Mr Smith

Dear Mr Smith

Council Meeting – Wednesday 17th July 2024

Thank you for your question to Council on 17th July 2024. I have set out the question and my response below:

Is RMBC planning and enforcement now so unfit for purpose it needs to be put back into special measures?

I can advise that the Council's planning and enforcement team are amongst the top performing local planning authorities in the Country and have never been in special measures.

It is my assessment that I cannot see any justification to consider special measure intervention in planning and enforcement.

I hope you find this information helpful.

Yours sincerely

Councillor Robert Taylor
