1. Recommendations

The Audit Committee is asked to review the Forward Work Plan and suggest any amendments to it.

2. Background

2.1 Each year the Audit Committee publishes a Prospectus setting out the scope of its work, the standards it adheres to and its work programme for the year. The programme is subject to change and can be amended during the year to respond to any emerging areas of concern to the Committee. This report shows a rolling programme for the Committee for the forthcoming year.

3. Details

3.1 Local Government Audit Committees should comply with the Chartered Institute of Public Finance and Accountancy's Position Statement and Practical Guidance for Audit Committees. The scope of the Audit Committee's responsibilities and its work plan are designed to ensure the Committee meets the CIPFA standards.

3.2 Key Audit Committee activities, reflected in the Prospectus and work plan, include:

- Satisfying itself and others that the Annual Governance Statement reflects the Council's arrangements and position.
- Monitoring the effectiveness of the internal control environment and assurances obtained from its operation
- Consider the effectiveness of risk management
- Ensuring Internal Audit is independent and effective
- Review the responsibilities of internal audit and ensure it has the necessary resources to enable it to function in accordance with professional standards
- Review the internal audit work plan and receive reports on the results of internal audit work
- Reviewing the Council's arrangements for managing the risk of fraud
- Reviewing the external auditor's annual audit plan and ensuring it is consistent with the scope of the audit engagement
- Reviewing the findings of the external auditor's work
- Reviewing the financial statements and the external auditor's opinion on the statements
- Considering external audit and inspection recommendations and ensuring these are fully responded to
- Reviewing and monitoring treasury management arrangements.

4. Options considered and recommended proposal

4.1 The Prospectus and work plan for the Audit Committee are helpful guiding documents for the Committee itself and other stakeholders with an interest in the Committee's activities. The work plan for the coming year by date is presented to each committee meeting for review and amendment.

6. Timetable and Accountability for Implementing this Decision
