Budget 2016/17 – Update Report

1. Recommendations

*Advisory Cabinet Members and Commissioner Myers are asked to:*

1.1 Note that if the Final Local Government Settlement, when received, is different to Provisional Settlement received on 17\textsuperscript{th} December 2015, an update will be provided to the Advisory Cabinet at its meeting on 15\textsuperscript{th} February 2016.

1.2 Note the initial public and partner feedback received in respect of the Budget Proposals currently out to comment. (See Appendix 1)

2. Background

**Local Government Settlement**

2.1 On 17\textsuperscript{th} December 2015 the Council received notification of its Provisional Settlement for 2016/17 in addition to information about an opportunity to subscribe to a ‘4 year offer’ settlement. More information about the latter will be made available on publication of the Final Local Government Settlement.

2.2 The Provisional Settlement indicated that Rotherham’s assumed level of funding would be £349k worse than had been assumed for 2016/17 in its budget planning process.

2.3 Commissioners, Members and Officers have been considering options to address this additional pressure and proposals will be included in the Budget Setting Report. This report will be considered by Advisory Cabinet on 23\textsuperscript{rd} February and subsequently by Council on 2\textsuperscript{nd} March 2016 to set the Council’s 2016/17 Revenue Budget.

2.4 At the time of publishing this report, the Government had still not published the Final Local Government Settlement. The timing of the announcement is now expected between the 5\textsuperscript{th} and 9\textsuperscript{th} February 2016.

**Feedback on Directorate Budget Proposals**

2.5 Directorate Budget Proposals have been developed during 2015 and early 2016. Those supported by Members have been published on the Council’s website for public and partner comment. The closing date for feedback is 12\textsuperscript{th} February 2016.

2.6 Any further feedback on the budget proposals received between 4\textsuperscript{th} and 14\textsuperscript{th} February will also be provided by way of an update to the Advisory Cabinet Meeting on 15\textsuperscript{th} February 2016.
3. **Key Issues**

3.1 The Final Local Government Settlement is a key determinant in setting the Council’s Budget. At the time of publishing this report the Government had not yet published its Settlement. The announcement is now expected between the 5th and 9th February 2016. Details of the Settlement and the implications for the Council's Budget will be provided by way of an update to Advisory Cabinet Members at its meeting on 15th February.

3.2 The implications of any change in the Provisional Settlement announced in the Final Settlement figures will be included in the final 2016/17 Budget Setting report to Advisory Cabinet on 23rd February 2016.

3.3 This report also provides initial feedback from the public and partners on the Directorate budget proposals for 2016/17 to 2018/19 that were published for Commissioner and Member consideration.

4. **Options considered and recommended proposal**

4.1 This report is provided to update Members of the current position in respect of setting the revenue budget for 2016/17.

5. **Consultation**

5.1 Directorate Budget Proposals are currently out for public and partner comment with a deadline for feedback of 12th February 2016.

6. **Timetable and Accountability for Implementing this Decision**

6.1 This is an update report which will ultimately lead to preparation and presentation of the 2016/17 proposed revenue budget for Advisory Cabinet consideration on 23rd February and subsequently Full Council approval on 2nd March 2016.
