

<b>BRIEFING</b>	<b>TO:</b>	Health and Wellbeing Board
	<b>DATE:</b>	27 September 2023
	<b>LEAD OFFICER</b>	Claire Smith, Deputy Place Director, SYICB (Rotherham Place)
	<b>TITLE:</b>	<b>Rotherham Place Partnership Health and Care Plan 2023-25</b>
<b>Background</b>		
<b>1.1</b>	<p>Rotherham’s first Integrated Health and Social Care Place Plan (Place Plan) was published in November 2016, it detailed the joined-up approach to delivering key initiatives that would support achievement of the health and wellbeing strategic aims.</p> <p>The Place Plan was then refreshed in 2018 to ensure clear alignment with the revised Health and Wellbeing (H&amp;WB) Strategy. The H&amp;WB Strategy sets the overall strategic direction for health and social care in Rotherham, the ‘Place Plan’ is the delivery mechanism for the health and social care elements of the H&amp;WB Strategy.</p> <p>The NHS Long Term Plan (LTP) was published in January 2019, as a result place partners took the decision to refresh the Place Plan to ensure it addressed the requirements of the NHS LTP. The third Place Plan was approved in February 2020, on the cusp of the covid-19 pandemic.</p> <p>As a consequence of the pandemic there was acknowledgement that the system had significantly changed, in September 2020, in response to this and the Governments planning requirements all partners across the Rotherham place engaged in assessing the impact of covid on the revised Place Plan. The updated priorities document produced supplemented the 2020-22 Place Plan and reconfirmed place priorities and the key actions associated.</p>	
<b>1.2</b>	<p>The updated priorities document has been regularly reviewed and received at Place Board and H&amp;WB Board since September 2020 enabling members to be assured on progress. A ‘close down’ version of the priorities document was received at April Confidential Place Board, May Public Place Board and June H&amp;WB Board. It identifies the actions that have been completed and the actions that roll over to the refreshed Place Plan.</p>	
<b>1.3</b>	<p>This fourth edition of the Place Plan 2023-25 has been refreshed taking account of the changed landscape following the Health and Care Act 2022 and the establishment of a statutory Integrated Care System (ICS) from 1 July 2022. The Place Plan also continues to align with the Rotherham H&amp;WB Strategy which was refreshed in 2022.</p>	
<b>1.4</b>	<p>The final draft was received at the May 2023 confidential Place Board where members approved the plan in principle subject to the plan receiving approval through partners own governance arrangements.</p> <p>The final version, incorporating partner comments, was received at public place board in July, where it received approval subject to any minor amendments. It was agreed that the H&amp;WB Board would receive both the full Place Plan and the summary version in September.</p>	
<b>Key Issues</b>		

<p><b>2.1</b></p>	<p><b><i>Alignment across NHS South Yorkshire ICB and Rotherham Place</i></b></p> <p>At a <b>local level</b>, the Rotherham Place Plan continues to align with the Rotherham H&amp;WB Strategy for delivery on the health and social care elements of the strategy. The Rotherham Prevention and Health Inequalities Strategy is also a key local driver for the Place Plan.</p> <p>The 2023-25 Place Plan builds on the previous plans and takes into account the expectations set out in the NHS Long Term Plan, but also the new NHS landscape, and so aligns with the South Yorkshire Joint Forward Plan and, through the H&amp;WB Strategy, aligns to the South Yorkshire Integrated Care Strategy.</p> <p>In line with the expectations of the Joint Forward Plan, the Place Plan also sets out local priorities and is coherent with operational planning returns.</p>
<p><b>2.2</b></p>	<p><b><i>Key Changes from the previous Plan</i></b></p> <p>Members are receiving the final version of the Place Plan, which has been designed so that the chapters reflect the Joint Forward Plan whilst maintaining close alignment with the Rotherham H&amp;WB Strategy.</p> <p>The following chapters were within the previous Plan and remain in this version:</p> <ul style="list-style-type: none"> <li>• Best Start in Life (maternity / children &amp; young people)</li> <li>• Improving mental health and wellbeing</li> <li>• Support people with learning disabilities &amp; autism</li> <li>• Urgent, emergency and community care</li> </ul> <p>The following are new chapters, this has been influenced by recent guidance and importantly, as a result of the outcomes from the Place Board development session in January:</p> <ul style="list-style-type: none"> <li>• Live Well for Longer (prevention, self-care &amp; long-term conditions)</li> <li>• Palliative and End of Life Care</li> </ul>
<p><b>2.3</b></p>	<p>The first draft of the Place Plan was received at confidential Place Board in April, members gave two key areas of feedback:</p> <ol style="list-style-type: none"> <li>1. Consider how the plan could be produced in different formats suitable for a variety of audiences, how we communicate with the public and how to bring the plan to life in more innovative ways than before. <ul style="list-style-type: none"> <li>• <i>This will be taken forward once the final version has been agreed.</i></li> </ul> </li> <li>2. The plan is quite lengthy. <ul style="list-style-type: none"> <li>• <i>In response the attached final version has been significantly reduced.</i></li> </ul> </li> </ol> <p>A number of comments and amendments have been received from partners and have been incorporated into this final version. These include changes to the plan on a page, governance diagram and points of clarity across a number the workstream sections.</p> <p>Key feedback, particularly from RMBC, is that expected impact from the key priorities needs to be more visible. This is something that we will aim to address through an interactive website version.</p>
<p><b>2.4</b></p>	<p><b><i>Final Steps</i></b></p>

