.1 Press releases must operate within the limits of the Local Government Act 1986 which prohibits the Council from publishing material which appears to be designed to affect public support for a political party. During the election period special rules apply with regard to Local Authority publicity.

9.2 Council press releases are produced and distributed by the communications team, from information supplied by officers. Press releases will usually quote the Leader, or the Member with responsibility for the area covered by the press release. On occasions, officers are also quoted. Contact with the media should be channelled through the communications team.

9.3 All correspondence written on behalf of the Council must be written on the relevant headed paper.

9.4 When members are writing they must make it clear whether they are writing on behalf of the Council or as the ward member.

10. Sanctions for Breach

10.1 Complaints regarding any breach of this Protocol by a member should be made in the first instance to the Chief Executive or to the Monitoring Officer. If the complaint cannot be resolved it may be referred to the Council's Standards and Ethics Committee.

10.2 Complaints regarding any breach of this Protocol by an officer may be referred to the relevant Strategic Director or Director, the Chief Executive or the Monitoring Officer, and may lead to disciplinary action. Complaints should be made in the first instance to the officer's Director.

9. **Elections to Forego Allowance**

A Councillor or a co-opted Member may by notice, in writing given to the Assistant Chief Executive, elect to forego any part of his or her entitlement to an allowance under this scheme.

10. **Part-year entitlements**

(1) Where the term of office of a Councillor begins or ends otherwise than at the beginning or end of a year, his or her entitlement shall be to payment of such part of the basic allowance as bears to the whole the same proportion as the number of days during which his or her term of office as Member subsists, bears to the number of days in that year.

(2) Where a Councillor has for only part of the year, such special responsibilities as entitle him or her to a special responsibility allowance, his or her entitlement shall be to payment of such part of the special responsibility allowance as bears to the whole, the same proportion as the number of days during which he or she has such responsibilities, bears to the number of days in that year.

(3) If during the course of a year, the scheme is amended so as to change the amounts to which a Councillor or Coopted member is entitled by way of basic allowance, special responsibility allowance or cooptees allowance, then the original and revised allowances shall respectively be paid pro-rata, up to and from the dates on which the amendment takes effect. (2) However, where a payment of one-twelfth of the amount specified as above would result in the Councillor or Coopted Member receiving more than the amount to which he or she is entitled because of the part year entitlement provisions contained within the scheme, the payment shall be restricted to such amount as will ensure that no more is paid than the amount to which he or she is entitled.

(3) Claims for Dependants Carers' Allowance and travelling and subsistence allowance must be submitted to the Head of Democratic Services, not later than three months from the date on which entitlement to any such allowances arises.

## **INTRODUCTION**

This part of the Constitution sets out who is responsible for the various functions of the Council.

Functions are categorised as:

### **1. Local Choice Functions**

There are some functions that the authority may treat as the responsibility of the Executive (the Cabinet) (in part or whole) or as Council (non-executive functions, as its discretion. Section 1 details these functions and who is authorised to discharge them.

### **2. Council (non-executive) Functions**

These are functions which, under the law, cannot be the responsibility of the Executive. In some cases, such as adopting the Council's budget or the Policy Framework, only Council may discharge the function. In other cases, the Council may delegate the responsibility for discharging a function to a committee or an officer.

### **3. Executive Functions**

All other functions are executive functions. Decisions on these will be taken by the Executive, unless they are dealt with under joint arrangements or delegated to a committee of the Executive, the Health and Wellbeing Board or an officer. Section 3 details how these functions are delegated.

## **SECTION 2: RESPONSIBILITY FOR LOCAL CHOICE FUNCTIONS**

## **Sub-Scheme of Delegation Chief Executive**

The Chief Executive is authorised in accordance with the Officer Delegation Scheme in [Appendix 9 of the Constitution](#) to carry out functions on behalf of the Council and the Executive. The Chief Executive and each Strategic Director has the benefit of a number of delegations – these are set out separately in two schemes in Appendix 9; one for non-executive functions (delegated by the Council) and one for Executive Functions (delegated by the Leader of Council). Each scheme is further separated into the general functions which are shared so that officers can carry out those functions in relation to areas within their remit, and specific functions which may only be carried out by or on behalf of the Chief Executive or named Strategic Director. Details of those delegations can be found in Appendix 9 of the Council's Constitution.

