

Transport Advisory Group

Transport Infrastructure Service Update

March 2024

20mph policy

- Adopted February
- States where 20mph may be considered
 - Not main roads or bus routes
 - Except outside schools
 - Only with measures to ensure compliance

20mph policy

- Does not require introduction of limits
- Only with local support (unless DfT requirements dictate otherwise)
- All proposals subject to public consultation

Transport Capital Programme 24/25

- To go to March cabinet
- £4.2m on local schemes
 - Of which £1.8m carried forward from 23/24
