29. UPDATES

The following update information was provided:-

(a) Planning Enforcement January to June, 2026

Further to Minute No. 53 of the meeting of the Planning Board held on 22nd January, 2026 consideration was given to a short presentation by the Development Manager (Enforcement) which provided an update on planning enforcement from January to June, 2026.

The presentation highlighted:-

Number of complaints received	192
Planning Contravention Notices	0
Enforcement Notices	8
Breach of Condition Notice	0
Temporary Stop Notice	0
Section 215 Untidy Land	0
Tree Replacement Notices	0

There were also 60 other cases where enforcement action was pending and authorised.

Further information was provided on the numbers of planning applications received as a result of enforcement:-

Number of applications received	55
% of applications refused (18 of 34)	53%
Numbers of applications dismissed at appeal	8
Number of applications upheld at appeal	2

From the Enforcement Notices issued a number appealed the decision:-

No. of Enforcement Notice Appeals	3
Appeals Dismissed	3
Appeals Allowed	0
Appeals awaiting determination/withdrawn	6

Photographic evidence of examples was shared where action was recommended and where this had been successful.

Members welcomed the data as presented and thanked the Enforcement Team for the work they had provided.

The Board asked a number of questions and shared examples of planning contravention in their own Wards, including making reference to a recent appeal decision relating to the flats on Shelley Road, Herringthorpe.

The Development Manager (Enforcement) provided an update on application RB2025/0525 (Erection of three storey building comprising of 9 No. Residential Flats, including alterations to the existing first and second floor front elevation and storage rooms in roof space at 17A Shelley Road, Herringthorpe for Mr. S. Hussain) which had been dismissed at appeal.

An Enforcement Notice was still live and required the applicant to either demolish the building within two years or take action to overcome/redress the reasons for refusal with a further application.

The Development Manager (Enforcement) reminded the Board that where there may be issues or concerns about ongoing and delayed development these should be referred to the Service for investigation. Anyone ignoring recommendations to stop work where matters were found to be in contravention did so at their own risk of future enforcement action and ultimately prosecution.
