		Describe impacts or potential impacts on emissions from the Council and its contractors.	Describe impact or potential impacts on emissions across Rotherham as a whole.	Describe any measures to mitigate emission impacts	Outline any monitoring of emission impacts that will be carried out
Emissions from non-domestic buildings?	None				
Emissions from transport?	Increase	Small increase projected due to travel associated with consultation activity.		Where time allows and distance allows, officers to be encouraged to travel by active travel, public transport or car sharing to any consultation events.	Officer travel is included with the council's net zero 2030 greenhouse gas emissions accounting.
Emissions from waste, or the quantity of waste itself?	None				
Emissions from housing and domestic buildings?	None				
Emissions from construction and/or development?	None				

Carbon capture (e.g. through trees)?	None

Identify any emission impacts associated with this decision that have not been covered by the above fields:

There may be additional carbon impacts arising from the implementation of any updated PSPO.

Please provide a summary of all impacts and mitigation/monitoring measures:

There may be a small increase from officer travel involved in carrying out the consultation. This can be minimised by officers choosing lower-carbon travel options.
