1 INTRODUCTION

The Statutory Duty to provide free transport assistance to eligible learners

Section 508B of the Education Act 1996 (amended by the Education & Inspections Act 2006) deals with the duty on Local Authorities to make such travel arrangements as they consider necessary to facilitate attendance at school for “eligible” children to “qualifying schools”. Schedule 35B of the Act defines “eligible” children. The duty applies to home to school travel arrangements at the start of the day and school to home travel arrangements at the end of the day. It does not relate to travel between educational institutions during the school day.

Parents/Carers are responsible for ensuring that their children attend school regularly. Section 444 of the 1996 Act outlines the situations in which a parent/carer may have a defence in law against a prosecution by a Local Authority for their child’s non-attendance at school. Section 444(4) provides a parent/carer with a defence if he or she proves that the Local Authority has not fulfilled its statutory duty to make suitable arrangements for home to school transport for those that are eligible. Further information regarding home to school transport and the statutory duties to which Local Authorities must have regard are contained within the ‘Home to School Travel and Transport Guidance’ 2007 issued by Department for Education to accompany the Education and Inspections Act 2006, and the updated guidance of ‘Home to School Travel and Transport Guidance 2014’ at:

This Policy also explains what transport arrangements may be available to learners who are over statutory school age and wish to continue their education post 16. Further information regarding Post 16 transport and the guidance to which Local Authorities should regard to are contained within the ‘Post 16 Transport to Education & Training’ 2017 issued by Department for Education.

This Policy explains the criteria used in establishing a learner’s eligibility for transport assistance for those living in the Rotherham Local Authority following a request for this to be provided. You can find further details on the internet at Rotherham SEND Local Offer and look at the Policies, Procedures and Guidance button. Here you will find a range of online forms which you can use about transport assistance.

The Policy is correct at the time of publication. It should not be assumed, however, that there will be no changes to this information before the start of, or during the school year.

Sensitive information submitted for assessments and reviews will be treated in a confidential manner and may be shared with the transport operator/provider.

If there is a change in individual circumstances, such as change of address or change in needs, it is the responsibility of the parent/carer to inform the Passenger Services Team to ensure the necessary review is undertaken.

2 SAFEGUARDING
Safeguarding is everyone’s concern. Rotherham Council has developed a safeguarding policy which explains what safeguarding is, different types of abuse and neglect and actions to take regarding any safeguarding concerns to ensure continued safety and welfare. The Rotherham Corporate Safeguarding Policy can be accessed at the following link:

http://www.rotherham.gov.uk/downloads/file/3100/corporate_safeguarding_policy

2.1 The Council’s Safeguarding Policy is applied to all contracts, however the following additional safeguarding requirements will also apply to Home to School Transport contracts:

- Camera equipment, capable of recording both audio and video, must be installed in all vehicles used to transport children as part of any arrangement to which the policy applies. The system must meet or exceed the council’s specification for taxi camera systems and must be operational at all times that the vehicle is being used as part of a contracted service.

- Subject to certain exemptions, the driver must not allow a child to be conveyed in the front seat of a vehicle.

- The driver must possess an appropriate BTEC / NVQ level 2 qualification (or equivalent) in a subject relevant to the transport of passengers;

- The driver (and any passenger assistants) must have attended the Council’s training course on safeguarding vulnerable passengers;

- The driver and passenger assistant (if relevant) must have ability in English and Maths that meets the required standard.

- The driver must have satisfactorily completed an advance driving skills test to Driver and Vehicle Standards Agency (DVSA) standards (taxi and private hire test);

- Drivers that do not hold a hackney carriage / private hire drivers licence issued by Rotherham MBC are required to obtain an Enhanced Disclosure Certificate from the Disclosure and Barring Service (which must be obtained via Rotherham MBC), and consent to their DVLA driving licence being checked by Rotherham MBC using a third party organisation if required. Any information that is detailed on the Enhanced Disclosure Certificate and / or the DVLA driving licence will be considered in accordance with Appendix C of the council’s Hackney Carriage and Private Hire licensing policy – any driver that does not meet the required standard will be prohibited from working as part of this contract. Drivers and passenger assistants are required to notify the Council of their arrest and / or conviction for any offence – this notification must be received within specified timescales.

- Drivers and passenger assistants that do not hold a hackney carriage / private hire drivers licence issued by Rotherham MBC are required to subscribe to the Disclosure and Barring Service Online Update Service. This will allow the Council to verify that a DBS Certificate remains current.
• Drivers and passenger assistants must adhere to the council’s Code of Conduct When Working with Vulnerable Passengers (as specified in Appendix G of the council’s Hackney Carriage and Private Hire licensing policy).

2.2 The Council will monitor driver / vehicle compliance against these standards and will take swift and robust action should it become apparent that there are areas of non-compliance.

2.3 In addition, the Council will ensure that there are appropriate processes in place to ensure that any concerns regarding any aspect of transport provided as part of Home to School arrangements can be referred to the relevant service / agency so that those concerns can be addressed. The Council will provide details of these processes to all those that are involved in the delivery / receipt of a Home to School Transport Service.

2.4 The implementation of the above requirements will ensure that this policy supports the delivery of the Council’s Strategic Plan to keep people safe when using licensed vehicles in Rotherham. Additional requirements may be introduced should circumstances require this – appropriate communication will take place with all those affected by any amendments to the requirements outlined above.