The Chief Executive has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the Chief Executive delegates functions, he/she makes it clear in this sub-delegation scheme whether the Strategic Director can sub-delegate those functions. This scheme details the officers who can carry out each function on the Chief Executive's behalf, together with the details of any terms and conditions which the Chief Executive has imposed on that sub-delegation. All officers are bound by the Employee Code of Conduct (which can be found in [Appendix 7 of the Constitution](#)) and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme.

Even though the Chief Executive has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme. An officer with sub-delegated authority may decide not to exercise that authority, or the Chief Executive may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Chief Executive for a decision or for referral to the relevant Committee if appropriate.

Where the Chief Executive has chosen not to sub-delegate his/her authority, this is clearly stated within the scheme. Decisions in relation to those functions should be taken by the Chief Executive unless the absence provisions at the end of this scheme apply.

## Group Delegations – Definitions and Priorities

The Chief Executive has chosen to delegate a number of functions to groups of officers. Where the same group of officers receive a number of separate delegations, in order to save space within the sub-delegation scheme, those groups of officers have been given a title. The following table sets out the title of each group of officers and lists the officers within each group. It also provides details of how it should be determined which of the officers within the group should take any given decision.

Group Title	Officers included in group authorisation	Order of responsibility
Strategic Leadership Team	Strategic Director of Adult Care, Housing and Public Health Strategic Director of Children and Young People’s Services Strategic Director of Finance and Customer Services Strategic Director of Regeneration and Environment Assistant Chief Executive Assistant Director of Human Resources and Organisational Development Assistant Director of Legal Services Head of Communications and Marketing	
Strategic Directors	Strategic Director of Adult Care, Housing and Public Health Strategic Director of Children and Young People’s Services Strategic Director of Finance and Customer Services Strategic Director of Regeneration and Environment Assistant Chief Executive	

## Delegation of Functions under the Articles of the Constitution

### Specific Delegation

The officer to whom these functions are sub-delegated may exercise these functions, which have been delegated to the Chief Executive alone, with general effect.

Article	Function Delegated	Officer to whom delegated	Terms and conditions
14.2	The Chief Executive may report to the full Council as necessary on the manner in which the discharge of the Council's functions is co-ordinated, the number and grade of officers required for the discharge of those functions and the organisation of officers	Not delegated	
19.2	The Chief Executive will give a printed copy of the Constitution to each member of the Council upon delivery to him or her of that person's declaration of acceptance of office on the member first being elected to the Council.	Head of Democratic Services	

### **Council (Non-Executive Functions)**

The functions set out in this part of the sub-delegation scheme are Council Functions as defined by the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) which have been delegated to the Chief Executive by Council, or by a Council Committee.

Decisions in relation to these functions should be categorised in accordance with Article 13 and taken in accordance with the Access to Information Procedure Rules which can be found in Appendix 5 of the Constitution.

Where a significant decision is taken using delegated powers from the Constitution, the Council or a committee, or this sub-scheme of delegation, in relation to a Council Function it should be supported by a report to the decision maker on the corporate report template and recorded on a Delegated Decision Record. The decision may be implemented immediately. The report supporting the decision should be published together with the Delegated Decision Record on the Council's website as soon as practicable after the decision has been taken.

Where an Administrative Decision is taken in relation to a Council Function you should keep a written record for audit purposes. You can use a Delegated Decision Record to make this written record if it is helpful to do so. The decision may be implemented immediately.

### **Emergency delegation for the discharge of non-executive functions**

The Chief Executive may take decisions on non-executive functions in the event of an emergency that prevents the Council or its committees, boards or panels from discharging those functions.

The Chief Executive must discharge non-executive decision-making functions in consultation with the Mayor in respect of Council matters or the Chair and Vice-Chair of any relevant committee, board and panel.

Any decision must record why the decision is urgent and can't await the next scheduled ordinary meeting of a committee and must record why it has been deemed impossible to convene an extra ordinary meeting of that committee.

Any decisions taken by the Chief Executive under emergency delegation must be reported to all Members by the Head of Democratic Services and retrospectively recorded at Cabinet or other appropriate Committee.

### Introduction

The functions set out in this part of the sub-delegation scheme are Executive Functions as defined by the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) which have been delegated to the Chief Executive by the Leader of Council.

