

## Initial Equality Screening Assessment (Part A)

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality and diversity.

A **screening** process can help judge relevance and provide a record of both the process and decision. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality and diversity
- whether or not equality and diversity is being/has already been considered, and
- whether or not it is necessary to carry out an equality analysis.

The Councils Financial Outturn Report 2020/21 to Cabinet on 19 July 2021 earmarked £2m for a Covid Recovery Fund from the £6.1m underspend position, delegating to Cabinet the authority to approve its use. The fund was created to take proactive steps in order to support local residents as they emerge from the pandemic. The funding is being brought forward to support residents now, to help residents against the backdrop of growing concerns around the cost of living due to inflation and significant increases in energy and fuel bills in particular. The Citizens Advice Bureau reported a 50% increase in the use of their services for financial support, with Advocacy and Appeals reporting a 66% increase in residents seeking support in the across the year from January 2021. In addition, the relaxation of Covid rules allows the Council to consider how best it can help people back into the community

The Council's Budget and Council Tax Report 2022/23, approved at Council on 2 March 2022 set out the first use of the Covid Recovery Fund, allocating £371k of the

fund towards 3 one off revenue budget investments for 2022/23, these were.

- Women’s Euro 2022
- Additional Call Handling
- Customer and Digital

This report sets out further proposals for use of the Covid Recovery Fund across the following areas;

- £500k Cash grant scheme to provide support for households with the rising cost of energy bills.
- £300k additional funding to top up the Councils Discretionary Housing Payments fund.
- £100k to support cultural recovery events and opportunities that will enable people to reconnect.
- £50k to facilitate the administration of these proposals.

The remaining funding of £0.679m will be retained within the Covid Recovery Fund so that further support can be targeted at issues that arise as the course of the boroughs recovery from Covid continues.

The Councils approach to the utility proposal will be open to all, so non-discriminatory, allowing people to apply online or over the phone, assisted if necessary. The DHP payments system is already a service that the Councils offer and is merely being topped up, this will just make support more accessible as the service will have more resources to allocate. However, both the Utility proposal and the DHP are most likely to support those people who are on lower incomes. The plans for the Events and CCOC will need to be drawn up at a later date when greater detail can be applied and any equality impacts reviewed in greater detail.

### 3. Relevance to equality and diversity

All the Council’s strategies/policies, services/functions affect service users, employees or the wider community – borough wide or more local. These will also have a greater/lesser relevance to equality and diversity.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation and any other relevant characteristics (for example socio-economic status, social class, income, unemployment, residential location or family background and education or skills levels).
