Cllr Beck

Elected Member

Via email: dominic.beck@rotherham.gov.uk

Dear Cllr Beck

Council Meeting – Wednesday 11th September 2024

Thank you for your supplementary question to Council on 11th September 2024. I have set out your question and my response below:

Councillor Beck asked the Cabinet Member to consider writing to Yorkshire Water to express concerns regarding the adverse effects on residents whose properties sustain damage and the support offered to them.

The Council's Drainage team will draft a letter to Yorkshire Water this week that brings to their attention the on-going issue of repeat water main bursts in Kiveton Park Village. The letter will note the recent confirmation of a commitment made by YW to renew the existing defective watermain over a substantial length through Kiveton Village which should greatly improve their service and hopefully prevent the all too regular disruption caused by frequent water main bursts over many years.

I hope you find this information helpful.

Yours sincerely

Councillor Robert Taylor

Cabinet Member for Transport, Jobs and the Local Economy
