Report Summary

The Proper Officer is required to notify the Council of any change in the political balance of the authority or the operation of new political groups under the Local Government (Committees and Political Groups) Regulations 1990. Since the Annual Meeting on 22 May 2019, the Proper Officer has received notification of the operation of a new political group.

With effect from 16 July 2019, there are two political groups in operation on the Council – the Brexit Party Group (12 Members) and the Labour Group (48 Members) – with three non-aligned Members, who are not in a political group.

There are 149 seats available on committees, boards and panels and under the calculation the Labour Group is entitled to 114 seats and the Brexit Party Group is entitled to 28. This leaves 7 seats which cannot be given to members of the political groups and should be allocated to the three non-aligned councillors.

The authority has two seats on the South Yorkshire Police and Crime Panel, one of which was appointed to on 22 May 2019. The current vacancy must be filled by a member of the Brexit Party Group and be appointed to by the Council.

Recommendations

1. That the operation of two political groups on the Council and the detail of their designated Leaders be noted:
 - (a) Labour Group – Councillor Chris Read (Leader of the Council)

(b) Brexit Party Group – Councillor Allen Cowles (Leader of the Majority Opposition Group)

2. That the entitlement of the membership of the political groups and non-aligned Members be agreed and such entitlements be reflected in Council's appointments of members to committees.
3. That approval be given to the appointment of Members of the Brexit Party Group to committees, boards and panels, and the appointment of Vice-Chair of the Health Select Commission, as set out on the schedule to be tabled at the meeting.
4. That the Council appoint a representative from the Brexit Party Group to serve on the South Yorkshire Police and Crime Panel.

Membership of Political Groups on the Council, Political Balance and Entitlement to Seats

1. Background

- 1.1 Section 15 of the Local Government and Housing Act 1989 places on local authorities the duty to allocate seats to political groups and sets out the principles to be followed when determining such allocation. The main principles, which must be satisfied sequentially, include:
- (a) That the number of seats on ordinary Committees/Bodies ... which are allocated to each political group bears the same proportion to the total of all the seats on the ordinary Committees of that Authority, as is borne by the Members of that group to the membership of the Authority (i.e. the allocation of the total number of seats available must mirror the political composition of the council).
 - (b) That the number of seats on the Body (Committee, etc.), which are allocated to each political group, bears the same proportion to the number of all the seats on that Body as is borne by the number of Members of that group to the membership of the Authority (i.e. the allocation of seats on individual committees must mirror the political composition of the council).
- 1.2 Local authorities are able to depart from the statutory provisions where there is unanimous agreement to do so.
- 1.3 Those members not in a political group are entitled to a due share of seats, although the council will decide how to allocate seats to non-aligned councillors.

2. Political Groups

- 2.1 The Proper Officer has received formal notification, under the provisions of the Local Government (Committees and Political Groups) Regulations 1990, of the establishment of a new political group in operation. The UK Independence Party Group has become the Brexit Party Group, with effect from 16 July 2019. The effect of this change means that the political balance of the Council is:

Name of Group	Designated Leader (number of Members)
Brexit Party	Councillor Allen Cowles (12 Members)
Labour	Councillor Chris Read (48 Members)

- 2.2 In addition to the change of political group, Councillor Peter Short has given notice to the Proper Officer of his intention to sit as a non-aligned (unaffiliated to a political party) councillor. Whilst Councillor Adam Carter is affiliated to the Liberal Democrats and Councillors Jepson and Short are unaffiliated to a political party, none of these Members belong to a political group. For the purpose of this report, Councillors Carter, Jepson and Short are regarded as non-aligned councillors.

2.3 If this section extends beyond two pages, sub-headings should be used to make the report easy to follow.

3. Allocation of Seats

3.1 The allocation process must be applied 'so far as is reasonably practicable' to achieve a balanced outcome. The allocation of the 149 seats to the two political groups is determined by the following formula:

$$\frac{\text{Number of Members of Political Group}}{\text{Total Number of Members of Council}} \times \text{Number of Seats to be allocated}$$

For the 149 seats available in applying principle (a) in paragraph 1.1, this gives:

Political Group	Seat Entitlement
Labour	114
Brexit Party	28
Non-aligned	7
TOTAL	149

3.2 Application of principle (b) in paragraph 1.1 of this report, relating to the number of seats on individual committees, gives the following:

	Seats Available	Labour	Brexit Party	Non-aligned
Regulatory Committees/Boards				
Audit Committee	5	4	1	0
Licensing Board	21	16	4	1
Licensing Committee	15	11	3	1
Planning Board	15	11	3	1
Staffing Committee	5	4	1	0
Standards and Ethics Committee	8	6	2	0
Overview and Scrutiny				
Overview & Scrutiny Management Board	12	9	2	1
Health Select Commission	18	14	3	1
Improving Lives Select Commission	18	14	3	1
Improving Places Select Commission	18	14	3	1
Other Bodies				
Corporate Parenting Group	5	4	1	0
Introductory Tenancy Review Panel	4	3	1	0
Joint Consultative Committee	5	4	1	0

