# WELCOME TO TODAY'S MEETING

## GUIDANCE FOR THE PUBLIC

---

The Council is composed of 60 Councillors, who are democratically accountable to the residents of their ward.

The Council Meeting is chaired by the Mayor, who will ensure that its business can be carried out efficiently and with regard to respecting the rights and responsibilities of Councillors and the interests of the community. The Mayor is the Borough's first citizen and is treated with respect by the whole Council, as should visitors and member of the public.

All Councillors meet together as the Council. Here Councillors decide the Council's overall policies and set the budget each year. The Council appoints its Leader, Mayor and Deputy Mayor and at its Annual Meeting will appoint Councillors to serve on its committees.

Copies of the agenda and reports are available on the Council's website at [www.rotherham.gov.uk](http://www.rotherham.gov.uk).

Members of the public have the right to ask questions or submit petitions to Council meetings. A member of the public may ask one general question in person which must be received in writing to the Chief Executive by 10.00 a.m. on the Friday preceding a Council meeting on the following Wednesday and must not exceed sixty words in length. Questions can be emailed to [governance@rotherham.gov.uk](mailto:governance@rotherham.gov.uk)

Council meetings are webcast and streamed live or subsequent broadcast via the Council's website. At the start of the meeting the Mayor will confirm if the meeting is being filmed. You would need to confirm your wish not to be filmed to Democratic Services. Recording of the meeting by members of the public is also allowed.

Council meetings are presently being held virtually and will be live streamed for the public to view, but occasionally the Council may have to discuss an item in private. If this occurs, the streaming of the meeting will cease, but the minutes will record any decisions taken.

## **16. NOTICE OF MOTION - SMART MOTORWAYS**

This Council notes:

- That sections of the M1 that run close and through our borough have been converted to 'Smart Motorways' that remove a permanent hard shoulder on the motorway.
- In 2013, this council told the government "that the risk of collisions involving stationary vehicles during non-peak times is an unacceptable risk and one which will have serious and potentially fatal consequences".
- On this 16-mile stretch of the M1 there have been five fatalities in 10 months.
- The AA, the RAC, the Police Federation, our local MP Sarah Champion, have also expressed serious concerns over the safety of this scheme.

This Council believes:

- That all-lane running is fundamentally flawed, with large distances between emergency refuges and an inability to identify vehicles stranded in the traffic quickly enough.
- That any benefits from increased capacity is outweighed by these serious safety concerns.

This Council resolves:

- To reiterate the Council's opposition to all-lane running using the hard shoulder as a permanent live traffic lane.
- To offer our support to the campaigns of families affected to get all-lane running reverted.

Proposer: Councillor Hoddinott

Seconder: Councillor Taylor

## **17. NOTICE OF MOTION - FLOOD DEFENCES**

This Council notes:

- The flooding of November 2019 had a big effect on local residents and businesses across Rotherham including Dinnington, Kilnhurst, Whiston, Parkgate, Wath and the town centre.
- 135 homes flooded with 49 households still out of their homes at the start of the year.
- Over 300 businesses were affected
- Kilnhurst school flooded and was closed until Easter.
- Rotherham train station, the tram-train and buses were all affected for many days
- Community and recreational facilities were also affected.

This Council believes :

- That more can be done to assist our residents and businesses by ensuring that the works needed to prevent future flooding are funded to allow their preparation and construction in the coming years.

This Council resolves :

- To let the government know that this council believes that the £51 million of funding should be committed now, so flood defence works can start.

Proposer: Councillor Sheppard      Second: Councillor Sansome

#### **18. NOTICE OF MOTION - OPENING OF SCHOOLS DURING COVID-19 PANDEMIC**

This Council places on record its support and thanks to all the essential workers in our community: the NHS, the voluntary and retail sectors, drivers and care workers during this difficult and challenging time of the Coronavirus pandemic. We wish to express our sincere condolences to the people of our borough who have lost loved ones during this period.

The Government is placing pressure on schools to reopen. However, we note the position of the British Medical Association in its support for the National Education Union's five tests before extending the opening of schools.

This Council calls on the Government not to reopen schools until it can give full assurances that children are safe and staff will be protected and supplied with personal protective equipment. We urge the Government to work collaboratively with trade unions in the education sector to create clear conditions based on the tests the unions have helpfully set out, so that every school can implement them to ensure a safe return.

This Council will support any school establishment that refuses to open until all relevant safety measures are in place.

Proposer: Councillor Steele      Second: Councillor Cooksey

#### **19. NOTICE OF MOTION - ROTHERHAM FIRE STATION**

This Council notes:

- That the Labour controlled South Yorkshire Fire and Rescue Authority continues to refuse to reinstate the second pump in Rotherham, despite the overwhelming will of Members of the Council and the public in Rotherham.

This Council believes:

- That the Overview and Scrutiny Management Board's recommendation to South Yorkshire Fire and Rescue Authority in March 2018 should be reiterated in order for the Labour controlled authority to reinstate the second pump at Rotherham Fire Station to ensure that there is equality and consistency of cover with Sheffield and Doncaster

This Council resolves:

- That a formal request be made to the South Yorkshire Fire and Rescue Authority to reinstate the second pump in Rotherham
- That the South Yorkshire Fire and Rescue Authority be recommended to recruit and train sufficient personnel, as a matter of urgency, to fill all vacant posts in Rotherham and across South Yorkshire

Proposer: Councillor R. Elliott

Seconder: Councillor M. Elliott

## **20. NOTICE OF MOTION - BLACK LIVES MATTER**

There are moments in time when we are compelled to stand back and reflect. The killing of George Floyd under the knee of police officers in America is one of those times. We cannot, indeed we must not fail to share our horror and sadness that in 2020 people are still persecuted, murdered and disadvantaged purely because of the colour of their skin. We cannot ignore that this is happening in the UK.

- Between April 2018 and March 2019, there were 4 stop and searches for every 1,000 white people, compared with 38 for every 1,000 black people
- Black women were more than twice as likely to be arrested as white women – there were 7 arrests for every 1,000 black women, and 3 arrests for every 1,000 white women
- In the year to March 2019, black people were more than 4 times as likely as white people to be detained under the Mental Health Act – 306.8 detentions per 100,000 people, compared with 72.9 per 100,000 people
- 4% of white people were unemployed in 2018, compared with 7% of people from all other ethnic groups combined, and 9% for black people
- In 2018, the unemployment rate for the Asian and the combined Pakistani and Bangladeshi ethnic groups was higher for women (8% and 13%) than for men (5% and 6%)
- In every socio-economic group and age group, White British households were more likely to own their own homes than all ethnic minority households combined

This Council notes the disadvantage faced by black minority ethnic people and the systemic racism that exists across all structures of society, including within national and local government and the police.

This Council commits to making Rotherham an anti-racist town and will:

- Stand in solidarity with our black and minority ethnic communities, in Rotherham and around the world
- Work with local communities, listen to them, so we can better understand the racism they experience and the challenges that they face, including in areas such as local policing and the increased risks from Covid-19
- Strengthen our anti-racism approach and ensure all staff participate in activity/training that supports them to address prejudice and bias, including where necessary their own

- Report annually on how council services are responding to the different needs of people with protected equalities characteristics, setting out an annual plan to meet the needs of people from different backgrounds, addressing inequalities, and ensuring that the council is meeting its obligations.

Proposer: Councillor Albiston

Seconder: Councillor Read
