## **Annual Governance Statement 2022/23**

### **1. Background**

- 1.1 The Accounts and Audit Regulations require the Council to produce an Annual Governance Statement (AGS) alongside its Statement of Accounts in each financial year. The AGS is a statutory document which explains the processes and procedures in place to enable the Council to carry out its functions effectively. Local Authorities are required to prepare an AGS in order to report publicly on the extent to which they comply with their own Code of Governance. The draft 2022/23 AGS was published on 31<sup>st</sup> May 2023.
- 1.2 A process to gather assurances and evidence to support the AGS was led by the Corporate Governance Group, chaired by the Strategic Director Finance and Customer Services. The group included the Head of Internal Audit and the Corporate Improvement and Risk Manager.
- 1.3 The assurance and evidence process produced a strong evidence base and enabled the Council to have confidence in the statements that it is making in the AGS. The AGS also includes updates to matters raised in the previous year's AGS. The draft AGS is attached to this report as Appendix A.

### **2. Process to construct the 2022/23 AGS**

- 2.1 In constructing the AGS for 2022/23, the Council has assembled sufficient evidence to support the statements that it has made. To achieve this, each Strategic Director was asked to oversee a self-assessment of governance in their Directorate. This comprised the completion of a self-assessment form based on the Principles and Sub-principles in the Code of Corporate Governance by each Assistant Director, along with a Statement of Assurance from each of them. Strategic Directors reviewed the information before producing their own Statement of Assurance which was based on the information arising from their review of current and previous governance issues.
- 2.2 Each Directorate has returned the required Statements of Assurance and supporting documents and the Corporate Governance Group has reviewed the evidence contained in them. Additionally, the group has considered which issues are of sufficient significance to require reporting in the AGS. The group then confirmed those issues with the strategic Directors and obtained updates from them on the detailed issues raised in the previous year.
- 2.3 The Corporate Governance group then produced the AGS itself, which was reviewed by the Strategic Director Finance and Customer Services, the Monitoring Officer, the Chief Executive and the Leader.
- 2.4 The AGS outlines the governance arrangements in place throughout the year and how their effectiveness was monitored. The AGS recognises the improvements made in the Council's performance throughout the financial year but also highlights a number of areas for further development in 2023/24.
- 2.5 The Audit Committee are invited to comment on any aspect of the Annual Governance Statement attached to this report at Appendix A.

- 2.6 The AGS is subject to review by external audit who will check that it is in line with CIPFA requirements and consistent with the Statement of Accounts and their knowledge of the Council.
- 2.7 The final AGS will be presented to the committee alongside the final Statement of Accounts to reflect any issues that emerge between now and then and will take account of any comments made by the Audit Committee and the external auditor.

### **3. Options considered and recommended proposal**

- 3.1 This paper considers the draft AGS for 2022/23. As a result, no specific options have been considered.

### **4. Consultation on proposal**

- 4.1 All Strategic Directors have been asked for their input into the AGS process through the submission of signed Statements of Assurance.
- 4.2 The draft AGS has been reviewed by the Strategic Director Finance and Customer Services and the Chief Executive.

### **5. Timetable and Accountability for Implementing this Decision**

- 5.1 The Audit Committee is asked to receive this report at its June 2023 meeting.
- 5.2 The Corporate Governance Group will ensure that any issues raised by the Audit Committee or the external auditors, and any emerging issues are addressed and updated as part of the completion of the final AGS for 2021/23.

### **6. Financial and Procurement Advice and Implications**

- 6.1 There are no direct financial implications other than the requirement to publish the AGS alongside the Council's Annual Finance Statements. There are no procurement issues.

### **7. Legal Advice and Implications**

- 7.1 There are no direct legal implications arising from this report, although it is a statutory requirement for an AGS to be published alongside the Council's Financial Statements. This report endeavours to set out how the Council intends to comply with that requirement.

### **8. Human Resources Advice and Implications**

- 8.1 There are no direct Human Resources implications arising from this report.

### **9. Implications for Children and Young People and Vulnerable Adults**

- 9.1 Any implications for the Children and Young People's Service and Adults Services are set out in the AGS attached at appendix A.

## **10. Equalities and Human Rights Advice and Implications**

10.1 There are no direct Equalities and Human Rights Implications arising from this report.

## **11. Implications for Partners**

11.1 There are no direct implications for our Partners in this report. The AGS has been constructed following consultation with all Directorates. Individual directorates are responsible for implementing action to respond to weaknesses identified in the AGS

## **12. Risks and Mitigation**

12.1 The AGS is expected to be completed each year to sit alongside the Financial Statements. The risk of failing to produce an AGS has been considered and, although this is a remote risk resources are in place to ensure that a complete and accurate AGS is delivered on time.