If the Leader or relevant Cabinet Member directs that the Chief Executive should not exercise his/her delegated authority in respect of any Executive function, then the officer with sub-delegated authority may not exercise that authority, and the matter must be referred to Cabinet.

Decisions in relation to these functions should be categorised in accordance with Article 13 and taken in accordance with the Executive Procedure Rules which can be found in Appendix 4 of the Constitution.

Where a decision is proposed in relation to an Executive Function it should be supported by a report to the decision maker on the corporate report template and recorded on a Delegated Decision Record. Once the decision has been taken, it may be implemented immediately.

Where an Administrative Decision is taken in relation to an Executive Function you should keep a written record for audit purposes. You can use a Delegated Decision Record to make this written record if it is helpful to do so. There is no requirement to publish the decision and it may be implemented immediately.

The Assistant Chief Executive is authorised in accordance with the Officer Delegation Scheme in [Appendix 9 of the Constitution](#) to carry out functions on behalf of the Council and the Executive. The Assistant Chief Executive and each Strategic Director has the benefit of a number of delegations – these are set out separately in two schemes in Appendix 9; one for non-executive functions (delegated by the Council) and one for Executive Functions (delegated by the Leader of Council). Each scheme is further separated into the general functions which are shared so that officers can carry out those functions in relation to areas within their remit, and specific functions which may only be carried out by or on behalf of the Assistant Chief Executive. Details of those delegations can be found in Appendix 9 of the Council's Constitution.

The Assistant Chief Executive has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the Assistant Chief Executive delegates functions, he/she makes it clear in this sub-delegation scheme whether the Strategic Director can sub-delegate those functions. This scheme details the officers who can carry out each function on the Assistant Chief Executive's behalf, together with the details of any terms and conditions which the Assistant Chief Executive has imposed on that sub-delegation. All officers are bound by the Officer Employment Procedure Rules and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme.

Even though the Assistant Chief Executive has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme. An officer with sub-delegated authority may decide not to exercise that authority, or the Assistant Chief Executive may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Assistant Chief Executive for a decision or for referral to the relevant Committee if appropriate.

Where the Assistant Chief Executive has chosen not to sub-delegate his/her authority, this is clearly stated within the scheme. Decisions in relation to those functions should be taken by the Assistant Chief Executive unless the absence provisions at the end of this scheme apply.

## Group Delegations – Definitions and Priorities

The Assistant Chief Executive has chosen to delegate a number of functions to groups of officers. Where the same group of officers receive a number of separate delegations, in order to save space within the sub-delegation scheme, those groups of officers have been given a title. The following table sets out the title of each group of officers and lists the officers within each group. It also provides details of how it should be determined which of the officers within the group should take any given decision.

## **Executive Functions**

### Introduction

The functions set out in this part of the sub-delegation scheme are Executive Functions as defined by the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) which have been delegated to the Assistant Chief Executive by the Leader of Council.

If the Leader or relevant Cabinet Member directs that the Assistant Chief Executive should not exercise his/her delegated authority in respect of any Executive function, then the officer with sub-delegated authority may not exercise that authority, and the matter must be referred to Cabinet.

Decisions in relation to these functions should be categorised in accordance with Article 13 and taken in accordance with the Executive Procedure Rules which can be found in Appendix 1 of the Constitution.

Where a decision is proposed in relation to an Executive Function it should be supported by a report to the decision maker on the corporate report template and recorded on a Delegated Decision Record. Once the decision has been taken, it may be implemented immediately.

Where an Administrative Decision is taken in relation to an Executive Function you should keep a written record for audit purposes. You can use a Delegated Decision Record to make this written record if it is helpful to do so. There is no requirement to publish the decision and it may be implemented immediately.

## **Sub-Scheme of Delegation Strategic Director of Adult Care, Housing and Public Health**

The Strategic Director of Adult Care, Housing and Public Health is authorised in accordance with the Officer Delegation Scheme to carry out functions on behalf of Council and the Executive. Each Strategic Director has the benefit of a number of delegations – these are set out separately in two schemes; one for Council functions (delegated by Council) and one for Executive Functions (delegated by the Leader of Council). Each scheme is further separated into the general functions which are shared so that all Directors can carry out those functions in relation to areas within their remit, and specific functions which may only be carried out by or on behalf of the named Director. Details of those delegations can be found in [Appendix 9 of the Constitution](#).

