

Appendix 5. Climate Impact Assessment, Appendix 5 , Rotherham All-Age Autism Strategy 2024-2027 Progress Update

Will the decision/proposal impact...	Impact	If an impact or potential impacts are identified:			
		Describe impacts or potential impacts on emissions from the Council and its contractors.	Describe impact or potential impacts on emissions across the Borough as a whole.	Describe any measures to mitigate emission impacts	Outline any monitoring of emission impacts that will be carried out
Emissions from non-domestic buildings?	None				
Emissions from transport?	None				
Emissions from waste, or the quantity of waste itself?	None				
Emissions from housing and domestic buildings?	None				
Emissions from construction and/or development?	None				
Carbon capture (e.g. through trees)?	None				

Identify any emissions impacts associated with this decision which have not been covered by the above fields:

There are no additional emissions impacts related to this decision

Will the proposal affect Council services' resilience to climate change, or the capacity of people living in the Borough to adapt to climate change?

This update report will not affect the resilience of Council services to climate change, nor the capacity of people living in the Borough to adapt to climate change

Provide a summary of all impacts and mitigation/monitoring measures: See above
