**Proposed No Waiting at any time parking restrictions A618 Pleasley Road, Reservoir Road and Ulley Lane, Ulley – NF/XXX**

Dear B Nahal

At a Meeting of Ulley Parish Council held on Wednesday 28<sup>th</sup> July 2021, the Parish Council accepted change is necessary to deal with the problems around the bridge/reservoir, and hence the parking restrictions for the bridge itself were acceptable, however, it was resolved to object to the above proposal and ask that consideration be given to creating limited parking bays at either end of the reservoir bridge or propose alternative arrangements.

The Parish Council objects for the following reasons;

- It was felt that the lack of parking these proposals would create would have a displacement effect on parked vehicles towards Ulley Village creating additional and potentially dangerous situations due to narrow Streets.

While the need for change is accepted, Ulley Parish Council is not sure this is the correct resolution, however they completely support restrictions on the full length of the bridge.

Yours sincerely,

*S Whitaker*

Sarah Whitaker
