Dear Councillor Whomersley,

Following your question at Council on 12<sup>th</sup> January 2022, I am writing to provide you with information about street cleansing in Dinnington.

Enclosed are three documents:

1. Dinnington Cleansing Schedule – this describes the frequency of manual street cleaning and litter and dog bin emptying in Dinnington.
2. Mechanical Sweeper Schedule – this describes the frequency of cleaning using mechanical sweeping vehicles in Dinnington.
3. Finer detail work – this describes a number of areas that have been identified as a priority in the ward, for more intensive cleaning.

The frequency of manual cleaning in Dinnington is higher than in most areas of the borough as the area benefits from a member of staff being present five days per week (Monday, Wednesday, Thursday, Friday and Saturday).

I hope that this is useful.

Yours sincerely

**Councillor Dominic Beck**