<b>2.5</b>	<p>Once the final version of the place plan has received approval, a designed version will be produced using the place branding and will become the platform for an interactive online version, including creation of infographics to make the content easier to digest. This will be embedded within the 'your health' website which will also include the summary version and a printable version.</p> <p>This should address the feedback around producing the plan in different formats; bringing it to life in more innovative ways; and making some of the expected impacts of our priorities more visible.</p> <p>As with previous Place Plans, a performance report will be developed to enable members to be assured on delivery against the priorities and actions within the Plan.</p>
------------	---

**Key Actions and Relevant Timelines**

<b>3.1</b>	<p><b><i>Patient, Public and Partner Engagement</i></b></p> <p>All 'place' partners have been involved in the development of the Place Plan and comments received have been incorporated into the final version.</p> <p><b><i>Timeline</i></b></p> <table border="1"> <thead> <tr> <th>Date</th> <th>Meeting</th> <th>Version of Place Plan</th> </tr> </thead> <tbody> <tr> <td>November 2022</td> <td>Place Leadership Team and Place Board (confidential)</td> <td>Draft Framework and timescales</td> </tr> <tr> <td>January 2023</td> <td>Place Board Development Session</td> <td>Focussed session on the priorities</td> </tr> <tr> <td>April 2023</td> <td>Place Board (confidential)</td> <td>Draft Place Plan version 1.0</td> </tr> <tr> <td>May 2023</td> <td>Place Leadership Team</td> <td>Draft Place Plan version 2.0</td> </tr> <tr> <td>May – July 2023</td> <td>Partners respective governance groups</td> <td>Draft Place Plan version 2.1</td> </tr> <tr> <td>July 2023</td> <td>Public Place Board</td> <td>Final version of Place Plan</td> </tr> </tbody> </table>	Date	Meeting	Version of Place Plan	November 2022	Place Leadership Team and Place Board (confidential)	Draft Framework and timescales	January 2023	Place Board Development Session	Focussed session on the priorities	April 2023	Place Board (confidential)	Draft Place Plan version 1.0	May 2023	Place Leadership Team	Draft Place Plan version 2.0	May – July 2023	Partners respective governance groups	Draft Place Plan version 2.1	July 2023	Public Place Board	Final version of Place Plan
Date	Meeting	Version of Place Plan																				
November 2022	Place Leadership Team and Place Board (confidential)	Draft Framework and timescales																				
January 2023	Place Board Development Session	Focussed session on the priorities																				
April 2023	Place Board (confidential)	Draft Place Plan version 1.0																				
May 2023	Place Leadership Team	Draft Place Plan version 2.0																				
May – July 2023	Partners respective governance groups	Draft Place Plan version 2.1																				
July 2023	Public Place Board	Final version of Place Plan																				

**Implications for Health Inequalities**

<b>4.1</b>	<p>A key input into the development of the Place Plan was Rotherham's Prevention and Health Inequalities (P&amp;HI) Strategy. The P&amp;HI Strategy aims to drive delivery against South Yorkshire's Joint Forward Plan in Rotherham and local ambitions around improving the health of the local population.</p> <p>The P&amp;HI Strategy is driven by the P&amp;HI Group which is a key group within the place delivery structure and is committed to building understanding of health inequalities in Rotherham, which will include analysis of disparities in access, outcomes, and experience for ethnic minority communities. This will inform the delivery of the entirety of the Place Plan, with all workstreams contributing towards narrowing the gap.</p>
------------	---

**Recommendations**

<b>5.1</b>	<p>The Rotherham Health and Wellbeing board are asked to consider and endorse the final version of the refreshed Rotherham Partnership Health and Care Place Plan 2023–25 and the accompanying Summary Version.</p>
