To seek approval to appropriate Kiveton Park Depot from the Department of Culture and Leisure to the Department of Streetpride.

This report deals with the formal appropriation required in accordance with item 76, Appendix C of the Council's Financial Regulations.

6. Recommendations

7. Proposals and Details

This report deals with the formal appropriation required under the Council's Financial Regulations. The asset is shown edged red at Appendix 1.

Cabinet resolved on 25 March 2009 to bring the Grounds Maintenance service in-house to the Department of Streetpride. The Grounds Maintenance contract to Ringways was formally terminated on 1 January 2010. This report caters for the administration at Kiveton Park depot.

This asset has been declared surplus to requirements and an appropriation from the Department of Culture and Leisure to the Department of Streetpride needs to take place to comply with the Council's financial regulations.

ROTHERHAM BOROUGH COUNCIL – REPORT TO MEMBERS

1.	Meeting:	CABINET MEMBER FOR STREETPRIDE
2.	Date:	26 March 2010
3.	Title:	PARKING ENFORCEMENT IN SATELLITE TOWN CAR PARKS
4.	Programme Area:	ENVIRONMENT AND DEVELOPMENT SERVICES

5. Summary

The report gives details of proposals to commence enforcement of unauthorised parking in designated disabled parking bays in the satellite towns of the Borough.

6. Recommendations

That it be resolved that:

The proposals are approved and enforcement commence as soon as possible.

7. Details

The Council's Civil Enforcement Officers currently patrol satellite towns within the borough to enforce illegal parking activities such as double yellow line offences. However, the Council owned car parks in these towns are generally not patrolled as the Council currently has no power to undertake enforcement.

It is suggested that the Council should work in conjunction with its partners, Total Parking Solutions, to undertake enforcement of car parks in these towns. This method of working negates the need for a Traffic Regulation Order whilst still allowing lawful enforcement. The intention is for enforcement of unauthorised use of designated disabled parking bays.

In October 2009 the Council's Parking Service has patrolled Parkgate Shopping Centre undertaking enforcement of mis-use of designated disabled parking bays. The same system of working is in place i.e. working in partnership with Total Parking Solutions. Both the Council and Savills, the owners of the shopping centre, have received numerous positive comments from members of the public regarding the patrols of bays designated for people with disabilities.

The enforcement patrols will cover the following car parks:

Wath Library
Wath College
Wath Saracen's Head
Queen Street Swinton
Church Street Swinton
Constable Lane Dinnington

The Parking Service has also received a request from the Manager of the Leisure and Service Centre at Maltby for patrols of the car park's disabled parking facilities to ensure proper use.

8. Finance

A total of 8 signs will be required which, with installation, will cost a total of approximately £400. This will be recouped after payment of 20 penalty charges is received.
