Dear Councillor Yasseen

**Supplementary question at Council – 16<sup>th</sup> July 2025**

Thank you for your supplementary question raised at the Council meeting on 16<sup>th</sup> July. I have set out your question and my response below.

***In the printed information, which was not interactive, one example of something that was missing from the last consultation was the whole of the Boston Castle Ward from the map. It was titled Eastwood. Can that be corrected?***

I can advise that the printed material set out on the 30/06/2025 describe the proposed central area designation as “Eastwood / East Dene / Clifton / Town Centre / Boston Castle” and contained the map of the proposed area as was included in the earlier printed material.

I have enclosed a copy for your information.

Yours sincerely

**Cllr Linda Beresford**  
Labour Member for Greasbrough Ward