3 TRANSPORT ASSISTANCE AND ELIGIBILITY

Transport assistance may consist of these options:-

• A zero fare bus pass which entitles a pupil to free bus travel between the nearest bus stop to their home address and their registered school base.
• Refunded travelling expenses according to the cheapest available public transport route for those pupils able to access public transport services.
• Personal Travel Budgets are a distance calculation in accordance with the Council’s current rate, for pupils requiring special arrangements, provided that the arrangement makes financial sense to the Local Authority. Calculations will be determined for the journeys when the pupil is in the vehicle.
• Independent Travel Training for Learners aged 14+
• Free or subsidised travel on a coach, minibus, taxi or specially adapted vehicle if the pupil is unable to travel by public transport due to the distance, their mobility, or effect of their complex special educational needs (see section 3.09).

Eligibility to Free Transport Assistance – Mainstream

3.01 Pupils under the age of 5 years

There is no statutory duty to provide transport assistance to children under the age of 5 years. Parents/Carers are expected to accompany children under the age of 5 years to their early year’s provider and on public transport.

Currently, there is no charge for children under the age of 5 years to travel by public transport if accompanied by a parent/carer paying full fare. Financial assistance is not given to parents/carers for their personal transport costs when they accompany their
child to early year's provision. The bus operator may charge the concessionary fare to a child under the age of 5 years if they are travelling with an older child paying a concessionary fare.

3.02 Pupils aged 5-7 years

For pupils aged 5, but less than 8 (on 1st September) attending their nearest appropriate qualifying school* or any alternative catchment school determined by the Local Authority, free transport assistance (usually a zero fare bus pass) will be provided where the distance between home and school is more than 2 miles (otherwise referred to as the lower statutory qualifying distance). For pupils with a zero fare bus pass parents/carers are responsible for ensuring their child’s safety by making appropriate arrangements for their child to be accompanied to and from the nearest bus stop and during the journey.

3.03 Pupils aged 8-16 years

For pupils aged 8-16 (on 1st September) attending their nearest appropriate qualifying school* or any alternative catchment school determined by the Local Authority, free transport assistance (usually a zero fare bus pass) will be provided where the distance between home and school is more than 3 miles (otherwise referred to as the upper statutory qualifying distance). For pupils with a zero fare bus pass parents/carers are responsible for ensuring their child’s safety by making appropriate arrangements for their child to be accompanied to and from the nearest bus stops and during the journey.

* The nearest appropriate qualifying school is one with places available that provides education appropriate to the age, ability and aptitude of the child.

The distances of ‘more than 2 miles’ or ‘more than 3 miles’ referred to above are measured using a computerised mapping system. This is from the front door of the home address to the nearest designated school entrance by the nearest available walking route (see section 3.07v for more details).

3.04 Pupils aged 16-19 years

For pupils aged 16-19 (on 1st September) who wish to continue their education please refer to Section 7, Transport Policy Statement for Learners aged 16-19 years in further education, for details.

3.05 Pupils attending denominational (faith) schools

Free transport assistance to denominational (faith) schools was historically provided on a discretionary basis to pupils meeting the distance criteria. However, there is no statutory duty to provide it except for eligible secondary aged pupils from low income families. Changes to Policy were made in September 2013. From this date only new applications for secondary aged denominational (faith) pupils who qualify under low income criteria will receive free transport assistance (see section 3.08).

Pupils already attending such schools prior to this date who are in receipt of free
transport assistance will continue to receive this; for primary aged pupils up until the end of Y6, and for secondary aged pupils up until the end of Y11. If individual circumstances change, e.g. a change of address or school, pupils will need to be reassessed for entitlement and free transport assistance may be withdrawn for those pupils no longer qualifying.

3.06 **Pupils not attending their nearest appropriate qualifying school* or any alternative catchment school determined by the Local Authority**

The Local Authority recognises its obligations under the School Standards and Framework Act 1998, as amended by the Education Act 2002, to comply with parental preferences regarding choice of school. In order to ensure the efficient use of its resources the Local Authority will only provide free transport assistance where the school attended is the nearest appropriate qualifying school*, or any alternative catchment school determined by the Local Authority, from the pupil’s main home address.

Parents/Carers who apply for a place in a school for their child/children which is not the nearest appropriate qualifying school*, or any alternative catchment school determined by the Local Authority, will not be provided with free transport assistance, regardless of the distance involved, unless the low income criteria applies (see section 3.08).

*The nearest appropriate qualifying school is one with places available that provides education appropriate to the age, ability and aptitude of the child.

