Combating Drugs Partnerships

Guidance for Local Delivery Partners document set out how local partners in England should work together to reduce drug-related harm and join up across sectors and a framework for local drugs strategy partnerships referred to as *Combating Drugs Partnerships*

Rotherham Combatting Drugs Partnership

Aims

- Work together to understand the local population and how drugs and alcohol are causing harm in your area
- Identify challenges in the system and the changes needed to address them
- Identify, consider and/or support external funding opportunities to enhance or increase the partnership's ability to deliver its responsibilities and objectives.
- Complete the key tasks below as set out by the Joint Combatting Drugs Unit

CDP Needs Assessment

- Drug and Alcohol Health Needs Assessment (HNA), 2022
- Drug and alcohol covid impact assessment (in progress)
- Rotherham Drug Market Profile, 2022
- SRP updates
- Management of Risk in Law Enforcement Documents
 - Drug markets and drug misuse MoRiLE rationale document
 - Country lines non scored document
 - OCG MoRiLE Rationale Document
 - Vulnerable adults non scored document

 - CGL 2022 CQC report

Needs Assessment Highlights

- Successful completion of drug treatment is lower than national average
- Within Rotherham there are 4 Organised Crime Groups (OCGs) that are believed to be actively involved in County Lines activity.
- There were 708 recorded drug offences in Rotherham for 2020-2021
- Community engagement told us that families are concerned about young people being drawn into drug taking
- Feelings of safety surveys identify drug and alcohol misuse as reasons people feel unsafe in public spaces
- The majority of service users also have a mental health need
- Alcohol/Substance Misuse is one of ten top presenting needs for early help
- The majority of service users were not in employment at the time of presentation
- There is a high unmet need for services, particularly alcohol misuse
