<u>v</u>	Summary
	ort provides an update on the contractual agreement between Dignity Funerals Limited and
	am Metropolitan Borough Council. It includes the Dignity Funerals Annual Performance report (APR)
for 2022	
	mendations
1.	Members note the content of this report
2.	Members note the content of the Dignity Funeral Limited Annual Performance Report 2022-2023
3.	Members note the Five-Year Service Development Plan
	appendices included
1.	Five-year service development plan. Rotherham Crematorium and Municipal Cemeteries managed
•	by Dignity with subcontractors Glendale on behalf of Rotherham Council
2.	
1.	Update report on Bereavement Services within the Agreement between Dignity
1.	Funerals Limited and Rotherham Metropolitan Borough Council Background
	this report provides updates on the progress made in relation to
	- Actions set in relation to Dignity Funeral Limited at the Improving Places Select Commission
	dated 7 th September 2021
	- The Annual Performance Plan for Dignity Funerals Limited
1.2	On the 1st August 2008, the Rotherham Council entered a 35-year contractual agreement with Digni
	Funerals Limited for the provision of Bereavement Services for Rotherham. This agreement saw
	Dignity take on responsibility for the capital works and maintenance of East Herringthorpe Cemetery
	and Crematorium along with the maintenance of eight other municipal cemeteries located throughout
	the borough. Rotherham Council retained cemetery chapels, associated buildings, and boundary walls on some cemetery sites
1.3	Dignity provides annual assurance to Rotherham Council that that Key Performance targets are
	being met and service improvements are being made and are documented in the Annual
2	Performance report.
2. 2.1	Key issues Dignity is required to maintain hard and soft landscaping including roads and footpaths, grave areas
۲.۱	memorial gardens, arboriculture, and all horticultural features.
	During the period significant improvements have been made to all cemetenes and Dignity has
	During the period significant improvements have been made to all cemeteries and Dignity has worked with its contractor, Glendale, to develop a five-year development and improvement plan.

	All existing drainage at East Herringthorpe Cemetery has been repaired and a new drainage system has been installed within the Muslim burial section to prevent the reoccurrence of historic groundwater issues in this area.
22	Dignity is committed to assessing customer satisfaction levels to agreed targets.
2.2	The customer engagement log is regularly updated and shared with the Rotherham Council at monthly meetings.
	To improve reporting a revised customer survey was developed during July 2022.
	Information boards have been installed in every cemetery to encourage feedback from customers.
	Dignity has proactively engaged with Friends of Cemetery Groups and the Muslim community to
	better understand their needs.
	Serious complaints are referred to Rotherham Council within 1 working day.
3.	Expansion update
3.1	Dignity submitted planning applications in September 2022 for the expansion of the Wath and East
	Herringthorpe cemeteries to satisfy the future needs for burial space.
	Wath Cemetery requires expansion for opening in 2023 so Dignity and Rotherham Council are
	agreeing the terms of the modelling currently and Dignity will commence the procurement and
0.0	tendering process for the development whilst the planning process proceeds.
3.2	Both planning applications received positive pre-application approval earlier this year.
3.3	Planning consent for East Herringthorpe is still under consideration.
3.4	planning permission was granted at Wath in October 2023. Works now to commence on landscapin
	and preparing site ready for 2024.
	Capital investment
4.1	In 2023, Dignity have invested heavily at East Herringthorpe, Greasbrough lane, Greasbrough Town
	Lane, Haugh Road and Maltby to make significant improvements to the driveway and footpaths to
	improve the access, safety and appearance for visitors. Improvements ongoing at Wath, Masbrough
	and Moorgate Cemetery.
4.2	An additional £250,000 has been invested in the in the Muslim burial area of the cemetery to improve
	access, provide land drainage and create tombs to improve the facilities provided to this community.
	This development was completed, however Dignity are continuously looking to improve the area
	This development was completed, however Dignity are continuously looking to improve the area through further landscaping. Working alongside the Muslim Community, work will commence in

Provision of a natural burial ground An area of Greasbrough Lane Cemetery has been identified to provide a natural burial ground for those that want this option. Test digs were conducted for the suitability of the area. Once

6. Friends Groups and Communities
5.1 Diversity and inclusion are integral parts of our business, and we are happy to seek ways to ensure
our crematoria and cemeteries are inclusive and welcoming for all faiths and beliefs.
5.2 Monthly meetings have taken place with all Cemetery Friends groups. By working closely with the community, plans have been put in place to provide an improved service provision based off
Community feedback.
5.3 Special meetings and invites have been granted to Dignity to visit several Mosques. These meetings were invaluable and have created a good working relationship with the community and a positive platform to build upon.
5.4 Dignity's Central Operations Centre in Sutton Coldfield is available 24 hours a day, 365 days a year to assist with any public enquiries and funeral arrangements if required.