**Please note that the ultimate responsibility for the safety and conduct of any pupil during the journey to or from school rests with parents/carers.**

3.07 **Exceptions**

Exceptions to this policy may be made in the following circumstances:-

i) A zero fare bus pass may be given to pupils who attend a school outside Rotherham Local Authority, providing that it is the nearest appropriate qualifying school* to the home address, beyond the statutory walking distance and is within South Yorkshire.

ii) If a pupil is permanently excluded from their school and attends an alternative base of educational provision (which is located beyond the appropriate qualifying distance from the home address), travel assistance may be allocated.

iii) Pupils from low income families (see Section 3.08).

iv) A pupil attending their nearest appropriate qualifying school*, or any alternative catchment school determined by the Local Authority, who has a temporary medical condition affecting their mobility may be provided with free transport assistance. Parents/Carers who wish to request such assistance should apply online, along with supporting formal medical evidence, to: education.transport@rotherham.gov.uk

v) Consideration for providing a zero fare bus pass for pupils attending their nearest appropriate qualifying school*, or any alternative catchment school determined by the Local Authority, will be made if the route is not considered available to walk. When
assessing the safety of an “available route”, only the potential risk created by traffic, the highway and topographical conditions will be considered. Set criteria have been established by Road Safety Great Britain in the ‘Assessment of Walked Routes to School’ guidelines. These criteria and assessments are common to all the South Yorkshire Authorities. A zero fare bus pass will not be issued where an assessed available walking route to school (determined by the Local Authority in accordance with the above guidelines) exists. Further details at www.roadsafetygb.org

vi) Transport assistance may be available for some pupils whose parents/carers have disabilities. These disabilities may include dual sensory impairment or physical difficulties. Where it is a condition of the availability of the walking route that they are accompanied, but their parents/carers disabilities prevent this, alternative arrangements will be considered.

3.08 Pupils from low income families

The Education and Inspections Act 2006 introduced free transport assistance for qualifying pupils from low income families. Those who qualify are pupils entitled to Free School Meals or from families in receipt of Maximum Working Tax Credit. Pupils from ‘low income’ families meeting these criteria will receive free transport assistance (usually a zero fare bus pass) on condition that:

i) Pupils aged 8 to 10 years attending their nearest appropriate qualifying school* (unless an alternative appropriate school has been determined by the Local Authority) where the distance between home and school is more than 2 miles.

ii) Pupils aged 11 to 16 years attending any 1 of their 3 nearest appropriate qualifying schools*, where the distance between home and school is more than 2 miles, but not more than 6 miles.

iii) Pupils aged 11 to 16 years attending their nearest appropriate denominational (faith) school on grounds of religion or belief, where the distance between home and school is more than 2 miles but not more than 15 miles.

The distances referred to in Section 3.08 are measured as:

- Up to 2 miles – as per the statutory walking distance, along the nearest available walking route.
- From 2 miles up to the 6 mile or the 15 mile upper limits – along road routes passable by suitable motorised transport.

* The nearest appropriate qualifying school is one with places available that provides education appropriate to the age, ability and aptitude of the child.

To make an application for free school meals please see the Council’s website at www.rotherham.gov.uk/info/200008/benefits

To make an application for Working Tax Credit, please contact the Tax Credit Helpline on Tel. 0845 300 3900.
3.09 Eligibility to free transport assistance – Pupils with an Education, Health and Care Plan (EHCP) or a Statement of Special Educational Needs and/or Disabilities (SEND)

Pupils under the age of 5 years

Parents/Carers are usually required to take children under the age of 5 to their early year’s provider. If, however, a child is assessed as requiring specialist transport, parents/carers will be requested to make subsidised contributions towards this transport, for those attending non statutory education. The cost is currently 80p per journey but if families qualify under low income criteria (see section 3.08) then no charges will be applied.

Pupils aged 5 to 16 years

Pupils with an EHCP or SEND will have their individual transport needs assessed against the Home to School Assessment Matrix criteria taking into account the distance, their age, mobility and the effect of their complex needs on their ability to travel. This may include:

- Mobility
- Medical
- Behavioural
- Vulnerability
- Practicality and:
- Training

Under the provisions of paragraph 3 of Schedule 27 to the Education Act 1996, parents/carers may express a preference for a child with an Education Health and Care Plan (EHCP) or Statement of SEN to attend a school which is not the nearest suitable school identified by the Local Authority.

The parents’ or young person’s preferred school or college might be further away from their home than the nearest school or college that can meet the child or young person’s SEN. In such a case, the local authority can name the nearer school or college if it considers it to be appropriate for meeting the child or young person’s SEN. If the parents prefer the school or college that is further away, the local authority may agree to this but is able to ask the parents to provide some or all of the transport funding (paragraph 9.214 of the SEND Code of Practice).

3.10 Disabled Person’s Pass

A Disabled Person’s Pass may be available to some Rotherham residents following assessment of qualification and allows free travel on buses, trams and trains within South Yorkshire and some cross boundary services. Severely disabled children who cannot travel alone may qualify for a disability pass and a care giver may also qualify for one so they can travel with them free of charge. More details are available on the Council’s website www.rotherham.gov.uk search for Disabled Person’s Pass. Applications may be made at any library or contact service centre. Further details are also available on the Travel South Yorkshire website www.travelsouthyorkshire.com
SEND Pupils attending Respite Care

There is no statutory duty within national Home to School Transport guidance to provide free transport assistance to respite care placements.

SEND Pupils in Public Care

When a young person becomes a Looked After Child (LAC) by Rotherham Metropolitan Borough Council (RMBC) they may become eligible for transport assistance. This may also include transport to other destinations as appropriate. We would expect the young person to use public transport unless they are too young to travel alone or there are specific risks or concerns. When age or risk prohibits independent travel there is an expectation that the carers or known professionals transport them.

Young people in the care of RMBC under the age of 16, who have an EHCP or Statement of SEN, may continue to receive transport assistance provided, as specified in Section 8. This will be subjected to assessment and approval.

A LAC who is the financial responsibility of another Local Authority needs to contact their Authority for their transport requirements.

