

Appendix 2.

Will the decision/proposal impact...	Impact	If an impact or potential impacts are identified			
		Describe impacts or potential impacts on emissions from the Council and its contractors.	Describe impact or potential impacts on emissions across Rotherham as a whole.	Describe any measures to mitigate emission impacts	Outline any monitoring of emission impacts that will be carried out
Emissions from non-domestic buildings?	No Impact	There is no expected carbon impact.	There is no expected carbon impact.	<p>Providers will be asked to share details of their annual energy use, to benchmark the carbon impact of existing services.</p> <p>Providers could be asked to sign the Rotherham Together Partnership's Climate and Nature Charter. This is a voluntary commitment towards tackling the climate and nature emergencies.</p>	Provider greenhouse gas emissions are scope 3 emissions, outside the scope of the Council's NZ30 climate change target. Research to understand the Council's total carbon impact, including from sources outside its direct control, is an ongoing action under the Council's Climate Change Action Plan.
Emissions from transport?	No impact	There is no expected impact due to emissions from transport.	There is no expected impact due to emissions from transport.	Where time and distance allow, providers will encourage travel to engagement events via active travel, public transport or car sharing where appropriate.	Council officer travel is included with the Council's Net Zero 2030 greenhouse gas emissions accounting.
Emissions from waste, or the quantity of waste itself?	No impact				
Emissions from housing and	No impact				

domestic buildings?					
Emissions from construction and/or development?	No impact				
Carbon capture (e.g. through trees)?	No impact				

Identify any emission impacts associated with this decision that have not been covered by the above fields:
 N/A

Please provide a summary of all impacts and mitigation/monitoring measures:
 Impact on the Council and Borough emissions are considered to be small.
