Executive Summary

KPMG have now concluded their 2016/17 audit and issued their audit certificate on 31 October 2017. The audit certificate and notice of conclusion of audit have been published on the Council's website.

Following the conclusion of the audit, KPMG have issued their Annual Audit Letter (AAL). The purpose of the AAL is to communicate to the Council and key external stakeholders, including members of the public, the key issues arising from auditors' work, which auditors consider should be brought to the attention of the Council. The AAL covers the work carried out by auditors since the previous AAL was issued.

The 2016/17 AAL provides KPMG's conclusions on their audit objectives:

- Value For Money Conclusion
- Audit of Financial Statements
- Any Other Matters the external auditor is required to communicate.

KPMG's AAL is attached as an Appendix to this report.

Annual Audit Letter – 2016/17

1. Recommendation

Audit Committee is asked to consider the Annual Audit Letter 2016/17 presented to the Council by its external auditors, KPMG LLP, and approve its publication on the Council's website.

2. Background

2.1 The purpose of the Annual Audit Letter (AAL) is to communicate to the Council and key external stakeholders, including members of the public, in a clear and concise manner, the key issues arising from the audit which the external auditor considers should be brought to the attention of the Council.

3. Key Issues

3.1 The Annual Audit Letter 2016/17 attached as Appendix 1 summarises the external audit work carried out in relation to the 2016/17 audit plan and highlights the findings in relation to the following:

- Value For Money Conclusion
- Audit of Financial Statements
- Any Other Matters the external auditor is required to communicate.

3.2 These findings have previously been reported to Audit Committee in more detail during the course of the year including, in particular, the ISA 260 Report presented to Audit Committee on 19 September 2017 immediately prior to the 2016/17 Statement of Accounts being approved.

3.3 The main headlines from the AAL in relation to the accounts and other audit responsibilities are that:

- The external auditor has issued an unqualified Value For Money (VFM) conclusion. KPMG are satisfied that during the year the Authority had appropriate arrangements in place for securing economy, efficiency and effectiveness in the use of resources.
- The Council's financial statements were produced to a good standard with only minor presentational changes being made. The financial statements were given an unqualified audit opinion on 26 September. The Narrative Report published alongside the financial statements was consistent with KPMG's understanding
- The Annual Governance Statement approved at September's Audit Committee, is consistent with KPMG's understanding and compliant with the CIPFA/SOLACE framework on good governance in local government;

- The Council's consolidation pack prepared to support the production of Whole of Government Accounts by HM Treasury was consistent with the audited financial statements; and,
- There are no high priority recommendations or other matters that need to be brought to the attention of Audit Committee

4. Options considered and recommended proposal

4.1 There are no options to be considered as part of this report.

7.2 The final fee for the certification of the Council's housing benefit claim and other returns / claims KPMG have been engaged to certify has still to be confirmed as work is still on-going.

8. Legal Implications

8.1 The Council has complied with all statutory requirements in relation to the issues covered by the AAL. Following consideration of the AAL the Council will publish the AAL on the Council website. There are no further legal implications arising from the report.