4. PARENTS/CARERS GUIDELINES - MAINSTREAM TRANSPORT

The majority of Rotherham pupils assessed as entitled to free transport assistance are issued with a zero fare pass allowing them to travel free by public transport to and from school. Where specific buses are provided for mainstream home to school transport, these may be run commercially by the operators or on a contract with the Council. In both instances, these may be registered services available to the general public and parents/carers should consider the need to accompany the pupil as necessary.

4.01 A pupil’s home address is considered to be the one that is in receipt of Child Benefit and based within the Rotherham Borough. Pupils in receipt of free transport assistance will have their eligibility re-assessed following a move of address, or circumstances, as this may affect both the identity of the qualifying school and the distance.

4.02 The distance between the pupil’s home and school is measured using a computerised mapping system. This is from the front door of the home address to the nearest designated school entrance by the nearest available walking route.

4.03 Pupils who have qualified for a zero fare bus pass (see section 3) will continue to be assessed and reviewed each school year.

4.05 Where it is not possible for pupils to travel by public transport, the Local Authority may consider other arrangements.

4.06 Secondary aged pupils who do not qualify free for transport assistance need to obtain a concessionary fare pass issued by South Yorkshire Passenger Transport Executive (SYPTTE). The MegaTravel Pass (proof of age) allows the holder to travel at the concessionary fare on buses trams and trains in South Yorkshire. Further information
and application forms are available from the Travel South Yorkshire website www.travelsouthyorkshire.com or the Rotherham or Meadowhall Interchanges, or contact Traveline on Tel. 01709 515151.

4.07 Pupils attending a school in Rotherham, but who live outside the Rotherham Authority’s boundary, must apply to their home Local Authority for advice and guidance.

4.08 It is the responsibility of parents/carers to meet other transport needs including travel to and from work placements, breakfast and after-school clubs, extra-curricular activities, transitional travel or any other arrangements they make with the school.

4.09 The ultimate responsibility for the safety and conduct of any pupil during the journey to and from school rests with parents/carers. Some pupils may need to be taken to the bus stop and supervised until the bus arrives. Similarly, these pupils may need to be met on their return journey.

4.10 Parents/Carers are expected to explain to their child that it is important to maintain positive behaviour while they are travelling on transport. Parents/Carers who have a zero fare pass sign to accept the Code of Conduct that the pupil will follow. If a pupil persistently endangers their own safety, or that of others, by not following this Code of Conduct, transport assistance will be withdrawn. Further details at: www.travelsouthyorkshire.com

4.11 In the event of a pupil exhibiting persistent, deliberate, disruptive or dangerous behaviours (including physical and verbal abuse), the Local Authority may exclude your child from using school transport or withdraw a zero fare bus fare. Additionally, the bus operator can refuse entry to the vehicle for such pupils and in some circumstances the Police may be involved. Parents/Carers will be expected to make their own arrangements to ensure their child attends school.

Guidance on ‘Promoting Positive Behaviour by Pupils on Public Transport in South Yorkshire’ has been developed by Local Authority Education Transport Officers, SYPTE, South Yorkshire Police and Transport Operators. Further details can be found at: http://www.travelsouthyorkshire.com/onboard/teachersbehaviour

5  PARENTS/CARERS GUIDELINES - PUPILS WITH AN EDUCATION, HEALTH AND CARE PLAN (EHCP) OR A STATEMENT OF SPECIAL EDUCATIONAL NEEDS AND/OR DISABILITIES (SEND) TRANSPORT

Pupils who have been assessed as requiring transport assistance, other than a zero fare bus pass, may receive support for independence and mobility training. The aim is to reduce their reliance on individual transport and to develop independent travel skills.

5.01 Pupils in receipt of transport assistance will have their eligibility re-assessed following a change of address or circumstances, as this may affect both the identity of the qualifying school and the distance. Dual residence or parents/carers work and family commitments will not be regarded as valid reasons for determining entitlement to transport assistance. A pupil’s home address is considered to be the one that is in receipt of the Child Benefit.
5.02 It is the responsibility of parents/carers to meet other transport needs such as travel to and from work placements, breakfast and after-school clubs, extra-curricular activities, transitional transport or any other arrangements they make with a school.

5.03 Transport assistance will be reviewed on an annual basis. Any recommended changes to a pupil's transport arrangements will be considered by the Council. Changes, for various reasons, may be necessary during the school term and you will be informed of these as soon as possible. Where individual transport is ceased, pupils may be eligible for a zero fare bus pass or a disabled person’s pass.
5.04 Pupils issued with such a pass will access free transport which will operate from and to the bus stops nearest to the pupil’s home. Parents/Carers should ensure the pupil’s safety by making appropriate arrangements for them to be accompanied to and from the nearest bus stops as appropriate.

5.05 Pupils who are assessed as requiring transport on a coach, minibus or taxi will be collected and returned at named points near their home address. If the pupil is not at the boarding point at the agreed time in the morning, the transport will continue its journey to avoid late arrival at schools. If the pupil is collected from home please ensure they are supervised to board the vehicle at the agreed time.

5.06 Pupils who attend a residential school (e.g. a term-by-term basis) outside Rotherham named in their EHCP or Statement of SEN will be allocated a maximum of 6 return journeys to/from their place of education. No additional journeys will be funded by the Council.

