M

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The premise licence holder will call a Multi Agency Group (MAG) – (or another name as to be discussed), set against the below criteria

- o Each event to be notified to all responsible authorities at least 3 months in advance (less notice may be given if agreed with Police and licensing authority)

-

The premise licence holder will invite representatives from all the responsible authorities (as defined by the licensing act 2003) to attend the meeting.

-

Any other interested parties as identified by either the premise licence holder or any responsible authority will be invited to the meeting.

-

At least 14 days prior to the MAG (or any other approved name), the premise licence holder will send the 1st iteration of the event manual EMSP (or other terminology) to all responsible authorities and any interested party.

The ESMP will follow guidance from relevant documents, such as Purple Guide, HSE, GOV.uk

- The EMSP (or other terminology) must detail control measures for the promotion of the licensing objectives, and as a **minimum** contain -
- Site plans (including temporary structures such as bars and stages)
- Hierarchy/control
- Definitions of roles and responsibilities
- Build and De-rig schedules
- Command and control plan
- Alcohol management plan
- Ingress and Egress plan
- Security and stewarding plan
- Incident management plan
- Evacuation plan
- Medical and vulnerability plan
- Noise management plan
- Site capacity plans (and individual units if plan indicates more than one structure)
- Major incident plan
- Search plan
- Waste management plan
- Transport plan
- Trader information and food hygiene, risk assessments and associated documents
- Fire detection and prevention plan
- Counter terrorism plan (restricted)
- resident engagement
- transport plan

Appendix 2

- welfare and vulnerability policy
 - structures
 - contractors risk assessments and other associated documents
- The number and frequency of any meeting or the requirement for updated EMSP, will be determined through the MAG (or any other approved name)
 - At least 28 days before the event the final iteration of the EMSP (or other terminology) will be sent to the responsible authorities and other parties involved in the MAG process.
 - Any changes to the EMSP after the 28 day deadline, must be notified in writing to all MAG members. If any of the MAG members believe the change to the ESMp would undermine the licensing objectives a MAG will be called.
 - If the amendments are agreed (written proof required from the MAG members) then the EMSP can be amended accordingly and this to become the new operating schedule for the purposes of the premise licence.

The signed off EMSP will become the operating condition for that event and be a condition of the premise licence during its operation.

Where the outside premises licence is being used the Pitches Sports club (licence number P0425) will not trade past the terminal hour of the licensable activity on the outside licence.

No alcohol will be allowed to be taken away from site, on or after the event.