	Seats Available	Labour	Brexit Party	Non-aligned
TOTAL	149	114	28	7

- 3.2.1 This calculation reflects the entitlement to seats from the calculation under principle (a).
- 3.2.2 Under the application of both principle (a) and principle (b) the non-aligned councillors have an entitlement of 7 seats.
- 3.2.3 As the non-aligned councillors are not a group under the provisions of the Local Government (Committees and Political Groups) Regulations 1990, there is no requirement to appoint those members to those seats. The Council has the discretion to appoint the non-aligned councillors to none, some or all of the four seats available. The Council may not appoint members of other political groups to fill those seats.

4. Appointment of Vice-Chair of Health Select Commission

- 4.1 At the annual meeting of the Council in 2016, the recommendations of the Governance Working Group were approved which introduced a provision for the Vice-Chair of the Overview and Scrutiny Management Board to be a member of the main opposition party and for the allocation of the positions of Chair and Vice-Chair on the Select Commissions according to the political balance of the council.
- 4.2 Applying the principles of political balance to the positions available on the council's Overview and Scrutiny bodies, the entitlement is set out in the table below:

	Chairs	Vice-Chairs
Labour	4	2
Brexit Party	0	1 (inc. Overview and Scrutiny Management Board)
TOTAL	4	4

- 4.3 It is a matter for the political groups to nominate Members as Chairs and Vice-Chairs of the Overview and Scrutiny bodies. There is no provision in law or within the Constitution for the other bodies of the council to appoint Chairs or Vice-Chairs according to the authority's political make up.
- 4.4 Following Councillor Short's decision to leave the former UK Independence Party Group, the role of Vice-Chair of Health Select Commission is vacant. With the Brexit Party Group now being the main opposition group on the Council, this role should be filled by a member of the Brexit Party Group. Nominations should be submitted to the Head of Democratic Services prior to the Council meeting on 24 July 2019.

5. South Yorkshire Police and Crime Panel – Appointment of Members

- 5.1 On 22 May 2019, the Council appointed Councillor Sansome to serve on the South Yorkshire Police and Crime Panel as the Labour Group representative. The Council did not appoint a representative from the former UK Independence Party Group.
- 5.2 The Police & Crime (Nominations, Appointments and Notifications) Regulations 2012 require the Council to notify the Secretary of State where it fails to nominate or appoint to the police and crime panel for the local force area. In June 2019, the Chief Executive wrote to the Home Secretary to advise that the Council did not appoint to the seat to which the former UK Independence Party Group was entitled. In the event of the Council failing to appoint, the Home Secretary will be entitled to discharge powers under these regulations to appoint a representative to serve on the South Yorkshire Police and Crime Panel.
- 5.3 Following the notification of the operation of a new political group, the entitlement to nominate to the vacancy on the South Yorkshire Police and Crime Panel has transferred to the Brexit Party Group. The Council will then be required to vote on the nomination received to confirm the appointment to the Police and Crime Panel.

6. Timetable and Accountability for Implementing this Decision

- 6.1 Following the change in political balance and the operation of a new political group, there is a requirement for the Council to make appointments to committees, boards and panels, as well as to the South Yorkshire Police Crime Panel at its meeting on 24 July 2019.

7. Financial and Procurement Advice and Implications

- 7.1 There are no financial and procurement implications directly arising from this report.

8. Legal Advice and Implications

- 8.1 The legislative requirements in respect of political balance and entitlement to seats are set out earlier in this report. In addition to this, the report has confirmed that the authority to appoint a representative to the South Yorkshire Police and Crime Panel will transfer from the authority to the Home Secretary in the event of the Council failing to appoint a Member to serve on that joint committee.

9. Human Resources Advice and Implications

- 9.1 There are no human resources implications arising from this report.

10. Implications for Children and Young People and Vulnerable Adults

10.1 The appointment of members to serve on committees and other bodies of the council will indirectly impact on children and young people and vulnerable adults through the activities and decisions of those bodies. There are no apparent direct implications at the time of writing this report.

11. Equalities and Human Rights Advice and Implications

11.1 There are no equalities implications arising from the report. Political groups are required to have regard to the provisions of the Equality Act 2010 when nominating Member appointments to committees and other offices.

12. Implications for Partners

12.1 The appointment of councillors to serve on external bodies and partnerships is designed to have a positive impact on the council's relationship with those organisations and enhance the relationship through the presence of accountable and elected representatives.

13. Risks and Mitigation

13.1 By having regard to the detail of the report above in respect of meeting statutory requirements, any risk implications will have been mitigated. Consequently there are no risks to be borne in mind in respect of the recommendations.