5.07 Some parents/carers may choose to use their own vehicle to transport their child/children to and from schools. They may be entitled to a personal budget e.g. when no spaces are available on existing transport, or where no contracted transport provision exists. This will only be paid for the journeys **when the eligible child is travelling in the vehicle.** Further information can be obtained from education.transport@rotherham.gov.uk

5.08 Any extra transport equipment, seating, restraints, or training required due to the pupil’s physical, medical or behavioural needs which require supervision during travel will usually be arranged by the Council. In some circumstances, an agreed written individual transport care plan will be required to be signed by the parent/carer, before the pupil can travel on any contracted vehicle.

5.09 Where a vehicle collects a child from the home address, drivers will not usually leave the vehicle to bring the child from the house. It is the responsibility of parents/carers to ensure their child’s safety with appropriate arrangements to accompany their child to and from the designated points, and to supervise them safely onto and off the vehicle. In exceptional circumstances, when agreed by the Council, a passenger assistant/driver may assist with movement of the pupil if they are specifically trained to do so.

5.10 If your child will be absent from school for any reason, such as illness or holiday, you must inform the Passenger Services Team (PST) as soon as possible to prevent unnecessary charges being made (especially if your child travels alone). You must inform the PST in advance when you need the transport to start again (**please note that 24 hours voicemail is available on 01709 334325**) or you can contact PST online at: R&E-PassengerTransport@rotherham.gov.uk.

5.11 If your child is due to receive medical treatment which affects their mobility and fitness to travel, you must inform the Passenger Services Team at: R&E-PassengerTransport@rotherham.gov.uk at least 10 working days in advance so that an updated transport assessment can be undertaken. Your child may be refused transport provision until this assessment has taken place and it is deemed safe for them to travel again.
5.12 If a pupil is transported in a wheelchair, it is the parents/carers responsibility to ensure that this is in good condition and free of defects, including any wheelchair harness. Any defects should be reported and rectified urgently to ensure the safety of the child by contacting Wheelchair Services at Rotherham.wheelchairs@rothgen.nhs.uk
Defective equipment will result in transport being stopped as all drivers are instructed to refuse to transport pupils with defective wheelchairs.

5.13 If your child is due to change a wheelchair or buggy, including seating system, you must inform the Contract Monitoring Officer at least 10 working days in advance at R&E-PassengerTransport@rotherham.gov.uk. It is important that the correct restraints are used to secure the wheelchair into the vehicle. All drivers are instructed to refuse transport provision for pupils if changes are made until it is confirmed safe for the pupil to travel again.

5.14 If your child has a medical care plan for transport, where treatment or equipment is essential for the child’s health (e.g. epipen, inhaler, vagal nerve stimulator magnet, suction machine etc.), it is the responsibility of parents/carers to ensure this is sent with the child. This should always be in date and in good working order otherwise your child will be refused transport by the driver or passenger assistant.

5.15 Transport staff will not administer medicines unless these are part of the transport care plan and staff have received appropriate training. It is important that such medicines are in date, clearly identified with the pupil’s name, date of birth and the dosage prescribed.

5.16 Parents/Carers are advised to contact their child’s school, to discuss the transfer of items such as letters, money or common medicines. Transport staff may be able to agree to carry these but cannot accept responsibility.

5.17 As a parent/carer you must ensure that a responsible adult meets the child when they are dropped off by the transport provider. If an emergency occurs which prevents this, the Passenger Services Team should be informed urgently (Tel. 01709 334322 or 334325). In the event of a responsible adult not being available, the transport operator will contact the Passenger Services Team. If the issue cannot be resolved the Multi-Agency Safeguarding Hub (MASH) (Tel. 01709 336080) will be informed and the child may be taken to a place of safety until they are collected by a responsible adult.

5.18 In the event of a pupil exhibiting persistent, deliberate, disruptive or dangerous behaviours (including physical and verbal abuse), the Local Authority may withdraw their transport provision. Parents/Carers will be expected to make their own arrangements to ensure their child attends school.

Please visit www.rotherhamsendlocaloffer.org for further information and a range of online forms.

6. PERSONAL BUDGETS

A personal transport budget (PTB) can be provided where requested, to parents/carers for children/young people who are eligible for transport assistance. This will enable families to make their own flexible arrangements to achieve the best travel arrangements for their child/young person instead of the traditional services that are currently provided. Parents / Carers will need to ensure that the child/young person can travel to and from educational
establishment on time and that does not negatively affect their ability to access educational provision.

7. **INDEPENDENT TRAVEL TRAINING**

Pupils aged 14+ who have been assessed as requiring transport assistance may receive support for independent travel training to enable them to travel independently. Each personalised programme will ensure that young people will be fully trained to carry out their journey from home to their place of education. It will also improve their ability to access social and leisure activities and reduce their reliance on individual transport which is not available during weekends, evenings and school holidays.

8. **TRANSPORT POLICY STATEMENT FOR LEARNERS AGED 16-19 YEARS IN FURTHER EDUCATION AND TRAINING AND CONTINUING LEARNERS WITH A LEARNING DIFFICULTY AND/OR DISABILITY (LLDD) AGED 19 AND OVER**

**Summary of policy statements and main objectives**

8.1 There is no automatic entitlement to free home to school or college transport once a learner is over 16 years and beyond statutory school age. Responsibility for making appropriate transport arrangements rests with the learner and/or parents/carers.

