

**Appendix 5.** Climate Impact Assessment, Appendix 5, Adult Social Care Local Account 2024 - 2025

Will the decision/proposal impact...	Impact	If an impact or potential impacts are identified:			
		Describe impacts or potential impacts on emissions from the Council and its contractors.	Describe impact or potential impacts on emissions across the Borough as a whole.	Describe any measures to mitigate emission impacts	Outline any monitoring of emission impacts that will be carried out
Emissions from non-domestic buildings?	None				
Emissions from transport?	None				
Emissions from waste, or the quantity of waste itself?	None				
Emissions from housing and domestic buildings?	None				
Emissions from construction and/or development?	None				
Carbon capture (e.g. through trees)?	None				

Identify any emissions impacts associated with this decision which have not been covered by the above fields:

Paper versions will be available in libraries across the borough, so the report is accessible to those who do not use / have access to the internet. The online version will be promoted but 13 paper copies will be produced (1 per library, to minimise material use and to avoid potential waste).

Will the proposal affect Council services' resilience to climate change, or the capacity of people living in the Borough to adapt to climate change?

Publication of the Adult Social Care Local Account 2024 – 2025 will not affect the capacity of people living in Rotherham to adapt to climate change, except indirectly as it supports performance and raises awareness of the range of services available.

Provide a summary of all impacts and mitigation/monitoring measures:

The Adult Social Care Local Account reflects performance and achievements from the last municipal year: its publication will have no material impact on climate change, except from printing a small number of reference copies, to be available at libraries throughout the Borough.
