Report Summary

The Council's annual accounts are the principal means by which the Council is held publicly accountable to local and national stakeholders over the stewardship of its resources.

The report to Audit Committee in March 2022 highlighted the approach taken by the Council in ensuring that the draft unaudited Statement of Accounts would be published in accordance with the revised timescales and the Accounts and Audit Regulations 2015. This report factored in the revised timetable for the production of accounts in light of the Covid-19 impact and as a result of the Redmond Review (Sir Tony Redmond's review into the effectiveness of external audit and transparency of financial reporting in local authorities).

The draft unaudited Statement of Accounts 2021/22 will be published on the Council's website by 31 July 2022.

The final unaudited accounts will be presented at the end of September in line with the original timeline. However, Grant Thornton have confirmed that they will complete their audit by the revised audit deadline of the end of November 2022. This provides Members with an opportunity to consider the draft unaudited Statement of Accounts before Audit Committee is asked to formally approve them, post completion of Grant Thornton's audit, at its meeting in November 2022.

Recommendations

1. The Audit Committee is asked to receive the draft unaudited Statement of Accounts 2021/22.

Closure of the Accounts 2021/22

1. Background

- 1.1 The Code of Practice on Local Authority Accounting 2021/22 together with the Accounts and Audit Regulations 2015 set out the accounting and statutory framework for local authority financial reporting.
- 1.2 Under the Accounts and Audit Regulations 2015, local authorities are required to publish their unaudited accounts no later than 31 May accompanied by a Narrative Report and draft Annual Governance Statement. This triggers a period of 30 working days for local electors to exercise their rights to inspect the accounts and supporting records and to ask questions of the external auditor.
- 1.3 However, following recognition of the deliverability of quality accounts by this date in light of the Covid-19 outbreak the regulations were amended for the 2020/21 accounts to require publication of unaudited accounts by 31 July 2021. The Accounts and Audit (amendment) Regulations 2021 (SI no 2021/263) came into force on 31st March 2021 and extended the publication of the Statement of Accounts for the next two financial years (2020/21 and 2021/22). These amended regulations require draft accounts to be published by the 31st July (one month earlier than 2019/20) and final audited accounts by the 30th September (two months earlier than 2019/20). Subsequently the regulations have been revised again extending the final audited accounts to 30th November for the 2021/22 accounts and then 30th September for the following 6 years.
- 1.4 A revised timetable for the production of the Council's accounts was presented to Audit Committee in March 2022, indicating the Council's draft accounts would now be published on 31 July 2021. The draft unaudited Statement of Accounts 2021/22 will be published on the Council's website alongside the Narrative Report and draft Annual Governance Statement on 31 July 2022, in line with these revised timelines. The period for local electors to exercise their rights will commence on 1st August 2022 and cease on 12th September 2022.
- 1.5 The final external audit of the 2021/22 accounts had not commenced at the point of writing this report. The Council's external auditors have indicated that they will be able to meet the revised audit deadline of 30th November 2022.
- 1.6 Where appropriate, Grant Thornton will set out any material adjustments made to the accounts and any uncorrected differences of a non-trivial nature. Grant Thornton have indicated in their audit plan that the accounts materiality for planning purposes is £8.88m (£8.75m in 2020/21). Individual transactional level materiality will be set at £444k (£437k for 2020/21). Grant Thornton will revisit these materiality figures once 2021/22 draft accounts are published.

- 1.7 Audit Committee will be asked to formally approve the audited Statement of Accounts for publication having regard to Grant Thornton's findings and opinion on whether the accounts give a true and fair view of the Council's financial performance for the year and its financial position at the end of the year and whether they have been prepared in accordance with proper practice. The deadline for publishing the audited accounts is now 30 November 2022.

2. Key Issues

- 2.1 The Council's draft unaudited Statement of Accounts 2021/22 to be published on the Council's website are attached as Appendix 3. The accompanying Narrative Report is attached as Appendix 1. Appendix 4 shows the Council's response to enquiries from Grant Thornton about issues that inform their audit risk assessment. The areas covered include fraud, laws and regulations and accounting estimates.
- 2.2 The accounts have been produced in accordance with The CIPFA code of practice, there have been no new International Financial Reporting Standards (IFRS) to consider and include. The new standard for lease accounting, IFRS 16 was originally due to be implemented in 2021/22 but after consultation this has been delayed until 1st April 2024.

3. Options considered and recommended proposal

- 3.1 Compliance with the Accounts and Audit Regulations 2015 is a statutory requirement. The Regulations state that the Council's "responsible financial officer" is required to sign-off the draft unaudited Statement of Accounts by the statutory date and confirm that they are satisfied it presents a true and fair view of the Council's financial position for the financial year. However, the Audit Committee does have discretion over whether it wishes to receive the unaudited accounts before they are formally required to approve them for publication post audit.

4. Consultation on proposal

- 4.1 Close liaison continues to be maintained with the Council's External Auditors to ensure that complex accounting issues and action taken in response to changes to the local authority accounting framework are agreed in advance of the accounts being prepared.

5. Timetable and Accountability for Implementing this Decision

- 5.1 The statutory deadline for publishing the draft unaudited Statement of Accounts for 2021/22 by 31 July will be met. The statutory deadline for publishing the audited financial statements for 2021/22 is 30 November 2022.

Financial and Procurement Advice and Implications

5.2 There are no financial or procurement implications directly associated with closure of the accounts, other than the impact on the audit fee of having good quality financial statements and supporting working papers which meet Grant Thornton's expectations.

6. Legal Advice and Implications

6.1 None, other than ensuring compliance with the requirements of the Accounts and Audit Regulations 2015.

7. Human Resources Advice and Implications

7.1 There are no Human Resource implications arising from the report.

8. Implications for Children and Young People and Vulnerable Adults

8.1 There are no implications arising from the proposals to Children and Young People and Vulnerable Adults.

9. Equalities and Human Rights Advice and Implications

9.1 There are no implications arising from this report to Equalities and Human Rights.

10. Implications for Partners

10.1 The NHS requires information on how the pooled budgets operated under the Better Care Fund have been spent to an earlier timetable than that of the Council. Arrangements have been made to ensure this earlier timetable is met. There are no other implications arising from this report to Partners or other directorates.

11. Risks and Mitigation

11.1 Robust project management arrangements have been put in place to ensure that the timetable is adhered to and quality standards met.
