## Summary

At the Cabinet and Commissioners' Decision Making Meeting on 12 December 2016, the Cabinet agreed to replace 15,000 fluorescent street lighting units with LED lighting technology and to recommend to Council that the project be included within the Capital Programme.

In order to give effect to the recommendation from Cabinet, consideration and approval by Council must be given to the recommendation set out below. The report detailing the reasoning behind the recommendations is appended in order to provide Members with sufficient knowledge to agree the proposals.

## Recommendation

That Council be recommended to approve inclusion of the scheme in the Council's Capital Programme at a cost of £1.65m, to be funded by prudential borrowing, as an invest to save scheme.
