**Agreed:-** That the minutes of the previous meeting held on 25<sup>th</sup> June, 2020, be approved as a correct record with the inclusion:-

Apologies for absence from Ms. M. Jordan and Mrs. J. Unwin Mr. D. Fenton and Mr. C. Stones in the list of those being present.

**45. MATTERS ARISING FROM PREVIOUS MINUTES**

There were no matters arising.

**46. MEMBERSHIP OF THE LOCAL ADMISSIONS FORUM - REVIEW**

Details of the current membership of the Rotherham Local Admissions Forum were discussed.

It was noted that Mrs. Scutt represented Aston Academy in the place of Mrs. E. Newton resulting in a vacancy under the Academies heading.

Information regarding the current vacancies would be circulated to schools in an attempt to seek further representation.

**Agreed:-** (1) That the information regarding membership be circulated.

(2) That an information be sent to schools highlighting the vacancies on the Forum and seeking representation under the various headings.

#### 47. **TERMS, CONDITIONS AND CONSTITUTION 2020/21 - REVIEW**

Consideration was given to the submitted document which set out the Terms of Reference for Rotherham Local Admissions Forum.

**Agreed:-** That the document be received and accepted as the Local Admissions Forum's Terms of Reference for the 2020/21 academic year.

#### 48. **SCHOOL ADMISSIONS CONSULTATION FOR ENTRY IN THE 2022/2023 ACADEMIC YEAR**

Consideration was given to the consultation document sent to all schools regarding the proposed admission arrangements (i.e. criteria and admission number) which would apply for school admission in the 2022/2023 academic year. Amendments made had been highlighted in red text for ease of reference e.g. summer born children and the National Offer Day for Primary Schools (19<sup>th</sup> April due to the Bank Holiday)

The timetable for the year was:-

Autumn Term 2020	Governing bodies consider the arrangements which will apply
By 20th November, 2020	All relevant details to be forwarded to the local authority
7 <sup>th</sup> December 2019 – 22nd January, 2021	Period of consultation via the Local Authority's website
By mid-February	Local Authority and the Local Admission Forum consider any changes and forward any comments to appropriate Admission Authority(ies)
By 19th February, 2021	All admission authorities to determine their arrangements and notify those consulted

The report made reference to the admission criteria and numbers for both community and controlled schools and for voluntary aided schools, academies and trust schools.

Consultation was currently taking place on admission numbers with a report being submitted to the next meeting of the Forum.

It was noted that the children first agreed under the summer born protocol would shortly start to reach the end of Key Stage 2. Schools/Academies would need to consider whether they were in agreement with a child transitioning to Year 7 with their “adopted” cohort rather than their chronological age group and a parent would likely need to request this approval a year in advance in order to know when they needed to apply for a Year 7 place as part of the normal admissions process.

As it stood at the moment, a parent would have to re-apply for delayed education to secondary school at the point where the child entered Year 6.

The DfE issued Summer Born Guidance in September and committed to the passing of the Legislation.

Included within the report were also details of each school and academy’s proposed admission number for 2022/2023 (Appendix two of the report submitted).

It was also reported that during the lockdown, the DfE had started local authority consultation on the School Admission Code looking at timescales for admissions, timescales for processing requests for Fair Access and as well as children who had been in State Care outside England. The outcome of the consultation would be fed back to the Forum.

**Agreed:-** (1) That the report be noted.

(2) That the finalised document be submitted to the February meeting for approval.

#### **49. UPDATE ON SCHOOL ORGANISATION, ADMISSIONS, APPEALS AND PRIMARY & SECONDARY FAIR ACCESS PROTOCOL**

An update was provided by relevant officers of the Access to Education Team relating to school organisation, admissions, appeals and primary and secondary Fair Access Protocol.

In relation to school organisation:-

- Waverley Junior Academy had opened at the start of the 2020/2021 academic year albeit by the use of marquees for the first 4 weeks of term. At the end of September all pupils, approximately 250, had transitioned into the new school building. It was built as a 2 form entry school thereby providing capacity as the housing estate surrounding it grew. Due to the pandemic an official opening had not taken place as yet

- Aston Academy's 2 year expansion build was underway which included the demolition of some temporary buildings and replaced with permanent buildings providing extra capacity

