

Meeting Date	Items for Scrutiny	Scope	Recommendations
7 June 2022	Draft Enviro-Crime Plan	Members to feed into the three-part early draft plan	<ol style="list-style-type: none"> 1. That the report be noted and the next update, including information in respect of performance measurement, clean-up and removal cost breakdowns, graffiti removal response times and a summary of work in schools, be submitted 12 months from implementation. 2. That consideration be given to expanding the work with private landlords and provision of support to communities where there may be an eyesore or public health concern on private or common land. 3. That the service avail all appropriate channels to further promote and publicise services and schemes to help residents dispose of waste responsibly and affordably. 4. That the service continue to engage elected members and community groups to maximise the local knowledge available to the service to inform deployment of assets, resources and schemes. 5. That forthcoming work on customer and digital interface include ward- or neighbourhood-level demonstrations where appropriate with a view to broadening access to information and support around responsible waste disposal. 6. That the service clarify the process for addressing contaminated recycling bins, and that any removal of such be coordinated with direct engagement with the resident, with a view to enhancing understanding of processes and resident responsibility.

			<ol style="list-style-type: none"> 7. That the responsiveness of the graffiti removal teams be noted, and that the service provide Members with information in respect of graffiti removal. 8. That the service explore potential restorative justice approaches to dealing with waste offences.
	Initial Work Programme	Members to feed into the outline schedule of scrutiny work for 2022/23 municipal year.	<ol style="list-style-type: none"> 1. That the report and initial schedule of work be noted. 2. That authority be delegated to the Governance Advisor in consultation with the Chair and Vice-chair to make changes to the schedule of work as appropriate between meetings, reporting any changes back to the next meeting for endorsement.
	Scrutiny Review Recommendations - Markets Engagement and Recovery	To consider and endorse the findings and recommendations from the site visit and review of markets engagement and recovery from the pandemic.	<ol style="list-style-type: none"> 1. That a review of the Council’s Rules and Regulations in respect of Markets be added to the IPSC work programme. 2. That the following recommendations from the review be endorsed for submission to Overview and Scrutiny Management Board: <ol style="list-style-type: none"> a. That face-to-face consultations and clear communication be prioritised in all interactions with vendors and traders. b. That the service avail case studies and resources available in the libraries of NABMA and NMTF to inform the strategic refresh of Rotherham markets. c. That the service re-evaluate the support offer for new vendors, in consultation with NABMA and NMTF, with a view to encouraging more new vendors to continue trading beyond the six-month introductory period. d. In view of relevant expert advice in respect of sustaining a market during redevelopment works, that retaining traders through the redevelopment phase be considered top priority.

			<ul style="list-style-type: none"> e. That any re-design of markets spaces duly consider usability and aesthetics, availing market research to optimise spaces for inclusiveness and accessibility, and to make the offer especially attractive to students and young people. f. That consideration be given to how the redesign and operation of the market may best cater to the needs and interests of younger generations by strengthening links with RNN student populations and extending opportunities to new entrepreneurs through the Young Traders Scheme. g. Recognising that the Town Centre markets complex represents a unique and distinct microeconomy with its own accompanying needs and character, that consideration be given to the ongoing management resource required to sustain the markets economy successfully over the long term. h. That consideration be given to design and development choices that would help the markets to incorporate cashless, up-to-date approaches to commerce that their potential customers expect.
	<p>IPSC Representative to Health, Welfare, and Safety Panel</p>	<p>To receive nominations for a member of IPSC to be representative to the Health, Welfare, and Safety Board.</p>	<ol style="list-style-type: none"> 1.
