Overview and Scrutiny Update

1. Background

- 1.1 The Overview and Scrutiny Procedure Rules require a regular update to Council on the activities of the Overview and Scrutiny function.
- 1.2 The previous update to Council in November 2022 focussed on activities and outcomes of Improving Lives Select Commission. This update will focus on activities and outcomes of Health Select Commission and Overview and Scrutiny Management Board.

2. Key Issues

- 2.1 This report is intended as a summary of highlights and outcomes and is an indicative rather than definitive account of recent scrutiny work, which aims to hold the Council and key partners to account for decision-making, policy development, and performance. The report summarises information that is already in the public domain regarding progress, changes, or improvements resulting from recommendations and feedback provided by councillors on scrutiny committees. These include Health Select Commission, Improving Lives Select Commission, Improving Places Select Commission, and Overview and Scrutiny Management Board.
- 2.2 Although this report emphasises results, scrutiny is chiefly a discursive process rather than a product. For further insight into the process of overview and scrutiny, the archive of public meetings webcasts, reports submitted for scrutiny, and minutes of discussions leading to recommendations are available on the Council's website.

Items considered for scrutiny are added to the work programme based on three criteria:

1. Does the topic relate to a priority in the Council Plan 2022-2025?
2. Can the scrutiny process make a difference or add value?
3. Is the topic important to Rotherham residents?
