

Overview and Scrutiny Management Board – Work Programme 2025-26

Chair: Councillor Brian Steele
Governance Manager: Barbel Gale

Vice-Chair: Cllr Joshua Bacon
Link Officer: Phil Horsfield

The following principles were endorsed by OSMB at its meeting of 5 July 2023 as criteria to long/short list each of the commission's respective priorities:

Establish as a starting point:

- What are the key issues?
- What is the outcome that we want?

Agree principles for longlisting:

- Can scrutiny add value or influence?
- Is it being looked at elsewhere?
- Is it a priority – council or community?

Developing a consistent shortlisting criteria e.g.

- T: Time: is it the right time, enough resources?
- O: Others: is this duplicating the work of another body?
- P: Performance: can scrutiny make a difference
- I: Interest – what is the interest to the public?
- C: Contribution to the corporate plan

This information should include details of how overflowing bins can be reported, how often collections are scheduled for and how those are monitored, what join arrangements are in place with Parish Council's, if any, and a list of the locations of bins under RMBC management, if available.
TBC	Luke Sayers	IT Systems: Workshop to be arranged for members of OSMB to understand what IT systems the Council is using, what the purpose of those systems is, are those systems as up to date as possible, how updates to those systems are managed, how the Council is using artificial intelligence (AI), is the Council using outdated technology, and was the Council spending too much or too little in this area.
TBC	Lynsey Linton	Recruitment: Initially an off-agenda briefing has been requested to understand how recruitment is carried out across the Council, indicating if the same processes were used across all directorates, detailing if recruitment was centralised, was there a reliance on agency staff to cover staff vacancies.
