Dear Councillor Yasseen

**Supplementary question at Council – 16<sup>th</sup> July 2025**

Thank you for your supplementary question raised at the Council meeting on 16<sup>th</sup> July. I have set out your question and my response below.

***Has the Communities team within the Policy, Performance and Intelligence service been consulted on either the first or second consultation?***

I can advise that the Policy, Performance and Intelligence service have been involved with the previous selective licensing scheme and fully engaged in the preparation of the proposed scheme. Via the consultation process, all council departments have been made aware of the proposed designations.

During the preparation of the consultation, 61 relevant organisations, religious, community groups were identified using the Performance and Neighbourhood teams.

I hope you find this information helpful.

Yours sincerely

**Cllr Linda Beresford**
