Identify any emissions impacts associated with this decision which have not been covered by the above fields:

*None – this report constitutes an update on previous activity.*

Will the proposal affect Council services' resilience to climate change, or the capacity of people living in the Borough to adapt to climate change?

*There are no specific impacts on resilience identified as part of this assessment. Significant new actions will be or have been subject to their own climate impact assessments.*

Provide a summary of all impacts and mitigation/monitoring measures:

As this report is a financial update on previous events, updates on levels of funding moving forwards and doesn't approve anything directly to happen, it does not have any carbon implications.
