

Sub Scheme of Delegation Strategic Director of Regeneration of Environment

The Strategic Director of Regeneration and Environment is authorised in accordance with the Officer Delegation Scheme to carry out functions on behalf of Council and the Executive. Each Strategic Director has the benefit of a number of delegations – these are set out separately in two schemes; one for Council functions (delegated by Council) and one for Executive Functions (delegated by the Leader of Council). Each scheme is further separated into the general functions which are shared so that all Directors can carry out those functions in relation to areas within their remit, and specific functions which may only be carried out by or on behalf of the named Director. Details of those delegations can be found in Appendix 9 of the Constitution – Scheme of Delegation.

The Strategic Director has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the Strategic Director delegates functions to a fellow Strategic Director he/she makes it clear in this sub-delegation scheme whether that Strategic Director can sub-delegate those functions.

This scheme details the officers who can carry out each function on the Strategic Director's behalf, together with the details of any terms and conditions which the Strategic Director has imposed on that sub-delegation (examples can be found in footnote below). All officers are bound by the Employee Code of Conduct and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme.

Even though the Strategic Director has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme. An officer with sub-delegated authority may decide not to exercise that authority, or the Strategic Director may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Strategic Director for a decision or for referral to the relevant Committee if appropriate.

In some circumstances not all Strategic Directors have functions delegated to him/her in the delegation scheme. In these cases the relevant part of this sub-delegation scheme is marked as 'not applicable'. Where the Strategic Director has chosen not to sub-delegate his/her authority, this is clearly stated within the scheme. Decisions in relation to those functions should be taken by the Strategic Director unless the absence provisions at the end of this scheme apply.

Glossary

Group Delegations – Definitions and Priorities

The Strategic Director has chosen to delegate a number of functions to groups of officers. Where the same group of officers receive a number of separate delegations, in order to save space within the sub-delegation scheme, those groups of officers have been given a title. The following table sets out the title of each group of officers and lists the officers within each group. It also provides details of how it should be determined which of the officers within the group should take any given decision.

Group Title	Officers Included	Order of responsibility

Decision Making Procedure

In accordance with the process agreed by SLT, the directorate will submit items to Democratic Services for inclusion on the Forward Plan of Recorded Officer Decisions, which is published on a monthly basis. Given the wide variety of functions and decisions that this will encompass within the directorate, it is proposed that generic titles be used to ensure that Members have an awareness of likely decisions through the Forward Plan of Recorded Officer Decisions.

Decision makers within the directorate will consult the relevant Cabinet Member and Ward Members (where applicable) on the options and recommended course of action prior to taking a decision. Such reports will be prepared in accordance with the protocol for the preparation and sign-off of Cabinet reports. Where a Cabinet Member has disagreed with the proposed course of action in respect of an executive function, the decision maker should refer the report to Cabinet for determination.

Where a decision is taken, it will be accompanied by a report which will be approved in accordance with this sub-scheme of delegation. Once signed off by the decision maker, the report should be forwarded to Democratic Services. Democratic Services will prepare a decision record in respect of the matter, which will be reviewed by the Chief Executive, Monitoring Officer and Section 151 Officer prior to publication. Where the statutory officers raise concerns in respect of the proposed decision, the report should be referred back for review by the decision maker.

Democratic Services will notify the decision maker and Cabinet Member when the decision has been published online.