In terms of admissions:-

- 2021/2022 Year 6-7 Transitions - the next couple of weeks would see the final push to get applications in with the 4<sup>th</sup> reminder having been sent to schools on 27<sup>th</sup> October when there had been 656 outstanding; as of 18<sup>th</sup> November it stood at 157
- The online application process had now ended and was open for telephone applications due to the postal situation
- Primary-Year 2 Transition – the closing date was not until 15<sup>th</sup> January, 2021 but the first reminder to school would be sent shortly

In terms of Fair Access:-

- At the point of lockdown, the Monitoring and Placement Officer had referred all the cases that were outstanding at that time to Children Missing Education Officer along with other colleagues to carry out safe and well checks
- The Fair Access Panel had resumed meeting, remotely, when the schools opened back up in September
- There had been issues raised about "bubbles" if a child was accessing a PRU as well as a school but these had now been resolved

In terms of appeals:-

- The hearing of appeals had recommenced on 18<sup>th</sup> June in accordance with the new Covid Regulations with more than 200 appeals having been heard since
- The DfE had confirmed on 18<sup>th</sup> November that it was planned to extend the Regulations up to 30<sup>th</sup> September, 2021 subject to Parliamentary approval

**Agreed:-** (1) That the information be received and duly noted.

(2) That a visit be arranged to Waverley Academy when it was safe to do so.

(3) That the appreciation of all those concerned for the hard work that had gone into the facilitating the appeals be recorded as well as those of the Appeal Panel members.

## 50. **ACADEMIES UPDATE - OCTOBER 2020**

Further to Minute No. 40 of the previous meeting, consideration was given to the updated list of Rotherham schools which had converted/about to convert to academies as at October, 2020.

**Agreed:-** That the update be noted.

**51. TERM DATES CONSULTATION FOR 2022/23**

The Forum noted that the consultation for term dates for 2022/23 would commence in January, 2021 and details had been shared with neighbouring authorities.

An update following the consultation would be provided at the next meeting in February, 2021.

In previous years Rotherham had been out of step with neighbouring authorities with the fixed Easter model, however, Easter in 2023 fell within the first 2 weeks of April so would be in line.

One of the neighbouring authorities had previously reduced their summer holiday by a week and having 2 weeks holiday at October half term, if this was to be continued this would be the main variation across South Yorkshire for 2022/23.

Discussion ensued on the 2020/2021 examinations and whether the results dates had been amended. At present work was taking place on the presumption the results would be announced as normal even if the examinations were pushed back 3 weeks but until the Secretary of State for Education made a formal announcement it was unknown.

**Agreed:-** That the information be noted and the update be received in due course.

**52. DATE OF NEXT MEETING**

**Agreed:-** That a further meeting be held on Thursday, 18<sup>th</sup> February, 2021, commencing at 10.00 a.m.

**ROTHERHAM METROPOLITAN BOROUGH COUNCIL -  
LOCAL ADMISSION FORUM – FEBRUARY 2021**

**CONSULTATION OUTCOME ON ADMISSION ARRANGEMENTS FOR THE ADMISSION YEAR 2022/23.**

**i) Admission Numbers and Admissions Criteria**

This item gives governors the opportunity to consider the admission arrangements (criteria and admission number), which will apply for admission in 2022/23. The Local Admission Forum has previously considered the requirements for consultation and has agreed that the LA should facilitate this, as far as possible, by use of the Authority's Internet site.

The timetable for the year is:-

Autumn Term 2020	Governing bodies consider the arrangements which will apply.
By 20th November 2020	All relevant details to be forwarded to the LA.
7 <sup>th</sup> December – 22 <sup>nd</sup> January 2020	Period of consultation via the LA's website.
By mid February	LA and the Local Admission Forum consider any changes and forward any comments to appropriate Admission Authority (ies).
By 19 <sup>th</sup> February 2021	All admission authorities to determine their arrangements and notify those consulted.

**Community and Controlled Schools**

For these schools, the LA is the admission authority. The admissions criteria for 2021/22 are shown at Appendix 1.

**There are no proposed changes to the admission criteria for 2022/23.**

Each school's proposed admission number is shown at Appendix 2.

**Voluntary Aided Schools/Academies/Trust Schools**

The governing body is the admission authority. Full consultation is required. If there are any proposed changes at Church of England schools, Governing Bodies should consult their Diocesan Board before consulting anyone else.

**Pro-forma to be completed and returned as for community and controlled schools.**

## Further General Points

All infant, J&I and Primary schools need to continue to be mindful of the need to maintain classes from FS2 to Y2 at 30 or less, with the exception of excepted pupils as stipulated under the Admissions Code of Practice. If you require any further information or would wish to discuss any matters relating to admission numbers/criteria/net capacity, please contact Chris Stones on 01709 254831.

