36. UPDATES

As an update, the Chair referred to the online governance meeting held earlier this week for all council members regarding the new Planning Board structure. The Chair thanked those members who had attended and encouraged anyone who was unable to participate to watch the recording, given the significance of the proposed changes. Members were advised that the revised arrangements would be subject to a vote when the matter is presented to Full Council.

The Chair highlighted that a number of changes within the Planning Department would come into effect from 31 October 2026 and noted that the briefing had provided valuable context and understanding of the proposed new arrangements. It was agreed that the presentation slides from the meeting would be circulated to members for information.
