Subject: RE: Licensing Act 2003 grant of an application

To whom it may concern:

On behalf of Wickersley Ward councillors I would like to object to the proposed license for a jacket potato stall from 10pm to 2am in the car park of the Three Horse Shoes pub. This is on the grounds of prevention of further crime and disorder in this area and the prevention of public nuisance, both of which are growing concerns affecting local residents in the area.

Over the past 10 years Wickersley has developed a busy night-time activity especially on the North Side of Bawtry Road.

This means that the residents who live in the neighbouring cottages, in the flats above the commercial properties and the people who live at the bottom of The Grove and Listers have to bear the problems associated with the late night/early morning economy.

Complaints have steadily increased both to us as ward councillors and the parish council. Residents have also complained to the police and Environmental Health in the past but as they experience problems with contacting the Police on the 101 phone number it is highly likely that the figures will not show the true record.

Public Nuisance

The pub carpark is within close proximity of residential houses.

The council has had numerous complaints of noise from the Three Horse Shoes pub, the most recently from local residents this bank holiday weekend. The Three Horse Shoes has had noise warnings placed on it in 2016 and as recently as April this year.

By allowing an outside stall at the late hours stated, it will bring noise and gatherings outside, and will cause further nuisance especially noise to residents in the area.

Further Crime and Disorder

As local Councillors we are concerned over the over development of the nightlife in a predominately residential area. There has been an increase in violent crimes in the area as altercations and fights break out. We have also had reports from residents of urinating on walls, wheelie bins being tipped over and glasses smashed or dumped in gardens.

The police have acknowledged this by having a presence on a Friday and Saturday evening, which frequently takes the form of a police van parked up for long periods of time.

Figures from police.uk in the immediate vicinity of the Three Horse Shoes show in the last six months a 35% increase in anti-social behaviour on the same six months last year, an increase in public order offences, and though violent and sexual offences are similar, they are still a 25% increase on two years before. Whilst the numbers are relatively small, we also believe that there is a knock-on effect into the wider community. The official statistics show a pattern of increasing crime and disorder which is consistent with feedback we hear as councillors.

By allowing pub-goers to congregate outside at such late hours, it provides further opportunity for disorder which we believe will affect local residents, rather than quick dispersal from the area.

There aren't any outside late night food stalls in the area at the moment. I hope you will consider this evidence when considering the unsuitably of a late night food stall in the area.

Regards,

Cllr Emma Hoddinott

At its meeting of 21 May 2018 Wickersley Parish Council raised concerns and objections with regard to two licensing items in Wickersley: -

Three Horse Shoes –Jacket Potato stall

The Parish Council wish to raise strong objections to this application. The applicant, in making an application to provide late night refreshment from 11pm to 2am at weekends, is clearly aiming to cater for the large number of people leaving the late night drinking establishments in Wickersley particularly the Masons, Olive Lounge and Courtyard which have licenses to stay open to between 1.30 - 2am . Wickersley is increasingly becoming a hotspot for late night drinking at weekends with large numbers of people leaving premises in the early hours in an inebriated state ,inflicting noise nuisance and anti-social behaviour for local residents as well as traffic congestion associated with the large number of taxis picking up customers. The licensing department and environmental health are well aware of the pressures this level of activity is having on the local community . At a recent Parish Council meeting, officers from both departments spoke of the measures they are taking to try to mitigate the impact for local residents, including a proposal from licensing to provide taxi ranks in the area to try to remove people from the establishments as quickly as possible and minimise the time they spend on the streets. Furthermore, police vans are frequently parked in Wickersley at weekends to try to minimise nuisance and anti-social behaviour. At the present time the impact is largely felt at the eastern end of the village centre where the main late night venues are located but there is increasing pressure for yet more drinking establishments with three current planning applications for such.

If the potato stall was permitted, it would clearly attract people leaving the drinking establishments late at night in an inebriated state. It would encourage people to stay considerably longer on the streets than they do at present and encourage late night activity in a wider area and for a lengthy period of time immediately adjacent to residential streets. This would be contrary to the stated objective of the licensing department to move people out of the area as quickly as possible once they have left the drinking establishments. It would cause serious late night noise nuisance over a three hour period to a wide range of residents at a time when most people will be trying to sleep. It is also likely to result in a serious litter problem in the surrounding area from customers dropping the food containers as well as increase the incidence of anti- social behaviour in Wickersley which is already on the rise. The Parish Council takes pride in trying to keep Wickersley tidy by employing its own handymen to pick up litter and it would be entirely unacceptable for them to spend time and public money removing litter from a late night food stall which is intended to cater for late night revellers who will generally not exercise restraint and good behaviour.

The Parish Council therefore ask that this license be refused on the grounds of preventing a public nuisance as a result of late night noise , anti-social behaviour and litter in a predominantly residential area.

In the light of this objection, we assume this matter will be referred to the Licensing sub-committee at which we request the right to speak.