The Strategic Director has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the Strategic Director delegates functions to a fellow Strategic Director he/she makes it clear in this sub-delegation scheme whether that Strategic Director can sub-delegate those functions.

This scheme details the officers who can carry out each function on the Strategic Director's behalf, together with the details of any terms and conditions which the Strategic Director has imposed on that sub-delegation. All officers are bound by the Officer Employment Procedure Rules and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme.

Even though the Strategic Director has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme. An officer with sub-delegated authority may decide not to exercise that authority, or the Strategic Director may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Strategic Director for a decision or for referral to the relevant Committee if appropriate.

In some circumstances not all Strategic Directors have functions delegated to him/her in the delegation scheme. In these cases the relevant part of this sub-delegation scheme is marked as 'not applicable'. Where the Strategic Director has chosen not to sub-delegate his/her authority, this is clearly stated within the scheme. Decisions in relation to those functions should be taken by the Strategic Director unless the absence provisions at the end of this scheme apply

## Group Delegations – Definitions and Priorities

The Strategic Director has chosen to delegate a number of functions to groups of officers. Where the same group of officers receive a number of separate delegations, in order to save space within the sub-delegation scheme, those groups of officers have been given a title. The following table sets out the title of each group of officers and lists the officers within each group.

## **Sub-Scheme of Delegation Strategic Director of Children and Young People's Services**

The Strategic Director of Children and Young People's Services is authorised in accordance with the Officer Delegation Scheme to carry out functions on behalf of Council and the Executive. Each Strategic Director has the benefit of a number of delegations – these are set out separately in two schemes; one for Council functions (delegated by Council) and one for Executive Functions (delegated by the Leader of Council). Each scheme is further separated into the general functions which are shared so that all Directors can carry out those functions in relation to areas within their remit, and specific functions which may only be carried out by or on behalf of the named Director. Details of those delegations can be found in [Appendix 9 of the Constitution](#).

The Strategic Director has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the Strategic Director delegates functions to a fellow Strategic Director he/she makes it clear in this sub-delegation scheme whether that Strategic Director can sub-delegate those functions.

This scheme details the officers who can carry out each function on the Strategic Director's behalf, together with the details of any terms and conditions which the Strategic Director has imposed on that sub-delegation. All officers are bound by the Officer Employment Procedure Rules and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme.

Even though the Strategic Director has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme. An officer with sub-delegated authority may decide not to exercise that authority, or the Strategic Director may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Strategic Director for a decision or for referral to the relevant Committee if appropriate.

In some circumstances not all Strategic Directors have functions delegated to him/her in the delegation scheme. In these cases the relevant part of this sub-delegation scheme is marked as 'not applicable'. Where the Strategic Director has chosen not to sub-delegate his/her authority, this is clearly stated within the scheme. Decisions in relation to those functions should be taken by the Strategic Director unless the absence provisions at the end of this scheme apply

## Group Delegations – Definitions and Priorities

The Strategic Director has chosen to delegate a number of functions to groups of officers. Where the same group of officers receive a number of separate delegations, in order to save space within the sub-delegation scheme, those groups of officers have been given a title. The following table sets out the title of each group of officers and lists the officers within each group.

Group Title	Officers included in group authorisation	Responsibility

## **Sub-Scheme of Delegation Strategic Director of Finance and Customer Services**

The Strategic Director of Finance and Customer Services is authorised in accordance with the Officer Delegation Scheme to carry out functions on behalf of Council and the Executive. Each Strategic Director has the benefit of a number of delegations – these are set out separately in two schemes; one for Council functions (delegated by Council) and one for Executive Functions (delegated by the Leader of Council). Each scheme is further separated into the general functions which are shared so that all Directors can carry out those functions in relation to areas within their remit, and specific functions which may only be carried out by or on behalf of the named Director. Details of those delegations can be found in [Appendix 9 of the Constitution](#).

The Strategic Director has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the Strategic Director delegates functions to a fellow Strategic Director he/she makes it clear in this sub-delegation scheme whether that Strategic Director can sub-delegate those functions.

This scheme details the officers who can carry out each function on the Strategic Director's behalf, together with the details of any terms and conditions which the Strategic Director has imposed on that sub-delegation. All officers are bound by the Officer Employment Procedure Rules and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme.