### **ii) Admission of children outside their normal age group and Summer Born Children**

In accordance with the School Admissions Code 2014, parents may, **in exceptional circumstances**, seek a place for their child outside of their normal age group, for example if the child has experienced problems such as ill health.

In addition, the parents of a summer born child may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group.

**Before** deciding to apply parents should first contact the school(s) they are interested in applying for to discuss their reasons and/or any concerns. There is no statutory barrier to children being admitted outside their normal age group, but parents do not have the right to insist that their child is admitted to a particular age group.

If, having spoken to the Head Teacher(s) of the preferred school(s), the parent decides to proceed with their request, they should submit this in writing to the Admissions Team, with full supporting reasons. **This must be submitted, along with their application form stating the preferred school(s), by the closing date for receipt of applications for the normal year of admission.**

Upon receipt of the written request the Authority will seek and take into account the views of the Head Teacher(s) of the preferred school(s). Parents are advised that one or more of the preferred schools may not be in agreement with the request as one admission authority cannot be required to honour a decision made by another admissions authority. Therefore, they may need to decide whether the preference for a particular school outweighs the wish to defer their child's admission until the following year.

Admission Authorities will make a decision based on the circumstances of each case and in the best interests of the child, taking into account the views of the Head Teacher, including the Head Teacher's responsibility for the internal organisation, management and control of the school. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of any relevant professional(s); and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Where the Admissions Authority agrees to a parent's request for their child to be admitted out of their normal age group, the application submitted for the normal year of admission will be withdrawn and disregarded and as such, an offer of a school place for the normal year of admission will not be made. Instead, the parent(s) will be invited to apply for a place in the admissions round for the following year but should be aware that normal admissions procedures and criteria will apply and there is no guarantee that a place will be offered at the requested school(s) just because the request to be educated out of year group has been approved. The application for a school place(s) will be considered in accordance with the oversubscription criteria along with all other applications received for the preferred school(s).

**Parents may wish to consider deferred or part-time entry within the normal year of admission as an alternative option.** Parents/carers may request that their child's entry be deferred until later in the same school year, and the place is held for that child and is not available to be offered to another child. Parents/carers can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made. Parents can also request that their child takes up the place offered on a part-time basis until the child reaches compulsory school age.

**Please note** – Parents are advised that if they subsequently change their mind about which schools they wish to apply for, consultation must take place with the new preferred school(s) as the Head Teacher may not support the request for admission out of year group.

Where a child has been educated out of their normal age group, their parent will again need to request admission out of the normal age group when their child reaches the age where they would normally be transferring to junior or secondary school. Requests will be re-considered by the Authority and the preferred school(s) to decide whether to continue educating the child out of their normal age group. A decision will be made on the basis of the circumstances of each case and in the child's best interests and will bear in mind the age group the child has been educated in up to that point.

Secondary Schools/Academies are advised to consider the implications of summer born children reaching the transition point for primary to secondary education.

There are a number of summer born children moving through primary who have been educated out of year group having had approval at the point of entry to primary under the guidance above. These children will shortly start to reach the end of Key Stage 2. Schools and Academies will need to consider whether they are in agreement with a child transitioning to Year 7 with their "adopted" cohort rather than their chronological age group. Parents are likely to need to request this approval a year in advance in order to know when they need to apply for a Year 7 place as part of the normal admissions process.

Appeals - Parents who are refused a place at a school for which they have applied have the right of appeal to an independent admission appeal panel. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, parents do not have a right of appeal if they have been offered a place and it is not in the year group they would like. However, they may make a complaint about an admission authority's decision not to admit their child outside their normal age group.

### **iii) Co-ordinated Admission Arrangements**

The Authority co-ordinated admission arrangements during the normal admission round and in-year admissions for all year groups. Since 2012 the School Admissions Code states there is no requirement to co-ordinate in-year admissions. Rotherham, along with many neighbouring Local Authorities proposes to continue to co-ordinate in-year admissions, as far as is possible. The Local Admissions Forum has expressed its collective view that this continues to be good practice and that they fully support co-ordinated admission arrangements. For 2022/23 there will be a few minor date changes to the Co-ordinated Schemes, and it is noted that the Schools Admissions Code 2014 specifies that the Primary Schools National Offer Day is 19 April.

