	LEAD OFFICER	Steph Watt Health and Care Portfolio Lead, SYICB/RMBC E-mail: steph.watt@nhs.net
	TITLE:	Better Care Fund (BCF) Call-Off Partnership / Work Order 2024/25

Background

1.1	The purpose of this report is to confirm that Rotherham Metropolitan Council (RMBC) and South Yorkshire Integrated Care Board (Rotherham Place) have jointly developed a new BCF Call-Off Partnership/Work Order in 2024/25, which reflects local need and priorities.
1.2	The Department of Health and Social Care (DHSC) and Department for Levelling Up, Housing and Communities (DLUHC) published the BCF Policy Framework for the implementation of the Better Care Fund (BCF) for 2023-25.
1.3	As set out in the BCF Policy Framework, the delivery of the BCF will support two key priorities for the health and care system that align with the two existing BCF objectives: <ul style="list-style-type: none"> • Improving overall quality of life for people, and reducing pressure on UEC, acute and social care services through investing in preventative services • Tackling delayed discharge and bringing about sustained improvements in discharge outcomes and wider system flow, as set out in the BCF objectives and priorities for 2023-25.
1.4	NHS England and the Government have published the BCF Planning Requirements for 2023/25, the vision for the BCF is to support people to live healthy, independent and dignified lives, through joining up health, social care and housing services seamlessly around the person. This vision is underpinned by the two core BCF objectives: <ul style="list-style-type: none"> • Enable people to stay well, safe and independent at home for longer, • Provide the right care in the right place at the right time,
1.5	The use of BCF mandatory funding streams (including NHS minimum contribution, Improved Better Care Fund (iBCF) grant, Disabled Facilities Grant (DFG) and Discharge Funding must be jointly agreed by Integrated Care Boards (ICBs) and Local Authorities to reflect local health and care priorities, with plans signed off by Health and Wellbeing Boards (HWBs).
1.6	The Discharge Funding needs to be used to reduce flow pressure on hospitals, including mental health inpatient settings by enabling more people to be discharged to an appropriate setting, with adequate and timely health and social care support.

Key Issues

2.1	The Better Care Fund will continue to provide a mechanism for personalised, integrated approaches to health, social care and housing that support people to remain independent at home or to return to independence after an episode in hospital. The BCF was established by the Government to provide funds to local areas to support the integration of health and social care.

The BCF Call-Off Partnership / Work Order 2024/25 needs to be fully signed by both partner organisations and in place by 30th September 2024.</p> <p>The BCF Call-Off Partnership/ Work Order 2024/25 has established two Better Care fund pooled budgets. With each organisation hosting one fund, the proposal allows both the Council and SYICB (Rotherham Place) to maximise the benefits of hosting a pooled budget.</p> <p>A performance management programme has been developed which will allow a close focus on each of the BCF schemes. The schemes have been mapped into two pooled budgets to allow similar services to explore opportunities for further integrated working, and to work together to collect and monitor data, ensuring duplication is avoided.</p> <p>The BCF Executive Group is the body which has strategic oversight of the whole BCF plan. The BCF Operational Group will gather reviews and interprets performance data, and ensures targets are monitored and met. The officer groups will be held accountable across the system and have key representatives from both RMBC and SYICB (Rotherham Place). Terms of Reference for each of these groups are set out in BCF Call-Off Partnership / Work Order.</p> <p>This partnership will work across all Partners to ensure effective delivery of the ambitions set out in the BCF metric plans. The SYICB (Rotherham Place) and Council have agreed a risk fund, spread across the two pooled budgets, which will be used to fund any shortfall due to targets being missed, or unexpected overspends.</p> <p>The details of the two pooled funds are set out in the BCF Call Off Partnership/Work Order. In brief, there are two funds within the £54.338m BCF Plan for 2024/25. One fund, hosted by the SYICB (Rotherham Place), is valued at £15.814m and the other fund, hosted by the Council, is valued at £38.524m. Both funds sit under the same Section 75 Framework Agreement which provides governance for the BCF plan.</p> <p>The BCF mandatory funding includes the minimum NHS contribution of £28.261m, Improved Better Care Fund (IBCF) £15.499m and DFG £5.857m for 2024/25 which amounts to a total of £47.144 million.</p> <p>In line with previous years the BCF Risk Pool will be utilised to contribute to the increase in demand and to support discharges from hospital.</p> <p>Risk sharing agreements have been agreed to protect both parties from areas of overspend and financial risk.</p>
