Dear Sir/Madam,

Proposed implementation of Waiting Restrictions – Clayfield Lane, Wentworth, Rotherham.

I write to inform you that the Council as Highway Authority proposes to promote 'No Waiting at Any Time' restrictions (double yellow lines), on Clayfield Lane to address inappropriate parking in the area.

The scheme has been developed following a suggestion made by your local Councillors to the Councils Local Neighbourhood Road Safety Scheme Fund which has been set up in Rotherham to address community concerns. In this case the road is frequently subject to indiscriminate parking which restricts the free and safe movement of traffic and obstructs residents and businesses from entering or leaving their property.

The proposed waiting restrictions are shown on the attached Drawing Number No: 122/21643/HT/01

The Traffic Regulation Order for these restrictions will be advertised by Notice in the local press and on site. Objections to the proposed Order and other representations relating to it can be sent to the undersigned (quoting reference NF/70368 or email: Legal-TRO@rotherham.gov.uk) at the address shown below and must be received by the undersigned no later than the **20th August 2023** or alternatively by email to transportation@rotherham.gov.uk. All objections and other representations must be made in writing and all objections must specify the grounds on which they are made.