**Action: To note the information.**

**iv) Waiting List**

The Authority currently maintains waiting lists for pupils applying during the normal admission round. The Admissions Code of Practice requires that waiting lists are in place and continue for at least the first term of the academic year. There are no proposed changes for 2022/23.

**Action: No action required**

**v) Local Authority 'Admission to School' Booklets.**

The information contained in the booklets is freely available on the Local Authority Website [www.rotherham.gov.uk/schools](http://www.rotherham.gov.uk/schools) along with details on how to make an on-line-application. The Authority is currently able to satisfy above 90% first preferences for primary and secondary schools. Where parents are unsuccessful with their application separate guidance is available on the appeal procedures. Hard copies of the booklet are only provided upon request. All parents receive a letter explaining how to apply for a school place. The letter advises parents/carers to have read and taken regard of the admissions booklet available on the council website before submitting their application.

**Action: Governing Bodies to note that the Local Authority wishes to maintain the decision to only send a summary of the information contained in the admissions booklet to parents with full copies available on request and/or via the rotherham.gov.uk website.**

**vi) Consideration of the 'relevant area'**

Every two years, the Authority must review its determination of the 'relevant area' for the purposes of admissions consultation. This requires consultation with all schools in Rotherham, together with all primary schools lying within 1 mile of any border and all secondary schools lying within 3 miles. Since the inception of this requirement (in 1999) the determined area has been the whole of the Rotherham borough. There have been no previous objections to this and no change to the 'relevant area' is proposed for consultation on admissions in 2022/23.

**Action: Governing Bodies to note the proposals and to forward any comments, if any, on the proforma.**

**vii) In Year Admissions Policy**

The Local Authority devised an In Year Admission Policy as part of the 2019/20 consultation. There are no planned changes to this for 2022/23.

**Action: Governing Bodies to note and to forward any comments, if any, on the proforma.**

**DfE Consultation on Changes to the School Admissions Code**

For your information, the DfE is currently consulting on changes to the School Admissions Code. A copy has been sent by the DfE, to all schools with a request to respond to the consultation by the 16<sup>th</sup> October 2020. Proposed changes include the introduction of timescales for processing In Year applications and definitions regarding what is considered to be challenging behaviour. In addition, revisions to categories and timescales for Fair Access Protocol cases; consideration of applications for previously Looked After Children from overseas and those from Service families.

The DfE have indicated the intention is that the new code will come into force during the Spring Term 2021, subject to consultation.

**The admission criteria for community and controlled schools for 2021/22 is shown below. (There are no proposed changes for 2022/23).**

It should be noted that for a number of years the D.f.E. has given priority to looked after children. The School Admissions Code also prioritises previously looked after children. This is shown in the criteria below.

The kinds of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children who on the closing date live in the catchment area of the school as defined by the Authority who will also have an older brother or sister on the roll of the preferred school or its associated junior school at the time of their admission. The kinds of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.

- viii) Children who on the closing date live nearest to the school measured by a straight line on a horizontal plane, (commonly known as measurement, “as the crow flies”).

### Notes

1. Where the admission number for any school is likely to be reached mid category, places will be prioritised within that category by reference to the distance between the home address and the school. Highest priority will be given to those living closest to the school measured in a straight line on a horizontal plane (commonly known as measurement, “as the crow flies”).
2. Where any final place at a school is available and two or more pupils are judged to be living equidistant from the school (e.g. in flats), the final place will be allocated by the drawing of lots by officers of the authority.
3. A ‘relevant looked after child’ is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.  
  
Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). For further information please refer to the Admissions Code of Practice which can be downloaded from [www.dfe.gov.uk](http://www.dfe.gov.uk)
4. Places will be allocated in accordance with the LA’s co-ordinated admissions schemes for Primary and Secondary schools. In assessing preferences, the LA will operate an ‘equal preference’ system, which means that no priority will be given according to the ranking of the preference, except where a potential offer can be made in respect of more than one school. In that situation, the final offer of a place will be made at the highest ranked of the potential offer schools.
5. Children issued with an Education, Health and Care Plan (EHC) will gain a place at the school named in the Plan as part of that process.

## **In-Year Applications.**

### **What is an in-year application?**

An in-year application is for children requiring a school place during the academic year, rather than at the usual transfer time to school (for example starting primary school, moving to junior school or moving to secondary school).

