Overview and Scrutiny Annual Report 2023/24

1. Background

- 1.1 This report is submitted in accordance with Section 8.6 of the Constitution, which states, “The Overview and Scrutiny Management Board will report annually to the full Council on the operation of overview and scrutiny select commissions and make recommendations where appropriate for future work programmes and amended working methods.”
- 1.2 The terms of reference of the Overview and Scrutiny Management Board and Select Commissions are set out in Appendix 9 of the Constitution – Responsibility for Functions. Details of the specific areas for scrutiny by each select commission are also set out in Appendix 9.

2. Key Issues

- 2.1 The appendix to the report displays the range of scrutiny activity and highlights key findings and recommendations. Selected outcomes resulting from work in response to recommendations are also reflected in the report where these have been delivered. Where future outcomes are expected, these are noted.
- 2.2 The Annual Report also details the review of scrutiny processes. This included reviewing work programming, the role of the Link Officer for each commission, the scrutiny review process and the scrutiny review tracker.
- 2.3 The Chairs and Vice-Chairs for the 2024/25 municipal year are set out at the end of the Annual Report along with the items from the 2024/25 Work Programme.

3. Options considered and recommended proposal

- 3.1 The 2023/24 Annual Report provides an overview of activity undertaken by Scrutiny over the last year through key lines of inquiry, evidence gathering, and findings leading to recommendations. The report provides a selection of the year’s achievement of Scrutiny as a supplement to full agendas and minutes of Cabinet, OSMB and Select Commission meetings throughout the year. The recommendation to Council is to note the report.
- 3.2 It was agreed in 2021/22 that future Annual Reports would be organised by Council Plan theme. This approach reflects a fully joined up approach by Scrutiny to work programming, reducing overlap through efficient allocation of Scrutiny attention.
- 3.3 As noted above in 3.2 this year’s report is organised by Council Plan 22-25 themes. However, it should be further noted that the relevance of each agenda item, review, and recommendation may span multiple Council Plan themes, especially where improvements pertaining to wider determinants of health such as environmental and economic circumstances lead to cascading

benefits. Therefore, the report should be considered as an indicative rather than definitive account of outcomes.

4. Consultation on proposal

4.1 As this is the report of the OSMB and Scrutiny commissions, consultation with Chairs and Vice-Chairs of these committees was undertaken and feedback incorporated in the final report.

4.2 The report describes outcomes that are already in the public domain.