8.2 Providing assisted transport (e.g. taxis, specially adapted vehicles) will only be given for learners with special educational needs and disabilities who have had their needs assessed against set criteria including distance, age, mobility and the effect of their complex needs on their ability to travel, compared to their peer group. This may include:

- Communication and Interaction Difficulties
- Cognition and Learning Difficulties
- Specific Learning Difficulties
- Social, Emotional and Mental Health Difficulties
- Sensory and/or Physical Needs which severely restricts mobility

8.3 Learners with special educational needs, and disabilities, who have received transport assistance and are moving from statutory education (Y11) to further education, will need to have their transport needs reassessed when they apply for transport provision. This is to ensure that any assistance offered is suitable to meet those needs. Continuing post 16 learners will also have their transport needs reviewed at least on an annual basis.

8.4 Learners must be permanently resident within the Rotherham Borough.

8.5 This policy outlines what transport support is available when starting a full time (over 12 guided learning hours per week) further education course up to the age of 19 and those learners aged 19 and over with a learning difficulty and/or disability.

8.6 This policy covers the statutory duties of the Local Authority under Section 509AA of the Education Act 1996 and subsequent amendments. It only applies to residents of the Rotherham Borough area. Further information can be obtained by visiting [www.gov.uk](http://www.gov.uk)

SUPPORT FOR POST 16 LEARNERS WITH EDUCATION, HEALTH & CARE PLANS (EHCP) OR SPECIAL EDUCATIONAL NEEDS OR DISABILITIES (SEND)

A Disabled Person’s Pass may be available to some Rotherham residents who are over the age of 16 following assessment. Please refer to Section 2.10 of this policy.

Those unable to take advantage of the above Disabled Person’s Pass should contact student services at their chosen college or school sixth form.

All learners with an Education, Health & Care Plan (EHCP) or Special Educational Needs or Disabilities (SEND) should have their transport needs reassessed when they move from compulsory schooling to post 16 education. This is in accordance with the Post 16 Transport to Education and Training Statutory Guidance for Local authorities:

10.1 Post 16 learners will be aged between 16 and 18 years at the start of the academic year (i.e. September) and those continuing learners who started their programme of learning before their 19th birthday.

10.2 Post 16 learners are expected to take advantage of the concessionary fare schemes so they can access public transport for their daily travel to and from school/college in and around the Rotherham Borough. The following learners will, however, be considered for transport assistance under this policy:

- Consideration will be given to learners who have communication and interaction difficulties, cognition and learning difficulties, specific learning difficulties, social, emotional and mental health difficulties, sensory and/or physical needs which affect their ability to travel.

- The distance between home and school or college, offering a suitable course, must exceed 3 miles by the shortest available route. This may be disregarded where learners require assisted transport as a result of their learning difficulty and/or disability.

10.3 Young people will be engaged in learning or training at:

- A school (including academies)
- A further education institution
- An Authority maintained or assisted institution providing further education
- An establishment funded directly by the Education Funding Agency (EFA) e.g. independent specialist providers for learners with learning difficulties and/or disabilities
- A learning provider that is funded by the local authority to deliver accredited programmes of learning (this could include colleges, charities and private learning providers)

10.4 Learners are encouraged to attend courses within the Rotherham Borough. Specific details of the course and reasons for choice will need to be given in order that an assessment can be made, having due regard to the efficient and effective use of resources.

10.5 The Council supports the principle of young people having a reasonable opportunity to choose between the courses available to learners at post 16 and be supported to access their choices.
10.6 Reasonable choice will include enabling young people to choose courses outside the Rotherham boundaries if it makes sense for them to do so. The Council will be mindful of our neighbouring local authorities transport policies and consider how this transport policy can support movement across boundaries (i.e. South Yorkshire).

10.7 Reasonable choice will also include enabling young people to choose an establishment of education that is not the closest to where they live, if it makes sense to do so.

10.8 The following information will also be required to support the learner’s application for assistance:

- Recent medical evidence from a GP, Consultant, specialist service or other qualified person, which is no more than 3 months old.
- Supporting evidence/recommendation from Education, Health and Care Assessment Team.

Please be aware that failure to provide all the evidence may result in a delay in your application being processed or your application being refused.

11 How will Post 16 learners be assessed for assistance?

11.1 Learners are expected to take advantage of the concessionary travel arrangements available. However, if a learner can demonstrate they have exceptional circumstances as to why other assistance may be required, then the appropriate transport enquiry form should be completed. This form is available online on the Council Website: https://www.rotherham.gov.uk/forms/form/548/en/further_education_transport_enquiry

11.2 Completion of the transport enquiry form does not mean learners are eligible for transport assistance. The form is an expression of interest in order that the Council can undertake an assessment.

11.3 The Council will consider the enquiry and make a determination of whether the learner qualifies for transport and what this provision should be. Each case will be assessed individually and will depend upon their particular needs and circumstances. Please see section 8.2 for qualifying categories. Those learners with an EHCP who are vulnerable to becoming not in education, employment or training (NEET) at the age of 16 or 17 or who have already become NEET; these young people should be offered a suitable course of education or training and may be provided with any transport support that is necessary to enable them to participate.

