25-Policy

To be read & signed by all staff.

Name: Michelle Walker

All businesses must have a signed '25-Policy' and have signs and policies on display in the store to advise the public.

What this '25-Policy' means is simply:

1. If you suspect a customer buying alcohol appears to be under the age of 25, then you must ask for proof of age.
2. If they cannot provide any form of acceptable photo ID, then refuse to serve.
3. If they CAN provide an acceptable form of photo ID that shows them to be age 18 or over, then you can serve them.

If the customer you suspect to be under 25 has no form of acceptable ID, but protests that they are 25 or 21, be sceptical. Don't give them the benefit of the doubt and serve them. Once you have the proof of age in your hand that they may be under 25 and they demand you serve them, then the sale MUST be refused. Do not risk a criminal conviction and a fine of up to £5000. REFUSE THE SALE. You must also be aware that an EPDS (and possibly other) can be used to identify the person who is under 25. If an underage sale is made.

***Please note - remember, if the customer ID shows them to be 18 or over, then you can serve them. The 25-Policy DOES NOT mean that we only serve customers aged 25 or over. It means that we ask for ID if we suspect them of being under 25.

The following acts and omissions are regarded as gross misconduct and could lead to your immediate dismissal without notice:

1. Selling intoxicating liquor, cigarettes, tobacco or any other age restricted products to persons who are underage
2. Not complying with the Under 25 Policy

If you need guidance or constructive feedback to read, it is a requirement that you read this policy every time you check a person's ID, to ensure that you are complying with the Challenge 25 Policy.

25-Policy

To be read & signed by all staff.

At Bargain Booze, we operate a strict "25-Policy" and have signs and notices on display in the store to advertise this policy.

What this "25-Policy" means is simply:

1. If you suspect a customer buying alcohol appears to be under the age of 25, then you must ask for proof of age.
2. If they cannot provide any form of **acceptable** photo ID, then politely refuse service.
3. If they CAN provide an **acceptable** form of photo ID that shows them to be age 18 or over, then you can serve them.

If the customer you suspect to be under 25 has no form of **acceptable** ID, but protests that they are 20 or 21, for instance, then you **CANNOT** give them the benefit of doubt and serve. Once you have the seed of doubt in your mind that they may be under 25 and they cannot prove otherwise, then the sale **MUST** be refused. Do not risk a criminal conviction and a fine of up to £5000 – **REFUSE THE SALE. You may also be issued with an £80 fixed penalty notice (on the spot fine) for disorder by Police if an underage sale is made.**

*** Please note – remember: if the customer's ID shows them to be 18 or over, then you can serve them. The 25-Policy DOES NOT mean that we only serve customers aged 25 or over – it means that we ask for ID if we suspect them of being under 25.*

The following acts and omissions are regarded as **gross misconduct** and could lead to your instant dismissal without notice.

1. Selling intoxicating liquor, cigarettes, lottery or any other age restricted product to persons who are underage.
2. Not complying with the Under 25 Policy.

If you need glasses or corrective lenses to read, it's a requirement that you wear them every time you check a person's ID, to ensure that you are complying with the Challenge 25 Policy.

All staff should know where this Refusals Register is kept, and should write an entry whenever an age-related sale is **REFUSED**. A Trading Standards Officer will ask to see it if they visit your store.

The manager will sign off and date each page of this register, which will be kept in a safe place away from customers.
