RECORD OF OFFICER EXECUTIVE DECISION

Date of Decision:	5 th December, 2025
Title:	Consultation Update, Proposed 'No Waiting At Any Time Restriction – Brecks Lane, Rotherham. (Small Interventions Schemes 2025/26)
Decision Maker: (Including Job Title)	Simon Moss Assistant Director Regeneration and Environment
Details of Specific Delegation or Delegation contained in the relevant Sub-Scheme of Delegation.	<u>Sub Scheme of Delegation - Strategic Director of Regeneration and Environment</u> 'To promote, consider objections to and implement Traffic Regulation Orders under the Road Traffic Regulation Act 1984.' Page 21 refers.
Decision:	Entry of the Minor Works programme is approved for entry into the Transport Capital Programme.
Reasons for the Decision:	To enable delivery of projects under the Minor Works programme within the approvals at Cabinet, 17 th March 2025
Details of alternative options considered and rejected:	Making no changes to the restrictions was considered, but this would be likely to still result in obstruction and congestion and would not address the repeated concerns raised by residents and Ward Members. Extending the restrictions further down Brecks Lane. This was considered but ruled out as it would prevent local residents and their visitors from parking on the highway outside their properties. It would also mean that visitors to the local shops and businesses would be inconvenienced, potentially leading to a reduction in footfall to said businesses.
