

Petition to: Change the Zebra crossing in Victoria Street, Kilnhurst, to a Pelican Crossing.

We the undersigned petition Rotherham Borough Council to Change the Zebra Crossing in Victoria Street, Kilnhurst, to a pelican Crossing. More details

More details from petition creator

The pedestrian crossing in Victoria Street, Kilnhurst has been a serious cause for concern amongst local residents for many years. It is currently a Zebra crossing with only dim Bellsha beacons. The crossing is on a main school route for many local children. There have been several serious accidents at this crossing resulting in injury, and residents feel it is only a matter of time before someone is more seriously injured, maimed or killed. We feel that the safest solution would be to change the crossing, to a Pelican Crossing with pedestrian controlled traffic lights.
