Dear Cllr Tinsley

Question at Council – Wednesday 17th July 2024

Thank you for the question you submitted to the Council meeting on 17th July 2024, which I have set out below along with my response:

Biffa have taken over the management of the household residual waste facility in Manvers. Is there any foreseen changes to the service in general?

I am not aware of any foreseen changes to the service in general.

Publicly available information suggests Biffa's intent to acquire Renewi's municipal business in the UK. This means they will take over existing contracts such as the one in place locally. The facility at Manvers will continue to operate under the existing contract and specification.

I hope you find this information helpful.

Yours sincerely

Cllr Saghir Alam OBE
Boston Castle Ward
Cabinet Member for Finance & Safe and Clean Communities