11.4 Where assisted transport has been recommended, this may be provided as any of the following (including personal travel budgets):

- A zero fare bus pass which entitles a pupil to free bus travel between the nearest bus stop to their home address and their registered school base.
- Refunded travelling expenses according to the cheapest available public transport route for those pupils able to access public transport services.
- Personal Travel Budgets are a distance calculation in accordance with the Council’s current rate, for pupils requiring special arrangements, provided that the arrangement makes financial sense to the Local Authority. Calculations will only be determined for the journeys when the pupil is in the vehicle.
- Independent Travel Training
• Free or subsidised travel on a coach, minibus, taxi or specially adapted vehicle if the pupil is unable to travel by public transport due to their mobility, or effect of their complex special educational needs.

Parents/carers will be required to make a financial contribution towards the cost of the transport provided. See section 13 for further details.

11.5 Approval for transport assistance will usually be for the academic year only. Each case should be reviewed annually in time for the start of the next academic year to ensure the arrangements are still appropriate. If there are any changes to individual circumstances prior to this, such as change of address, change in needs as referred to in section 8.2 of this policy, or if the learner is able to walk, cycle or drive to school/college, it is the responsibility of the learner and/or parents/carers to inform the Council to ensure the necessary review is undertaken.

11.6 Transport is usually only provided at the beginning and end of the school/college day. The Council will not fund additional transport during the day, inter-site transport, work placement transport or induction visits and enrolment days. Transport support will not usually be provided for any learners during the first week (induction) of the new academic year. It is expected that families will make their own transport arrangements until the learner’s timetable has been finalised.

11.7 Where transport support is provided, no variation can be made to the journey without the prior consent of the Council.

11.8 Learners who are in receipt of transport support and subsequently fail to attend school or college, without a valid reason, may have their transport support suspended or withdrawn.

12. APPRENTICESHIPS/TRAINEESHIPS

Transport assistance is not provided to learners undertaking work placements, apprenticeships or traineeships. In these circumstances learners are advised to contact their employer or learning provider for advice.

13. CHARGES FOR TRANSPORT ASSISTANCE

13.1 Charges apply to all post 16 learners where they require help in travelling to school or college regardless of whether they are living in the parental home or sheltered/residential accommodation.

13.2 Learners and/or parents/carers will be notified of the charges in advance of the travel arrangements and usually invoiced as soon as possible before the start of each term. These charges must be paid immediately so that transport arrangements can be made. Every opportunity will, however, be given for learners and/or parents/carers to pay the charges by smaller, more manageable, payments suitable to the learner and/or parent/carer if requested.

13.3 Where it has been agreed to provide transport assistance within the Rotherham Borough, learners and/or their parents/carers will be charged on a termly basis (i.e. 3 invoices per year will be sent, usually before the start of each term) based on the current cost of the concessionary student fare of 80p per journey, and school term dates. The approximate costs per school terms 2018-19 are as follows:
Autumn term 2018 (Sep – Dec) 14 weeks @ £8.00* per week = £112.00
Spring term 2019 (Jan-Mar) 13 weeks @ £8.00* per week = £104.00
Summer term 2019 (Apr-July) 13 weeks @ £8.00* per week = £104.00

**Charges are based on one return bus journey per day at £1.60**

*This can be subject to change. Charges will depend on school/college actual term dates, actual number of days per week students attend school/college and the cost of the concessionary bus fare.

13.4 Where it has been agreed to provide transport assistance to provision outside the Rotherham Borough, learners and/or parents/carers will be charged with 3 invoices per year usually before the start of each term based on the current cost of the concessionary student fare of 80p per journey, and school term dates. The approximate costs per school terms 2018-19 are as follows:

Autumn term 2018 (Sep-Dec) 14 weeks @ £16.00* per week = £224.00
Spring term 2019 (Jan-Mar) 13 weeks @ £16.00* per week = £208.00
Summer term 2019 (Apr-July) 13 weeks @ £16.00* per week = £208.00

**Charges are based on four bus journeys (2 return journeys) per day at £3.20**

*This can be subject to change. Charges will depend on school/college actual term dates, actual number of days per week students attend school/college and the cost of the concessionary bus fare.

**The journey to some learning providers may require more than one bus journey each way.

13.5 Refunds of transport costs cannot be made for occasional day’s absence. If, however, the learner is absent for a full week (e.g. due to illness/holiday) then refunds will be considered upon receipt of confirmation of attendance details from the school/college.

13.6 Where the learner and/or parents/carers during the course of the academic year fail to make payments or make a reasonable contribution towards their assisted transport, engage with the Council’s Sundry Accounts Team to secure a manageable payment plan, or submit an appeal, then the learner may have their assisted transport withdrawn. This action will only be taken as a last resort after all other options have been explored.

14. **FINANCIAL HARDSHIP**

16 to 19 Student Bursary Fund

The 16-19 Student Bursary Fund is designed to help support those young people who face the greatest barriers to continuing in education or training post 16. If the learner is aged between 16 and 19 years, and think they may struggle with the costs for full-time education or training, they may be eligible for a bursary. This can be used to assist with transport costs.

Students in the following groups may receive the maximum bursary of £1,200 a year:

- young people in care
- care leavers
- young people claiming income support in their own name
- disabled young people who receive both Employment Support Allowance and Disability Living Allowance or Personal Independence Payment in their own name.
To receive the maximum bursary the course must last for 30 weeks or more. If the course is shorter than 30 weeks, the student may receive less funds.

Other students facing genuine financial difficulties may be awarded a bursary at the discretion of their school, college or training provider.

