- 3.6 Risk 9 Change in Law risk - this risk has been increased due to the release of the Waste and Resource Strategy and supporting consultations. The consultation outcomes may result in legislative change that will potentially have impacts on service design in the region.
- 3.10 Risk 7 Insurance risks remain the highest risks although insurance has been obtained for 2019/20. This is due to the hardening of the market and the requirement by the 3SE insurers for more mitigation equipment that has not as yet been installed.