Even though the Strategic Director has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme. An officer with sub-delegated authority may decide not to exercise that authority, or the Strategic Director may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Strategic Director for a decision or for referral to the relevant Committee if appropriate.

In some circumstances not all Strategic Directors have functions delegated to him/her in the delegation scheme. In these cases the relevant part of this sub-delegation scheme is marked as 'not applicable'. Where the Strategic Director has chosen not to sub-delegate his/her authority, this is clearly stated within the scheme. Decisions in relation to those functions should be taken by the Strategic Director unless the absence provisions at the end of this scheme apply

## Group Delegations – Definitions and Priorities

The Strategic Director has chosen to delegate a number of functions to groups of officers. Where the same group of officers receive a number of separate delegations, in order to save space within the sub-delegation scheme, those groups of officers have been given a title. The following table sets out the title of each group of officers and lists the officers within each group.

## **Sub Scheme of Delegation Strategic Director of Regeneration of Environment**

The Strategic Director of Regeneration and Environment is authorised in accordance with the Officer Delegation Scheme to carry out functions on behalf of Council and the Executive. Each Strategic Director has the benefit of a number of delegations – these are set out separately in two schemes; one for Council functions (delegated by Council) and one for Executive Functions (delegated by the Leader of the Council). Each scheme is further separated into the general functions which are shared so that all Directors can carry out those functions in relation to areas within their remit, and specific functions which may only be carried out by or on behalf of the named Director. Details of those delegations can be found in Appendix 9 of the Constitution – Scheme of Delegation.

The Strategic Director has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the Strategic Director delegates functions to a fellow Strategic Director he/she makes it clear in this sub-delegation scheme whether that Strategic Director can sub-delegate those functions.

This scheme details the officers who can carry out each function on the Strategic Director's behalf, together with the details of any terms and conditions which the Strategic Director has imposed on that sub-delegation (examples can be found in footnote below). All officers are bound by the Employee Code of Conduct and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme. Some functions may be sub-delegated to officers working for a third party, for example where that third party is carrying out specific enforcement functions. In such instances a clear written record will be maintained and suitable controls established by the Assistant Director responsible for the specific delegation.

Even though the Strategic Director has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme. An officer with sub-delegated authority may decide not to exercise that authority, or the Strategic Director may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Strategic Director for a decision or for referral to the relevant Committee if appropriate.

In some circumstances not all Strategic Directors have functions delegated to him/her in the delegation scheme. In these cases, the relevant part of this sub-delegation scheme is marked as 'not applicable'. Where the Strategic Director has chosen not to sub-delegate his/her authority, this is clearly stated within the scheme. Decisions in relation to those functions should be taken by the Strategic Director unless the absence provisions at the end of this scheme apply.

## Group Delegations – Definitions and Priorities

The Strategic Director has chosen to delegate a number of functions to groups of officers. Where the same group of officers receive a number of separate delegations, in order to save space within the sub-delegation scheme, those groups of officers have been given a title. The following table sets out the title of each group of officers and lists the officers within each group. It also provides details of how it should be determined which of the officers within the group should take any given decision.

## **Decision Making Procedure**

In accordance with the process agreed by SLT, the directorate will submit items to Democratic Services for inclusion on the Forward Plan of Recorded Officer Decisions, which is published on a monthly basis. Given the wide variety of functions and decisions that this will encompass within the directorate, it is proposed that generic titles be used to ensure that Members have an awareness of likely decisions through the Forward Plan of Recorded Officer Decisions.

Decision makers within the directorate will consult the relevant Cabinet Member and Ward Members (where applicable) on the options and recommended course of action prior to taking a decision. Such reports will be prepared in accordance with the protocol for the preparation and sign-off of Cabinet reports. Where a Cabinet Member has disagreed with the proposed course of action in respect of an executive function, the decision maker should refer the report to Cabinet for determination.

Where a decision is taken, it will be accompanied by a report which will be approved in accordance with this sub-scheme of delegation. Once signed off by the decision maker, the report should be forwarded to Democratic Services. Democratic Services will prepare a decision record in respect of the matter, which will be reviewed by the Chief Executive, Monitoring Officer and Section 151 Officer prior to publication. Where the statutory officers raise concerns in respect of the proposed decision, the report should be referred back for review by the decision maker.

Democratic Services will notify the decision maker and Cabinet Member when the decision has been published online.