Further information can be obtained directly from the learner’s school or college on how to apply for a bursary.

Full details of the bursary scheme are available on the Directgov website at: www.gov.uk/1619-bursary-fund.

14.1 Families experiencing financial hardship (low income families or learners) can apply to have the transport charges waived. Consideration will be given as to whether or not the learner has applied for, or is in receipt of, an allocation from the 16-19 bursary fund from the learning provider.

14.2 Eligibility for help with transport to school/college is not dependent on means testing, but a means test will be used to determine whether the contribution towards the transport costs should be waived for low income families. The Transport Policy Statement for Learners aged 16-19 years in Further Education, uses the low income eligibility criteria as set out in the Education and Inspections Act 2006, e.g.: Free School Meals eligibility in Y11 or being in receipt of the maximum level of Working Tax Credit. Written evidence of these benefits will be requested by the Council and where evidence has not been provided (or is not relevant to the period in which transport is being provided) charges will be made.

15. RAISING THE PARTICIPATION AGE

From 2015, all young people up until the end of the academic year in which they turn 18 are required to participate in education or training. There is no change to the statutory school age which remains at 5 to 16 years.

This change did not extend the entitlement for the provision of free transport assistance beyond Y11, as it does not mean that the learner has to stay at school. They may choose to work full time and study part time, continue full time study at school or college, be involved in part time training whilst volunteering or follow an apprenticeship.

More information about Raising the Participation Age can be obtained from the Department of Education website at:-

This continues to mean that transport will only be allocated to learners who qualify under the criteria as set out in Section 8.2.

16. 19 – 25 LEARNERS

Learners who are aged 19-25 and have an Education Health and Care Plan (EHCP) should contact their education provider to discuss the possibility of transport assistance.
17. APPEALS PROCESS AGAINST THE LOCAL AUTHORITY’S REFUSAL TO PROVIDE TRANSPORT ASSISTANCE

The decision regarding refusal of free home to school transport assistance is based upon information available to officers at the time of the assessment. Parents/Carers have the right to appeal against the Local Authority’s decision not to provide transport assistance if they feel that an error has been made in the assessment of the entitlement, distance measurement, route safety or there are exceptional circumstances that breach this Policy.

17.1 Appeal Timings

The Home to School Travel and Transport Guidance - July 2014 issued by the Department of Education, recommends the timings of Appeals procedures. These are recommended timings and not compulsory but every effort will be made to meet these.

Stage 1 Appeal Review
Parents/Carers must, in writing, within 20 working days of the original decision, request a review of the original decision which will be undertaken by a Senior Officer (Stage 1 Review). Requests to appeal should be made in writing to education.transport@rotherham.gov.uk Parents/Carers will be provided with a notice of appeal form, which must be completed and returned within 20 working days. This should be accompanied by any other relevant evidence or medical reports that the parent/carer intends to rely upon. All evidence provided, together with a statement of appeal explaining the reasons for the original decision will be submitted to the Senior Officer for consideration.

Following the Stage 1 review the Senior Officer will respond in writing, within 20 working days of receipt of the parental request and receipt of the completed Notice of Appeal, either upholding or overturning the original decision. This will explain the reasons for the review decision and unless the original decision is overturned, offer the parent/carer the opportunity to escalate their appeal to be heard by an independent panel (Stage 2 Appeal Review).

Stage 2 Appeal Review
Parents/Carers must confirm in writing their request for the appeal review to progress to Stage 2 within 20 working days of the letter confirming the outcome of the Stage 1 Appeal Review. Upon receipt, a statement of appeal will be prepared and all evidence submitted to an independent panel which has had no involvement in either of the previous decisions. The independent panel will review the previous decisions and the parental grounds for appeal within 40 working days. The outcome will be communicated to the parent/carer in writing within 5 working days of the panel hearing by the Council.

A Stage 1 or Stage 2 decision will be effective for the complete academic year following which entitlement will be reviewed for the next academic year. You will then again have the right to appeal this decision if necessary.

If there is a change in individual circumstances during the academic year, such as change of address or mobility needs, it is the responsibility of the parent/carer to inform the Passenger Services Team to ensure a review is undertaken by e-mailing: education.transport@rotherham.gov.uk.
Flowchart of the Appeals Process

Officer A declines the home school travel application or offers travel arrangements that the parent/carer considers 'unsuitable'

**Parent/Carer challenges (within 20 working days)**
Parent/Carer challenges Officer A’s decision on the basis of
- entitlement
- distance measurement
- route safety
- consideration of exceptional circumstances

**Stage 1 (within 20 working days): Review by a Senior Officer**
Officer B (a senior officer) reviews Officer A’s decision and sends the parent/carer a written notification of the outcome including
- detailed reasoning for decision made
- notification of option to escalate to stage 2

**Parent/Carer challenges (within 20 working days)**
Parent/Carer challenges officer B’s (the senior officer) decision

**Stage 2 (within 40 working days): Review by an Appeal Panel**
Independent appeal panel (officer A or B must not sit on panel) considers written/verbal representations from parent/carer. The appeal panel is independent of the Stage 1 process and suitably experienced.

A decision letter is sent to parent/carer (within 5 working days), including how to escalate the case to Local Government Ombudsman (LGO). Parents/Carers may contact the LGO if they feel that the Local Authority’s procedures have not been followed.