The majority of in-year applications for school places in Rotherham will be dealt with through normal in-year arrangements. However, some children in vulnerable groups may find it difficult to secure a school place. In these cases, applications may be referred for placement under the Fair Access Protocol. Rotherham's Fair Access Protocol (FAP) works in partnership with schools to ensure that children and young people in vulnerable circumstances, including those at risk of exclusion, or those excluded from school, are allocated a school place as quickly as possible. The operation of the FAP is triggered when a parent/carer of an eligible child has not secured a school place under in-year admission procedures.

### **Rotherham's arrangements for in-year applications to Rotherham schools.**

Own admission authority schools and academies work closely with the Local Authority to manage and process applications In-Year.

The School Admissions Code 2014 requires that the Local Authority and Schools who are their own admissions authority must, on receipt of an in-year application, work in partnership to ensure all parties are notified of the outcome, so that figures on the availability of places in the area can be kept up to date. The admission authority **must** also inform parents of their right to appeal against the refusal of a place.

For applications for school places outside of Rotherham, parents should contact the relevant local authority for details of the relevant Admissions Policy but should apply for a place via Rotherham Admissions under the co-ordinated Admission arrangements. Contact details for neighbouring local authorities can be found in the Admissions to Primary/Secondary school booklets for parents available at [www.rotherham.gov.uk/schools](http://www.rotherham.gov.uk/schools)

Admission authorities are responsible for setting and applying a school's admission arrangements:

- for foundation or voluntary aided schools, including trust schools, the governing body is the admission authority
- for academies, the academy trust is the admission authority
- for all other schools in Rotherham, the Local Authority is the admission authority.

All admission authorities must comply with the requirements of the School Admissions Code and admissions legislation.

Admission authorities should ensure that their processes for admitting children who have been allocated a place under in-year arrangements or through the Fair Access Protocol do not lead to unreasonable delay, particularly where a child is otherwise without a place.

Governing bodies can refer applications to the local authority for consideration under the provisions of the Fair Access Protocol in certain circumstances, as per the Admissions Code 2014.

Rotherham Authority will also share information, by secure electronic means, with neighbouring authorities where an application is received for a pupil who lives in that local authority area and who applies for a place in one of the schools participating in the scheme.

Our neighbouring authorities are Barnsley, Derbyshire, Doncaster, Nottinghamshire and Sheffield.

### **Applying for a place in a Rotherham school**

Parents can make applications up to one term before the date when they would like their child to start at the preferred school. Parents can apply from the 1 May onwards for Admission in the following September. In Year applications are considered daily on a date received basis.

Parents can state up to three preferences on an application form for Rotherham schools. We recommend that parents use all three preferences, thereby maximising their chances of securing a place at a school of their choice. Details of applications will be sent to your preferred schools.

Parents applying for academy, foundation, voluntary aided or voluntary controlled schools should check whether any additional supporting information is required. This may be written evidence from a minister to demonstrate commitment to religion. This information enables the admission authority to apply admission oversubscription criteria correctly.

Details of oversubscription criteria for Rotherham schools is available on our website [www.rotherham.gov.uk](http://www.rotherham.gov.uk)

### **Applying for a place in year 10 or year 11**

Performance and level of achievement/attainment are adversely affected each time a child experiences a transfer to a new school. Avoidable and unnecessary changes should be carefully considered and parents need to be aware of the consequence of moving schools in key groups such as year 10 and year 11.

It may be difficult to find schools that can offer courses compatible with the previous school. However, schools are not able to refuse to admit children because they followed a different curriculum at their previous school.

## **How applications are considered**

Applications for school places are considered within agreed timeframes with all admission authorities to ensure that every child of school age accesses an appropriate school place.

Notification of the outcome of the application will be sent to parents by post.

Admissions will normally be agreed up to the published admission number which applied for the normal year of intake. If an application is refused at any school applied for, parents are notified of their right to appeal.

Rotherham Local Authority will then identify all those preferences that can be met. When a place can be offered at more than one of the schools listed on an application, the Authority will write to offer a place at the highest preferred school where a place is available. Rotherham Authority will write to parents detailing the outcome of the application.

## **Infant classes only**

The School Admissions (Infant Class Sizes) (England) Regulations 2012 permit children to be admitted as exceptions to the infant class size limit. Section 1 of the SSFA 1998 limits the size of an infant class (i.e. a class in which the majority of children will reach the age of five, six or seven during the school year) to 30 pupils per school teacher. The School Admissions Code 2014 (2.15) states that additional children may be admitted under limited exceptional circumstances. These children will remain an 'excepted pupil' for the time they are in an infant class or until the class numbers fall back to the current infant class size limit. A child who falls into any of these categories will not automatically be admitted as an excepted child.
